In Brief

Crime prevention

A farm in Clopton has been subjected to a number of separate incidents during November. These include deer poaching, hare coursing, damage to crops and hedges and the theft of a lock and chain from a gate.

The incidents happened between Monday 14th November and Saturday 26th November.

Officers are appealing for members of the public to report any suspicious activity in rural areas, and to be on the look out for people with lights or torches in fields at night.

Steam services

The Nene Valley Railway will be running steam services to welcome in the New year.

As an antidote to endless Christmas film re-runs why not enjoy a spectacular steam train ride through the frosty landscape.

There will be steam Loco out and about for 27th and 31st December, and then to welcome in the new year, there will be more steam services on the 1st, 2nd, 8th and 9th January.

AGA in Oundle

The new AGA shop in Oundle, the final element of the retail units at the Wharf, opened with a flourish on the evening of Friday 25th November.

The 2013 Great British Bake Off winner Frances Quinn

launched the shop by cracking a large egg on an AGA cooker and signed copies of her book, which were kindly provided by the Oundle Bookshop.

On behalf of AGA, local manager Ali Winbolt said how delighted she was to have made the move to the Wharf and to be able add to the high-quality retail outlets showcased in this, the gateway to Oundle. The opening was supported by Amps Fine Wines and the Hambleton Bakery, who also operate from the Wharf.

Although AGA are most famous for their cookers – the cast iron for which is still produced at their

Shropshire foundry in Coalbrookdale with the cookers still assembled down the road near Telford – the company offers much more for the modern kitchen.

Friendly and knowledgeable staff will be on hand in the new Oundle shop to help customers find exactly the right model of AGA for them. There will also be regular AGA demonstrations and there is nothing quite like seeing the AGA in action – you might be surprised at how much it can do.

The regular in-store cookery demonstrations will be a great way to learn more about the AGA and taste the delicious food it helps to produce; details of these events will be on the AGA Oundle website, so pop along and see how to cook the food you love – no matter how basic, complicated or unusual!

AGA Oundle Now Open

Discover our latest electric and gas models with switch on / switch off hotplates. Whether you're looking to purchase your first AGA cooker or upgrade your current AGA to one of our flexible new models, then our AGA experts will be on-hand to help with your requirements. And with an extensive cookware collection in-store, you'll be sure to find everything you need to create the perfect AGA kitchen...

We look forward to seeing you at AGA Oundle:

Dear Editor,

The 'Rushden looking to the future' article in the 22nd October issue proudly presents a somewhat rosy future for Rushden; this perhaps in many ways is justified. The Rushden Lakes programme, the huge house building/apartment refurbishment of our Victorian factory sites and finally the host of small building plots long left to grow substantial weeds and collect fast food leftovers now see the concrete mixers!

Any persons thinking of settling in Rusden, perhaps with a young family or visitors from various aspects will no doubt eventually wind their way down to our high street. This may

well be a turn-off, as although one end of the street is reasonable without perhaps matching the sense of Rushden looking to the future, the other end excepting the magnificent Osbornes' toy shop reflects a town in decline! This decline may have been true over the last couple of decades but surely not anymore. Another aspect which must be treated with some urgency is the High Street when the sun goes down. The somewhat over representation of 'greasy spoon' takeaways and here today, gone tomorrow secondhand furniture shops surely does not inspire newcomers with a sense the town is looking to the future. I have seen so many shady characters half hiding in dark doorways at night; this cannot be a welcome site to any genuine newcomer. Please do not shout me down as a racist, many of my neighbours are from overseas and are very fine people with children in local schools.

Yours faithfully, A.T. Newman

Genealogy jottings

Have you seen the latest news from the General Register Office (GRO)? They have now put new indexes to Births 1837-1915 and Deaths 1837-1957 online. The mother's maiden name was added to the births, marriages and deaths index (BMD) held by the GRO only from the September quarter of 1911. However, this new facility from the GRO allows you to search for births using the mother's maiden name for earlier years!

To access the indexes you need to sign up for an account on the GRO site <https://www.gro.gov.uk/gro/content/certificates/default.asp> or re-verify it if you already have one. On that page follow links to 'search the GRO historic birth and death indexes'.

My grandmother always said that she was one of eight children, but on the 1911 census return, her mother said that she had twelve children, four of whom had died. With the surname of Smith, trying to find the missing children was a difficult task to say the least! They were not recorded on any census and so I surmised that they had been born and died between them. I found one of them, a lad

By Jan Pearson
Genealogy Specialists, Tracing Our Past, Discovering Our Genes (TOP DOG)
www.genealogy-specialists.com

of 4 who had been killed when a land roller hit him on his neck. There were newspaper reports that helped me to identify him. This had all happened when my grandmother was a baby. But what of the other three? By using my great grandmother's maiden name (Cowling) and the registration district that covered where they were living (Linton, Cambridgeshire) I was able to identify those missing children. Two had been born and died soon after, both before my grandmother had been born. The third died as a baby but was born when my grandmother was just 2 years old, so she would not have remembered her.

Another set of mysteries solved! So, if you have any missing ancestors, it could be worth checking with the GRO Historic Birth and Death Indexes.

Editor's notes

First, an eleventh-hour announcement on behalf of St Nicolas Church, Islip, where there will be a St Nicolas Day celebration service on Sunday 4th December at 11 am. This is to be a lively, all age service, with puppets retelling the story of St Nicolas and contributions from the Choir of Trinity Church of England Primary School.

We heard of this event too late to get into our What's On section but it's worth noting nonetheless, not least because, as was experienced during a recent visit to the Church, the central heating is kept on 'to help preserve the fabric of the building', which ensures a very comfortable ambient temperature.

It seems we shall have to wait until July 2017 to experience shopping at the new Rushden Lakes development. LXB Retail Properties, who are developing the site which includes retail and leisure outlets, had hoped that the first tranche would be open next spring. However, they recently announced that the opening is to be delayed until July because of highways issues.

The company told us: "Rushden Lakes is progressing well and we are now well into the build contract period. Unfortunately, due to reasons outside of LXB's Control, the procurement and start on site of the necessary highway improvements to the A45 were delayed by Highways England.

Planning conditions require that these works are completed prior to opening and therefore Rushden Lakes is now scheduled for a July opening."

Meanwhile, the Highways England project manager is quoted as saying: "We continue to work with the developer as the scheme moves forward. Our commitment has always been to deliver the route network as quickly as possible for the development and we continue to work closely with the local developer and key stakeholders to ensure that the complex can open as quickly as possible."

Elsewhere in this edition there are wise words for drivers over the festive season. It's simply not possible to overstate the dreadful impact that drink/drug driving can have and, while the article concentrates on the impact on the driver, there is of course the potential for even more devastating consequences for victims of accidents involving those driving while their abilities are impaired.

In another article, you can see that Nene Valley Community Action are doing some great work this Christmas, with absolutely no additional funding but of course there is so much more to be done outside the festive season too. If you have some time to spare and would consider becoming one of the charity's 'Befrienders' you can contact them on 01933 396382/01933 313526 or via email: info@nvca.org.uk

East Northants Snooker League

Exciting times for the East Northants Snooker League. Having operated just as a Summer League for the past two years, we are very pleased to have just commenced a Winter League. We are now six weeks into the season.

Compared to the Summer League, we have been able to attract 10 teams, up from just seven. This creates even more competition and more games for all the teams and players involved. We welcome a completely new team, Islip WMC, which introduces a new venue to the League: the Islip Working Men's Club.

The prizes and trophies this season are going to be better than ever, and this is a direct result of our very generous sponsors that have agreed to support us. They are as follows:

The Pumphouse Café (W'boro), Citrus Training

Group (l'boro), HCB Plumbing (W'boro), MasterCue (Finedon), The Pie Place (Rushden) and ADP Electrical (W'boro). Thank you very much to all of our sponsors – they make the league that much stronger.

Another benefit of our sponsors is the fact that they bring us the additional resources to be able to run a number of tournaments alongside the league for the benefit of the members. We will be running the following tournaments over the winter period: Scratch Singles, Handicap Singles, Handicap Doubles and a Team Knockout Competition.

Windmill G have jumped to

the top of the table, following a 6-0 victory over Windmill B. Windmill Mecca and Coopers A are in joint 2nd spot and are within touching distance after good performances. At the other end of the table Windmill C have moved off the bottom thanks to better results and Windmill B are now in 10th, yet to win a game.

Congratulations goes to Mark Brett of Windmill C for his 57 break in week 3 in his match against Warren Sanger of Islip WMC. This break is a high benchmark for everyone to aim for. Wayne Gardner came close to the high break, knocking in a 49 break in week 5.

Results for week 6:

Windmill C 3-3 Coopers C

Windmill G 6-0 Windmill B

Coopers A 2-4 Windmill Warriors

Coopers Ball Bashers 4-2 Islip WMC

Windmill Weapons 1-5 Windmill Mecca

Good luck to all teams this week.

Youngsters discuss relationships at annual conference

Young people in East Northamptonshire got together to talk about relationships at a council conference in Rushden recently.

East Northamptonshire Council (ENC) organises a Youth in East Northamptonshire (YEN) conference each year to bring together students from secondary schools across the district.

This year's conference was all about healthy relationships, and saw 36 young people engaging in topics including discrimination, hate crime and domestic abuse/control.

The main task

of the day involved group work to create a product to raise healthy relationship awareness in Northamptonshire and beyond. Groups had to consider design, marketing and finance and then present the product to their peers.

The winning idea was a mobile game where each level addresses a different abuse theme, such as psychological, emotional, physical and sexual abuse.

Players would learn about these and receive support information as they played.

ENC Chairman, Councillor Rupert Reichhold, who opened the conference, said: "Relationships can play a major role in our lives, especially during teen years. Sometimes we meet people who may not have our best interests in mind. It is vital that young people learn to distinguish between a healthy relationship and a harmful one. I hope the

YEN Conference helped the students learn about unhealthy components of relationships such as domestic abuse, controlling behaviour and incidents of hate. Hate crime is a criminal offence; moreover we should treat other people as we want to be treated,

wherever we may be."

Students also had the chance to find out more about and talk to ENC Councillors, Northamptonshire Police, East Midlands Ambulance Service, Service Six, Voice (children and young people) and Northamptonshire

Association of Youth Clubs.

The day went down well with the pupils, with some feedback stating: 'I feel I have taken a lot from the conference,' 'I enjoyed the fact it gives us life skills and will help us in the real world,' and 'It gave us a whole new perspective'.

Information about services for young people can be found at www.east-northamptonshire.gov.uk/yen

Top Christmas show comes to Raunds

Raunds Music Festival has pulled off a real coup in bringing one of the very few performances of 'An Albion Christmas' to Raunds Manor School on Friday 9th December.

This event, which attracts sell-out audiences across the UK, has been touring for nearly 20 years and is widely regarded as the premier seasonal show. It was described by The Guardian as 'the perfect antidote to the corporate Christmas'.

Featuring two founder members of Fairport Convention including the originator of Steeleye Span, Ashley Hutchings, The Albion Christmas Show takes you on a guided tour through the Christmas customs of Britain. It is a seasonal mixture of carols, spoken word, humorous readings and dance that 'takes

you deep into Britain's winter festival with visions of frosty mornings, a rejoicing Earth, burning logs and berries'. This year will see a collection of new material alongside favourites from their back catalogue of Christmas albums.

Festival Organiser Bob Fisher said: "We are proud to promote this special event which really will be the perfect way to start Christmas festivities. Tickets are strictly limited and selling rapidly so make sure you act fast and don't miss it!"

More information and tickets, £18 for adults and £9 for under-18s, are obtainable from www.raundsfestival.com and the Festival Hotline 07756 015615 as well as local outlets.

Oundle and District Care Christmas Giving

The Annual General Meeting of Oundle and District Care was held in September. David Wills stepped down as Chairman and was thanked for all his hard work over the past few years. Catherine Goldsmith was elected as the new Chairperson. Reports were given by many of the groups who had received grants in the past year.

Oundle and District Care has two main fundraising events each year: The Spring Fair and the Christmas Appeal. Have you thought about supporting a local charity this year? Your donation would help with the purchase of medical equipment for

our surgery and local hospice, grants to locally based care organisations and the purchase of fruit or flowers for those who are sick. We also maintain a collection of medical aids such as walking frames, wheelchairs and commodes which are available for use.

An envelope containing more information and a donation form will shortly be dropped through your door or alternatively go to www.justgiving.com/crowdfunding/oundle-and-district-care

Touch typing success for Oundle pupils

“I’m glad I’ve learned to touch type, it’s going to make life a lot easier!” said Ben Honeywell who, with his sister Abbie, successfully completed Type by Touch’s half-term course.

“The most rewarding part is watching the dawning realisation of what a huge difference touch typing will make to their whole lives,” says Diane Gifford of Type by Touch. Once learned never forgotten, this skill gives massive rewards to those who take the plunge and do the course.

Most people will hunt and peck their way around the keyboard using two or three fingers, wasting hours of time. Touch typing focuses completely on the document being produced – saving time and energy.

Diane’s touch typing courses make it easy and enjoyable to learn this essential

life skill in 12 to 15 hours. All age groups from 9-90 can learn.

From the start, the finger-to-key movements are retained as ‘muscle memory’, making touch typing an instinctive, automatic activity aligning the body and brain systems.

Diane’s courses get you there efficiently, but at your own rate. This benefits the more able learner as well as those with a range of learning needs such as dyslexia and dyspraxia. Do get in touch for more information or a booking form.

Christmas drink and drug driving campaign

A Christmas campaign to target drink and drug driving will be run by Northamptonshire Police throughout December.

Officers will be out and about across the county taking breath test readings from drivers during a focused, countywide period of activity dealing with these offences.

These enforcement activities will be carried out by officers from the joint Safer Roads Team (Northamptonshire Police and Northamptonshire Fire & Rescue Service), as part of their work to cut the number of collisions on the county's roads. They will run alongside ongoing education work conducted by the team, which will take place within communities.

Kamila Kembrowska, Safer Roads Team Community Engagement Officer, said: "We hope everyone will have a happy and safe Christmas.

We would always say that if you're driving, it's better to have none for the road.

"It is vital to remember that you could be over the legal alcohol limit many hours after your last drink, so drinkers also need to be careful when considering taking to the wheel the morning after a heavy evening of alcohol consumption."

Drink and drug driving, points to remember:

- Alcohol affects everyone's driving for the worse. It creates a feeling of overconfidence, makes judging distance and speed more difficult and slows your reactions, so it takes longer to stop.
- If you are planning to drink alcohol, it is sensible to also plan how to get home

without driving. Agree on a designated driver, save a taxi number to your phone or make sure you are familiar with public transport routes and times before venturing out.

- Avoid offering an alcoholic drink to someone you know is planning to drive.
- Don't accept a lift from a driver you know has consumed alcohol.
- It is illegal to drive if either you are unfit to do so because you're on legal or illegal drugs or you have certain levels of illegal drugs in your blood.
- Police officers can stop you and carry out a roadside drug test to screen for cannabis and cocaine.
- If you're convicted of drug driving you could get: a minimum one-year driving ban, an unlimited fine, up to six months in prison, a criminal record. Causing death by dangerous driving under the influence of drugs can lead to a prison sentence of up to 14 years.
- A drink driving conviction can lead to a 12 month driving ban, a criminal record, a fine, up to six months in prison and an endorsement on your licence for 11 years.

Community Action at Christmas

Staff at Nene Valley Community Action have paid for and put together hamper packs for Christmas for some of the elderly, isolated people in the community that their trained Befriender volunteers visit regularly. Most are in their eighties and nineties and have no family to support them, making Christmas a very lonely time of year.

Every year the staff have a collection amongst themselves and in the past have bought toys for local projects but this year decided to help their own clients.

Chief Executive, Rosemary Hadaway

said: "I am really proud that as staff we are giving something to our most elderly clients and am so grateful to the Befrienders who visit them on a weekly basis. We have no funding for this project and are paying for it from our reserves. Knowing that some of them will receive nothing and see no family made it a simple decision. We have bought Christmas items such as Christmas pudding, cake and shortbread as well as soups, porridge and cereals. We have also put together small pamper packs including soaps, toothpaste and tissues. I really hope they enjoy them."

From the East Northants Council Chairman

On 21st November I represented East Northamptonshire Council (ENC) at a meeting of the SPARSE Group in London. I have represented ENC at this group since 1999.

The SPARSE Group looks after the interests of smaller, largely rural councils like ours in the negotiations with central Government about the Revenue Support Grant – at present the Government's main grant to councils and their main income in addition to Council Tax.

The system is changing. The Government is, gradually, beginning to taper Revenue Support Grant amounts down with a view to letting councils keep more of the Business Rates collected, which central Government then shares out.

Our SPARSE Group experts let us know how their, very detailed, negotiations with central Government were progressing and we made our points on behalf of our councils and residents very frankly! This will strengthen the hands of our negotiators

and I am confident that a fair outcome for us will be reached. Councils, elected by and responsible to our residents, deliver services which central Government inevitably do not have the systems to deliver. Governments do appreciate this!

On 7th December I will be visiting the Royal Mail Delivery Office in Thrapston, at Royal Mail's invitation, to meet staff who have a vital role in the delivery of the letters and parcels we receive and send – particularly in the run-up to Christmas.

This year Royal Mail is commemorating the 500th anniversary of King Henry VIII knighting Brian Tuke, the first Master of the Posts. This began the creation of what we now call Royal Mail.

I look forward to meeting all Royal Mail staff in Thrapston – and plan to arrive by 7.30am to meet the postmen and women before they start their delivery rounds.

Recycling incentive scheme is making a difference

A scheme offering prizes to people who use their food waste bin is reaping rewards after recycling rates increased across the four Northamptonshire council areas taking part.

More than 4,730 households have registered for the Northamptonshire Waste Partnership's (NWP) 'I'm In To Win' scheme since it was launched in the Corby Borough, Daventry District, East Northamptonshire and South Northamptonshire Council areas in November 2015.

And it seems to have had an effect: between April and September this year a total of 3,686 tonnes of food waste was recycled across the four areas – an increase of 17% on the 3,153 tonnes recycled during the same six-month period the previous year.

It means the four areas are set to recycle an additional 1,000 tonnes of plate scrapings, leftovers, fruit and veg peelings, used teabags and other food waste items between them in the first full year of the scheme.

Cllr Chris Millar, Chairman of the Northamptonshire Waste Partnership, said: "I would like to thank everyone who has signed up to our campaign so far.

"All of the food waste collected is recycled at an anaerobic digester, producing electricity as well as compost, so your combined efforts are making a real difference, not only in preventing waste from needlessly being thrown away, but in saving valuable resources."

Fully funded by a Government grant and set to run for a further two years, the scheme invites residents to register online at www.feedyourcaddy.co.uk

Once registered, people are sent a

registration pack – including an 'I'm In' sticker for their food waste caddy and a leaflet reminding them of all the food waste that can be put in it.

People that put their stickered bins out for collection on a regular basis are then entered into a draw, with winners chosen at random each month and invited to choose from a range of prizes, ranging from free leisure centre passes, experiences and days out to vouchers for local shops and restaurants.

The NWP is a partnership of Northamptonshire councils and was set up to improve joint working arrangements on waste management matters. Another key objective is to improve the effective delivery of waste services across the county and reduce waste going to landfill. recyclefornorthamptonshire.co.uk

Neighbourhood Planning update

Neighbourhood Planning across East Northamptonshire continues to progress. This autumn:

- The examiner for the **Chelveston cum Caldecott** Neighbourhood Plan 2016-2031 has now completed his report. It is anticipated that the Neighbourhood Plan referendum will be held on **7th February 2017**.
- Consultation for the submission of the **Stanwick** Neighbourhood Development Plan 2016-2031 finished on **7th November 2016** and the Plan will shortly be going forward to independent examination.
- Raunds Neighbourhood Plan was submitted on **11th November 2016**.

Raunds

Following closely behind submission of the Stanwick Neighbourhood Development Plan in August, the submission version of the Raunds Neighbourhood Plan has now been received by East Northamptonshire Council (ENC).

The draft Neighbourhood Development Plan, submitted on 11th November 2016, includes a vision and objectives for the town, together with a draft policies map and a range of plan policies regarding development management, the town centre protection of existing open spaces and employment areas, and identification of priority local transport and infrastructure needs. The Plan has a

distinct vision: to enable Raunds to develop as a vibrant, successful, pleasant rural market town; where people feel safe to live.

For the next stage in the process, ENC is carrying out a procedural consultation (known as the 'Regulation 16' consultation) regarding whether the Neighbourhood Plan fulfils five 'basic conditions'; 'tests' that the Plan needs to pass. The Regulation 16 consultation will take place between 2nd December 2016 and 30th January 2017, inclusive.

An independent examiner will then be appointed to assess whether the plan meets the 'basic conditions' although the examiner may need to make changes to the Neighbourhood Development Plan so that it complies with these. Assuming the Plan passes examination (ENC is confident that it will), the Council will hold a referendum around summer 2017, to determine whether the Raunds Neighbourhood Plan should be adopted as the detailed (non-strategic) part of the statutory development plan for the parish.

For further information regarding the Raunds Neighbourhood Plan please see the notice on page 15 or contact:

Sea Cadet Remembrance

River Nene day trips

For many years, St John Ambulance in Northamptonshire owned two passenger boats providing free day trips on the River Nene and the Grand Union Canal to disadvantaged and disabled adults and children...

Unfortunately, when St John nationally split into regions they decided they were no longer in a position to continue with this service to the community in Northamptonshire and disposed of both boats.

Fortunately our Lord Lieutenant, David Laing could see the value of continuing this service and purchased the boats from St John to fund and continue to offer these free trips.

In 2016 the larger of the

two boats was sold on, but the crew acquired the smaller boat on the Grand Union Canal and have set up their own charity to carry on with the trips albeit with slightly reduced capacity.

Under St John ownership we carried many passengers from nursing homes, day centres, clubs etc from East Northants but since the service was reduced prior to the sale we have seen very few organisations take up the option in this catchment area and can only assume people think we no longer exist. I would like to take

this opportunity to inform all readers that Crusader Community Boating is alive and kicking and still offering free trips on its boat Mountbatten Crusader to qualifying organisations. We would love to see care homes and day centres from East Northants back on the boat and welcome all old and new passengers to

our fully upgraded service.

The boat is built for disabled access and has full heating, an open front deck, wheelchair accessible WC and a fully equipped galley. We offer two trips, both lasting up to five hours with one stopping over at a waterside pub for lunch and one stopping in the countryside for a picnic. The

boat will seat 22 passengers under cover and comes with a fully qualified crew who are all volunteers. As we are now a charity in our own right, we have to raise our own funding to continue to provide the free service, so we now also offer private trips to everyone at a reasonable cost to assist with our running costs.

We operate from the beginning of May until mid October 7 days a week. Enquiries and bookings for the trips can be made via our website www.crusadercommunityboating.org.uk

Town Band's 'Fantasy' becomes a reality!

The name of Rushden Town Band is fast becoming a name to be reckoned with in the Brass Band World. After competing in the Oxford and District Brass Band Association's Entertainment contest in October and returning to Rushden with four trophies, the band has continued its success with a win in the Second Section of the Leicestershire Brass Band Associations Open Contest in Loughborough.

Playing 'Fantasy for Brass Band' by Malcolm Arnold, the band beat off 10 other bands to come back to Rushden with yet another trophy for the cabinet at the Band's home – the Working Men's Club in Griffith Street. 'Fantasy for Brass Band' is the set piece for the First Section of the Butlin's Mineworkers' Championship in

January 2017, but the band chose to give their rendition its first contest airing at Loughborough on Sunday 20th November.

The band was praised for its excellent rendition of a First/Championship Section piece by the adjudicator. Rushden Town Band will be promoted to the First Section of the Banding World in January 2017, when they hope to continue their success at Butlin's.

If people wish to hear the band, they are putting on a Family Christmas Concert at Park Road Baptist Church on Saturday 10th December. They will be joined by the Key Stage 2 Choir from Hawthorn Community Primary School. Tickets cost £5 and can be obtained from Osborne's in Rushden or on the door.

Teens take on the challenge to run the council

Written by 14-year-old Beccy from The Ferrers School, as part of the Children's Commissioner's Takeover Challenge.

The Takeover Challenge is a largely successful project where children get to experience the work of adult Government staff and are able to make decisions to help the local community.

This month East Northamptonshire Council (ENC) welcomed three students, Ethan (Year 11, Huxlow School), Beccy (Year 10, The Ferrers School) and Sian (Year 10, Prince William School) who took over Community Partnerships, Communications and Waste Services.

Julia Smith, Head of Customer and Community Services, explained why ENC agreed to the Takeover Challenge: "We

saw it advertised and thought it was a good idea. We want young people to be more involved in what we do and hear about what they think. I think it is really important that young people have a voice in how our services are delivered."

One of the Takeover students, Ethan, said: "I wanted to come today because I thought it would be interesting to see how the Council works and helps people. It has given me a deeper understanding and I would like to be a politician one day."

Your Health Matters

Claire Short is a Registered Osteopath, and runs The Ashgrove Clinic in Higham Ferrers. Send your questions to claire@ashgrovehealth.co.uk or Tweet to @AshgroveClinic

1. Can RICE reduce your pain?

Remember being told to RICE an injury when you were little? No, I don't mean did you stuff your sprained ankle into a bucket of dry rice! That would be ridiculous (though apparently it's a

fine solution for your mobile phone if you've just run it through a hot wash.)

RICE stands for:

R - Rest

I - Ice

C - Compression

E - Elevation

And it works! In fact many

of the athletes in Rio are bound to have used during the Games in the summer.

So next time you sprain an ankle, knee or wrist follow the following protocol:

First cancel any sports or activities you've got planned for the next day (Rest).

Get a bag of frozen peas or an ice pack, wrap a damp tea towel around them so you don't freeze-burn your skin, and put them on the area (Ice).

Next, if the area is very swollen, get a tubigrip or elastic bandage and put it around the area (Compression.)

And lastly lift the sprained area higher than your heart (Elevation). With a knee this will probably involve lying

down as it's pretty hard to elevate a knee above the heart unless you're an Olympic gymnast.

The question I always get asked about this procedure is how long to leave the ice on. Well, the truth is that nobody really knows. The research shows that ice is effective, but there's a bit of disagreement about how long to leave it on the injury. The most commonly accepted view is that 10 minutes is enough,

and that you can put the ice back on every hour or so.

And how about the ice gels that you can buy? At the clinic we recommend them, especially if taking frozen peas or an ice pack to work or school is inconvenient.

So, for strains and sprains remember to use RICE.

Top Tip: Frozen broccoli isn't as good as peas – the lumps of broccoli are too big.

Have a happy, healthy, icy week! Claire

Announcement of CEO resignation

Voluntary Impact Northamptonshire Chief Executive Officer, Jane Carr, will be leaving the organisation on 31st December 2016 after eight years at the organisation.

Chair for the Board of Trustees at Voluntary Impact Northamptonshire, Chris Pallot, announced Jane's departure at this year's AGM on Wednesday 16th November. Chris wished Jane the very best for the future and thanked her for her enormous contribution in transforming the organisation.

The Board of Trustees are working closely with Voluntary Impact Northamptonshire's executive team to manage the transition and the search to appoint a new Chief Executive Officer will commence shortly.

In serving as Voluntary Impact Northamptonshire's Chief Executive Officer, Jane Carr oversaw the development of Commsortia, the countywide VCS

consortium, to a strong leader in local bid development and delivery; developed the EU funding bid that has seen nearly £2m of investment that will come through the sector for delivery of back to employment outcomes; and the co-authoring of the prevention and engagement section of the new sustainability and transformation plan for health to intrinsically include the voluntary sector in the health pathway.

Jane Carr said: "It has been an enormous privilege to lead this wonderful organisation and to build VIN into a substantial countywide organisation that's worked on behalf of the sector. I have loved my time with Voluntary Impact Northamptonshire and I am grateful for the opportunities I have had, to work with an extraordinary team of people who make a difference to the lives of people across our county. I leave behind a strong and capable team which I look forward to seeing continuing to flourish."

Keeping kids in tune

On Wednesday 23rd November, close to 120 children gathered together to play in the first of this year's Oundle Cluster Primary Schools Orchestra rehearsal days. The orchestra, which is now in its second year, has been established to give pupils from the area's small rural primary schools the opportunity to play in a large ensemble. Children from Polebrook, Nassington, Kings Cliffe, Thrapston, Warmington, Aldwincle, Titchmarsh, Glapthorn and Oundle Primary Schools attended. The orchestra will be meeting three times

this year and will hold a concert in the summer term.

NORTHAMPTONSHIRE COUNTY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984 -
SECTION 14

THE NORTHAMPTONSHIRE COUNTY COUNCIL
(CHURCH STREET, WOODFORD)

(TEMPORARY PROHIBITION OF THROUGH
TRAFFIC) ORDER 2016

NOTICE IS HEREBY GIVEN that Northamptonshire County Council intend, not less than seven days from the date of this Notice, to make an Order the effect of which will be to prohibit traffic from proceeding along that length of Church Street, Woodford as set out below.

LENGTH OF ROAD TO WHICH RESTRICTION APPLIES: That length of Church Street, Woodford from Bakers Lane to Club Lane.

REASONS FOR RESTRICTION: The restriction is required for safety during installation of new gas connection.

PERIOD OF CLOSURE: The proposed Order will come into effect on 10th January 2017 and will continue in force for a period of eighteen months. An application may be made for the approval of the Secretary of State for Transport for the Order to be extended if this proves necessary. However, the restriction specified will have effect only at such times and to such an extent as is indicated by the display of signs prescribed by the Traffic Signs Regulations and General Directions 2016.

EXPECTED DURATION: It is expected that the road will be restricted for up to four days.

ALTERNATIVE ROUTES: use Bakers Lane, Whittlesea Terrace and Club Lane.

PUBLIC NOTICE

TOWN AND COUNTRY PLANNING ACT 1990
(AMENDED BY THE LOCALISM ACT 2011)
NEIGHBOURHOOD DEVELOPMENT PLANNING (GENERAL) REGULATIONS 2012 (as amended)

SUBMISSION OF THE NEIGHBOURHOOD DEVELOPMENT PLAN FOR THE PARISH OF RAUNDS (THE
“RAUNDS NEIGHBOURHOOD PLAN 2011-2031”): CONSULTATION UNDER REGULATION 16 OF THE
NEIGHBOURHOOD PLANNING (GENERAL) REGULATIONS 2012

Notice is given that on 11 November 2016 Raunds Parish Council submitted a draft neighbourhood development plan (the “Raunds Neighbourhood Plan 2011-2031”) to East Northamptonshire Council, under Regulation 15 of the Neighbourhood Planning (General) Regulations 2012 (as amended).

The ‘plan proposal’
In accordance with Regulation 16, East Northamptonshire Council is now consulting upon the draft Raunds Neighbourhood Plan. Comments are invited, regarding whether the ‘plan proposal’, as submitted under Regulation 15 (the draft Neighbourhood Plan and supporting documentation) fulfils the “*basic conditions*”, as required by paragraph 8 (1) (a) (2) of Schedule 4B to the Town and Country Planning Act 1990 (inserted by the Localism Act 2011). The plan proposal, as submitted, comprises the following documents:

- a) A map identifying the area to which the proposed neighbourhood development plan relates;
- b) A consultation statement;
- c) The proposed neighbourhood development plan;
- d) A statement (the “Basic Conditions Statement”) explaining how the proposed neighbourhood development plan meets the requirements of paragraph 8 of Schedule 4B to the Town and Country Planning Act 1990.

The “basic conditions”
Representations received under Regulation 16 regarding the plan proposal will be forwarded to an appointed examiner, who will assess the Raunds Neighbourhood Plan and supporting documents against five “basic conditions”. These require that the plan:

1. Has regard to national policy and guidance from the Secretary of State;
2. Contributes to sustainable development;
3. Is in general conformity with the strategic policy of the development plan for the area or any part of that area;
4. Doesn’t breach or is otherwise compatible with EU obligations – this includes the SEA Directive of 2001/42/EC; and that
5. The making of the Neighbourhood Development Plan is not likely to have a significant effect on a European site (as defined in the Conservation of Habitats and Species regulations 2010(d), either alone or in combination with other plans or projects.

Submitting representations under Regulation 16
Comments are sought as to whether or not the plan proposal (Raunds Neighbourhood Development Plan and supporting documentation) fulfils the “basic conditions.” Further information can be found on the Council’s website under the consultation pages: www.east-northamptonshire.gov.uk/ consultation

Copies of the plan proposal will be available to view at the following locations, between **Friday, 2 December** and **Monday, 30 January 2017** inclusive:

- Customer Service Centre, Cedar Drive, Thrapston, NN14 4LZ (8:45am-5pm, Monday to Friday)
- Customer Service Centre, Newton Road, Rushden, NN10 0PT (9am-4:30pm, Monday to Friday)
- Customer Service Centre, Oundle Library, Glapthorn Road, Oundle, PE8 4JA (10am-1pm, Monday to Friday)
- Libraries at Higham Ferrers, Irthlingborough and Raunds (opening times and other details are available from Northamptonshire County Council)

Comments should be made, in writing, to: Planning Policy and Conservation, East Northamptonshire Council, Cedar Drive, Thrapston, Kettering: NN14 4LZ; or by email to planningpolicy@east-northamptonshire.gov.uk no later than **4pm on Monday, 30 January 2017**.

Chess Corner

Alan takes on RCC Junior players

Alan Lewis farewell Simul

It is with some sadness that I have to report the end of an era. The reason is that a long standing member of the Club is leaving the area and will no longer be available to play for us. I refer to Alan Lewis, who joined the Club just after it was formed in 1977; Alan competed in the Silver King League that year and has represented the Club every year since, and this is his 40th season in the League. Alan told me that he still has a record of his results from 1977 when he played nine games and managed to draw five of them. His early success set the pattern for the future, and Alan is reputed to be something of a Drawmeister.

In accordance with Club tradition Alan played a farewell simul against Junior and Senior players from Rushden Chess Club (RCC). Simul is short for a simultaneous display in which a challenger plays a number of games simultaneously against different opponents. He managed to play 26 games in total with 15 wins and just five draws. In recognition of his long service, Alan was presented with a silver salver on behalf of the Club by Honorary President, Peter Hann.

Northants SKL Division I Match

Rushden A entertained the steelmen from Corby in their first encounter of the season. Rushden were looking for their first win having thus far drawn two and lost two. As it turned out they were more than satisfied with their performance and achieved a clean sweep with victories on all boards. This was a fitting final match for Alan Lewis who for once was happy not to settle for a draw!

New Demonstrations & Workshops Area

Colemans Craft Warehouse has just re-opened, completely re-furbished with a new mezzanine floor for Workshops & Demonstrations, a brand new Café area & wonderful new displays to show off all your favourite craft & haberdashery supplies! Also, we now **OPEN 6 DAYS A WEEK!**

Although the layout has changed we are pleased to report that we still have the same team of dedicated & knowledgeable crafters to give you inspiration & advice.

Our Next Big Craft Day Is On Saturday 3rd December - FREE EVENT!

On the **first Saturday of each month** we hold one of our famous **Big Craft Days**. We have simultaneous craft demonstrations by professional demonstrators which are continuous between 10.00am and 4.00pm. There are lots of **special offers** and **free refreshments**. We open for shopping at 8.30am. Demonstrations start at 10.00am. Our next Big Craft Day will feature the following demonstrations:-

Creative Expressions – **John Lockwood** will show us his own range of rubber stamps, **Sue Wilson's** latest dies and **Cosmic Shimmer** products.

Clarity Stamps – **Paul Church** is in the 'Groovi' mode once again! Bringing us the most recently released plates, he will demonstrate the many variations when creating beautiful parchment cards.

Crafter's Companion - **Zoe Hope** - showing the versatility of Spectrum Noir Illustrator & Colorista colouring ranges.

Helen Jennings will be making some quick and easy Christmas cards.

Special Craft Warehouse Christmas Evening

Tuesday 13th December 6.00 to 8.30pm

Get in the Christmas spirit with a glass of mulled wine & a mince pie - all are welcome to this **FREE** event.

Enjoy **20% Off** all non-offer products plus **plenty of great gift ideas!**
