## Northamptonshire joins initiative to help tackle doorstep crime and scams

A new scheme to help raise awareness of unwanted distraction, burglary, rogue trading and scams is being introduced by police and trading standards in Northamptonshire to support the ongoing work in the county.

Operation REPEAT was originally developed in Lincolnshire and has

proved a successful way to increase understanding of this type of crime and encourage those who work

with elderly and vulnerable people to share important security and crime prevention advice.

The training is being jointly funded by Northamptonshire Police and Northamptonshire County Council Trading Standards, and a number of training courses are being planned over the coming months.

The principle aim of the initiative is to train professionals and carers of elderly and vulnerable people in what to look for and the advice they should be giving if they think someone is at risk of becoming a victim of doorstep crime and rogue trading.

The topics covered also

include the different type of scams that fraudsters use to try and con people into handing over cash or divulging bank account details.

By training those who have day-to-day contact with elderly or vulnerable people, the police and trading standards hope to generate greater awareness of how to reduce the risk of becoming a victim of this type of crime.

To find out more about the work of Operation REPEAT visit [www.oprepeat.co.uk](http://www.oprepeat.co.uk). For more information about doorstep crime and the Northamptonshire Doorstep Crime Action Network (DAN), see the crime prevention pages at [www.northants.police.uk](http://www.northants.police.uk).

### In Brief

#### Charity cheque presentation

The Happy Feet Line Dancing Group recently presented a cheque for £3,900 in support of the Wellingborough and District Branch of Parkinson's UK. The presentation was made at a line dance at the Higham Ferrers Working Men's Club. The local Parkinson's branch meets on the second Wednesday evening of each month in the Irchester village hall.

#### Nene Valley team swims to victory

Nene Valley Swimming Club became Leicester Winter League Division 2 Champions on 25th March, in their first year of entering the competition. The club sent a team of 26 swimmers to compete at Hinckley. It was a very close competition all the way through the evening, with Nene Valley securing 1st place at the end of the night by a clear 18 points. The team consisted of swimmers from the ages of 9 years and upwards. ## Letters to the editor

If you would like to submit a letter to the editor please send it to [news@nenevalleynews.co.uk](mailto:news@nenevalleynews.co.uk) for consideration. The maximum word count is 200 words.

The Editor,  
I have read your editor's notes this week 25th March regarding the potholes on the A605 at Warmington. I actually reported these some 16 days ago through one of many online reporting services for potholes. I also spoke to the Highways Agency direct regarding another large pothole on the A47 and they welcome these reports from road users and actually said that they wished more people would report them so that they can get out and fix them. Can I suggest that you include a message in the Nene Valley News to point

your readers to these online reporting facilities rather than just moaning about them and reporting that they have been fixed.

Regards, Nigel Mercy

Dear Editor,  
Once again spring is here. Soon the Nene Valley will display the May blossom and we will marvel at nature's beauty. The market town of Thrapston is looking neat. But there are many empty shops in the town which made me think, what do we need to complement the established shops? A deli, wine merchant, greengrocer, bookshop, an antiques shop and a shoe shop – after all this is Northamptonshire where the best shoes in the world are made. Do other readers agree? Perhaps they have lists of their own.

Sincerely, Glynn D. Parry

## Genealogy jottings

We've been a bit morbid in the last couple of articles, talking about gravestones! However, it was not all doom and gloom back in the day. Although there were some rather archaic terms for illnesses and causes of death, there were also many potions and treatments to help remedy ailments. All before the discovery of penicillin.

My great grandfather, John Smith, was working in the fields, scything hay when he managed to scythe through his boot and cut his toe. No limping off to A&E for him – such a thing had not been invented. He tore a piece of cloth from his shirt (I bet that did not please my great grandmother!), bound up his foot and carried on working. He was known as 'Toe-Rag Smith' from that day on. He was lucky – no infection ensued. However, I wonder if the remedy of lily leaves steeped in brandy was used to make a poultice. In the north of England, sphagnum moss was used for dressing wounds. Not much around in Essex where John was, though.

Have you ever used a hot water bottle to aid an aching shoulder or knee perhaps? Before

rubber was used, stone bottles were filled with hot water – or warming pans of hot coals could be used to heat up cold beds. However, they would be no good for wrapping round an aching joint. That's where wheat bags would be used. Not a recent invention, cloth bags of wheat – or even cherry stones – would be gently heating in the range or close to the fire, ready to pop around the tenderness.

Herbs played their part in healing and many country folk had a herb garden that they could call upon at a moment's notice. Some of those grown include: scullcap (*Scutellaria baicalensis*), the flowers reputedly being a cure for insomnia; celandine (*Chelidonium*) to treat ailments of the liver, including jaundice; maidenhair fern being used to make a lotion for baldness. I am not sure of the efficacy of this last one!

## Editor's notes

Thanks go to our two letter writers in this edition for their attempts to stimulate discussion on a couple of topics. The question about what additional shops residents would like to see in their local towns is of course valid but success in this area is surely dependent on two primary factors: will locals use the shops and does the business plan provide sufficient evidence for the would-be entrepreneur to launch a business which is probably going to cost them a substantial sum? On the subject of highways and potholes, our earlier comments were intended as observations rather than moans but obviously that comes down to the perception of the reader, so we are only too happy to point you in the direction of the Street Doctor pages of the NCC website: [www.northamptonshire.gov.uk/en/councilservices/Transport/roads/streetdoctor](http://www.northamptonshire.gov.uk/en/councilservices/Transport/roads/streetdoctor).

The Raunds Civic Service and in particular the awards for local volunteers recognised for outstanding service to the community seems like a great idea. We understand that the awards element has been running for only a couple of years with residents nominating individuals who are then further assessed by Councillors. While there may be a small additional administrative burden related to this activity we wonder whether other local councils might be encouraged to follow the lead set by Raunds.

Finally, without wishing to cause undue alarm, a word or two of warning for lone drivers. It seems that a group of individuals are deliberately stopping sharply in front of other vehicles, particularly at roundabouts, in order

to cause accidents. The police issued a warning about 'cash for crash' incidents a couple of months ago; however, these are considered insurance fraud, and are therefore primarily managed by the insurance companies. Obviously, there is no substitute for careful driving but if you are involved in this sort of incident the advice is to capture as much photographic evidence as possible, providing it is safe to do so. If you believe you are a victim of a 'cash for crash' you should report the incident to the police and notify your insurer at the earliest opportunity, checking that the latter will not automatically pay out a claim without an investigation. More information can be found at <https://www.insurancefraudbureau.org>.

# Advice Column

The Citizens Advice service is a network of charities, local and national, that between them provide advice to millions of people each year. Here, experts from Central and East Northamptonshire Citizens Advice provide answers to typical questions.

Readers willing to have their enquiry anonymously published (editor's decision final) can email Nene Valley News direct [news@nenevalleynews.co.uk](mailto:news@nenevalleynews.co.uk). Please mark such enquiries 'Citizens Advice Column' in the subject.

**I recently signed a two year phone contract with a new network provider**

**but the reception in my home is terrible. Is there any way I can get out of the contract, or have I just got to stick with it?**

This is quite a common problem encountered by our colleagues at the Citizens Advice Consumer Service, and not just for people living in rural areas as you might expect. While poor signal

doesn't give you a right to cancel your contract, you should be able to make a case to your phone company to end it.

If you bought your mobile online or over the phone within the last 14 days, you can cancel the contract without needing a reason by contacting your provider.

But if you bought it in store or have had the phone for longer, you'll need to ask to leave the contract.

Contact the company and explain the problem. They may give you a device which can boost your signal.

If this doesn't work, you can ask to terminate the contract. However, they will usually ask you to pay an exit fee, which can be

By Martin Lord

as much as the remaining cost of the contract.

Paying the exit fee could allow you to terminate the contract immediately, but if you don't want to pay then make a complaint using their complaints procedure.

This can take time, but if you haven't got a resolution after eight weeks, ask an Alternative Dispute Resolution Service to intervene. An adjudicator will make a decision on releasing you from the contract.

## Raunds Civic Service

Raunds Mayor, Cllr Helen Howell, held her Civic Service on Sunday 19th March at St Peter's Church. Mayors and Chairs from all over the county joined Cllr Howell for her service dedicated to the Raunds community and the great work done by its many volunteers and dedicated workers.

This year the Raunds Mayor presented Citizens Awards to local people who were nominated for the good work they do. Awards went to Michael and Ben Nardone in thanks for their time, dedication and performance at the Mayor's fundraising events; Suzanne Porter in recognition of Library Support and Services to the Community; Geoff Dyne in recognition of his organisation of the Warth Park Opposition Group & Community Spirit; Peggy Day in recognition of Services to the Youth of Raunds; Karen Seamarks in recognition of Caring

provided to her daughter Alexis; Richard Haseldine in recognition of his service and dedication to St John Ambulance and the community; Tracey Barker in thanks for her excellent performances in support of the Raunds Mayor and Shelly Bates in recognition of her contribution in supporting the Mayor in fundraising events. After the service a delicious buffet supplied by Jester's was served in the St Peter's Enterprise Centre.

## Swimming club makes club history

Rushden Swimming Club has made club history in breaking the county record for the Open Female Freestyle Relay.

The final day of the Northants Amateur Swimming Associations' (NASA) County Swimming Competition, on Sunday 26th February, saw Rushden Swimming Club top off a successful season at this year's Long Course Counties by storming through the Open Female 4x50m Long Course Freestyle relay beating the record holders Northampton, to win Gold and achieving a county record with an incredible time of 1:50:23.

The previous county record set by Northampton Swimming Club in March 2014, also at Corby's International pool, was 1:51:74.

The team of Molly Britchford (17), Amber Bales (15), Freya Cole (15) and Ciara Usher (14), swam some massive PBs beating Northampton, Wellingborough, Daventry Dolphins and Kettering Swimming Club to the top spot; Molly (28.62), Amber

(27.54), Freya (27.27), Ciara (26.80).

Fifty-six swimmers represented Rushden in this year's NASA County Championships at Corby's International pool, held over three weekends throughout January and February. The team brought in a medal haul of 16 Gold, 33 Silver and 38 Bronze medals, plus three new Regional qualifiers within their Junior Squad.

Rushden Swimming Club is proud of all of its swimmers, who show true commitment, tremendous team spirit and support for each other. Their main club night is Monday evenings 7pm-9.45pm at their home pool Splash, Station Road, Rushden NN10 9SJ. For more information please visit the website [www.rushdenswimmingclub.co.uk](http://www.rushdenswimmingclub.co.uk).

## Councillor Stan Heggs receives commendation from Prime Minister

The Annual General Meeting

of Corby & East Northants Conservative Association was held on Friday 24th March at Raunds Conservative Club. During

the proceedings, the Chairman, Councillor Helen Harrison, acknowledged the splendid career of Councillor Stan Heggs.

Cllr Heggs will be standing down at the County Elections on 4th May, but although retiring from front line council work after 16 years on Corby Borough Council and 12 years on Northamptonshire County Council, he continues with his voluntary work for the organisation.

The Chairman had received a letter from the Prime Minister, which she asked to be passed

on to Stan, in which she acknowledged his outstanding contribution to the community. Theresa May particularly mentioned remembering meeting Stan during a visit a few years ago.

In recognition of his work, the members at the AGM agreed with the recommendation of the Management Committee that he should be made an honorary Vice-President of the Association in order that he could continue to be involved in the Executive Committee discussions in the future.

## St Peter's School

Every parent wants to give their child the perfect start in life, in the form of the best possible education. St Peter's School in Kettering aims to make that dream a reality. Our intention is to build children up, to retain their sense of joy and wonder, and to instil social and academic confidence.

Founded in 1946, St Peter's School has established a reputation as a warm, friendly and lively school with a strong family atmosphere. Every child receives close individual care and attention on a safe and secure campus that offers plenty of scope for exciting and adventurous play, and sporting activity.

The curriculum at St Peter's School offers more than just the National Curriculum, with the development of reading and writing skills given high

priority with a strong emphasis on mathematics, English, science and French.

Small classes ensure that teachers know every child's ability and learning style and the classroom atmosphere is bubbling and happy.

The result is that St Peter's School has an excellent academic record, with children leaving well prepared to go on to the schools of their parents' choice.

Whether that choice falls in the state or independent sector, boys and girls are well equipped with academic and social skills and ready to meet the new challenges of secondary education.

St Peter's School warmly welcomes parents to make an appointment to visit and meet the Headmistress who will show you around the school.

# The Elizabeth Groome Music Charity grants bursaries to Ferrers School

The Elizabeth Groome Music Charity was founded in 2011 in honour of Elizabeth Groome a talented musician and music teacher whose teaching career centred around the John Lea School in Wellingborough.

The John Lea Swing Band formed by Elizabeth with the assistance of the Northampton School of Music in many ways laid the foundations for the County Youth Big Band. Sadly, after a long illness Elizabeth died in 2015 but the charity in

her name, devised to assist talented young musicians in their ability and career continues.

The Ferrers School has a strong Music Department and for the first time this year has given all Year 7 students the opportunity to learn to play a musical instrument for free during their first term at the school. From the second term (beginning in January) those that wish to carry on learning an instrument will need their parents to pay for the lessons. The charity

has agreed to provide up to six bursaries per year to help students whose parents' income falls below a set level and for whom the school is unable to get extra funding.

To be granted a bursary, the parents must apply through the school to the charity and the trustees will make the final decision based upon a set of criteria and information from the school about the individual student's musical progress and dedication. For this

academic year six bursaries of £60 each have been granted to the school to assist six students in continuing their musical education.

In addition to this, the charity has presented the school with two shields;

one for the lower school and one for the upper school. These will be presented at the respective awards evenings to the students, one from each of the levels who have shown the most dedication to the Music Department. The

successful students will also be awarded with a smaller version of the shield to keep and the school will receive a bursary of £50 for each of the two students to assist with their musical education within the school.

## Higham and Rushden U3A Sing and Cycle for charity

The University of the Third Age (U3A) movement is a unique and exciting organisation which provides life changing opportunities. Retired and semi-retired people come together to enjoy learning new things (not qualifications) and this in turn enables new friendships to develop. The members organise various groups based on their own lifetime experiences and interests and are willing to share them with others at no, or very little, cost.

Two of these groups are 'Singing for Fun' and 'Cycling'.

The Singing for Fun Group (who literally sing for fun) have decided to put on an 'Old Time Musical Evening' at the Heritage Chapel and Halls, Park Road, Rushden, on Saturday 13th May, 7pm and the proceeds will go to Macmillan Cancer Support.

The tickets are £5 each and are obtainable from Chris Murdin on 07778836094 or Gerry Burnham on 01933 770756. The group is currently working hard on production and rehearsals to make the evening a very

pleasant and memorable one. Refreshments will be available in the interval.

The Cycling Group organises rides each week for all abilities and from that group there are some cyclists who are currently in training to take part in the London to Brighton charity ride on 18th June raising funds for the British Heart Foundation. At least once a week, come rain or shine, you may see a small band of cyclists working hard to reach their goal.

Whilst they have some sponsor pledges and fundraise at their various social events, they are still hoping for more sponsors as they are looking to raise a considerable sum. Should you wish to become a sponsor, please contact Lynn Gale at [lynndiane2004@yahoo.co.uk](mailto:lynndiane2004@yahoo.co.uk) to pledge an amount (anything from £1 upwards).

If you would like more information on this branch of the U3A go to the website [highamandrushdenu3a.org.uk](http://highamandrushdenu3a.org.uk) and follow the leads that interest you.

## Annual art exhibition

Oundle Art Group is holding its 'Annual Exhibition' in the superb surroundings of St Peter's Church, Oundle, Northamptonshire.

A wonderful display is expected of both contemporary and more traditional paintings, showcasing a rich variety of the members' work.

The show will be open from Saturday 6th May until Friday 12th May, between 10am and 4pm daily (and from 12.30pm on Sunday).

Admission is FREE and all visitors are most welcome.

OAG is a friendly coming together of people interested in art. They meet regularly on a Thursday at Tansor Village Hall between 1.45pm-3.45pm.

The group is made up of accomplished,

enthusiastic amateur and 'just for fun' artists, with their goal being just to enjoy creating and encouraging each other to experiment and develop their interest. They 'dabble' in all mediums of work including watercolour, oil, pastel and sketching.

All newcomers (and returning members) are most welcome. For further information, why not just visit the exhibition and have a chat with one of the stewards or simply drop into Tansor Village Hall during an art session. Chairperson: Jane Sanders, Tel. 01832 226495

## Rushden Nightshelter

The Sanctuary Night Shelter is a six-bed direct access night shelter offering a safe place to recover from homelessness. We average 20 people each quarter.

We work closely with each client to look at why they have become homeless and work with them to move on into appropriate accommodation, being either private rent, social housing, supported accommodation or returning home. We direct them to agencies that can help them with personal issues and we help them with some of their basic support needs.

### Statistics for last year (2016)

We provided 76 people with a bed:

Ladies 5  
Male 71

### Some of the Clients' Issues

Drugs or alcohol 77%  
Mental health issues 55%  
Debt 46%  
Others that presented with no significant issues 13%

Currently we are short of volunteers to cover the 'sleep in duty' nightshift from 10pm – 9am and the evening shift 6pm – 10pm, both shifts supporting our residents.

# From the East Northants Council Chairman

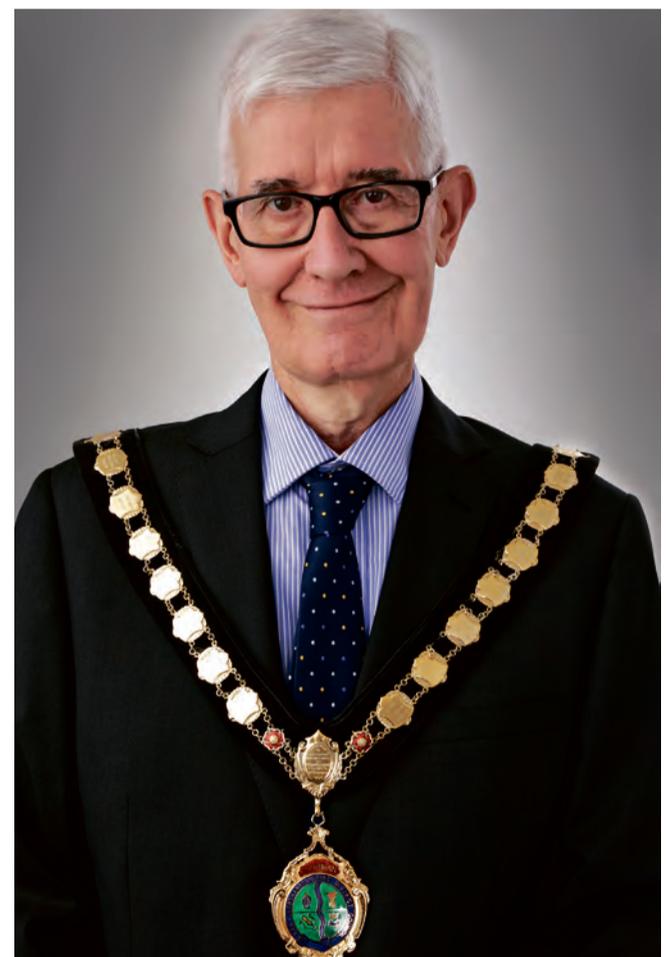

On 29th March, at the invitation of the Rockingham Forest Trust, I attended a photo shoot to celebrate and publicise the completion of the new children's play fort and pond dipping platforms in and near the central play area at Stanwick Lakes.

This adds to the amenities available to visitors at Stanwick Lakes – a welcome environmental and recreational asset in our East Northamptonshire community. Children, with their parents, will enjoy playing at grand strategy including the defence and the capture of fixed positions! We welcome tourists from home and overseas to East Northamptonshire. Visitors are a valuable means of encouraging international understanding, which is very relevant in present, challenging times.

My year as Chairman of East Northamptonshire Council ends on 17th May. On that day, at the council's Annual Meeting, I will formally pass the chain of office to my successor. Towards the end of the nineteenth century, local government reform laws required that mayors could only serve for one year at a time and this requirement was extended to chairmen of county, district and unitary

councils. This certainly guards against mayors and chairmen becoming complacent or worse still stale in their duty! Over the years, the mayor and chairman roles developed from active leadership of their authorities to a duty much more akin to that of the Speaker of the House of Commons, above the hurly burly of spirited, including political debate, impartial and acting as a referee when necessary. When I step down from the chairmanship, I return to serving on committees of our council where much of the detailed elected members' work is done – refreshed, I hope, by the experience of my chairman's year (the equivalent of an academic 'sabbatical year') and ready for the challenges local government continues to face.

Rupert Reichhold, Cllr & Chairman of East Northamptonshire Council

# Collyweston slate

In the far northwest corner of our district is a remarkable and thriving enterprise with a history stretching back to the time of Roman occupation in the UK.

On the edge of the village of Collyweston is the mine of Claude N Smith Ltd, from which the famous local slate has been extracted over many years and their business is growing with some prestige orders on the books.

The main reason for the increased call for slate is that whereas previously there was an adequate and ready supply of recycled material that source is drying up. This is coupled with a simple yet clever acceleration of the process by which the new slate is prepared. Formerly, after extraction from the ground, large chunks of slate were left to weather, allowing frost action to develop the fault lines which the local craftsmen could exploit to produce usable slates. Now the raw slate is passed through a wetting and freezing process, which enables a much quicker production of new slates.

Getting the slate out of the

ground is more complex than it used to be because the vein of usable material is further beneath the surface but modern techniques mean that the mine can continue to be worked safely and effectively. One unexpected complication is the presence of bats but the miners have been able to arrange a workable co-existence through Natural England, which ensures that the bats are safely catered for while mining continues.

The 20 or so staff employed at the mine carry out all the extraction, dressing and installation tasks. And so far as the last of these is concerned, the major task to be undertaken in the near future is the roof of Bodley's Court, King's College, in Cambridge which is expected to take up to 18 months to complete. It's good to see a local business doing so well and we wish the Smiths and their team every success for the future.

### TAURUS Holidays

Swiss Chocolate Train 13th May  
8 days £639 Per Person

Located in the Vaudoises Alps, Leysin is a sunny alpine resort village at the eastern end of Lake Geneva. Its spectacular views across the Rhone Valley towards the Dents du Midi attract tourists all year round. The beautiful mountains of Mount Blanc and the Berneuse provide a breathtaking panorama. The sun shines here more often than anywhere else which glistens off the snow. There is a cable car and the funicular railway will take you to the main town where all the souvenir shops and cafes are.

Welsh Wonders 29 May - 2 June,  
£365 Per Person

Llandrindod Wells evolved from a small farming village into a popular tourist resort and Spa town. As the name suggests, the history of the town is linked with the health-giving waters. Hundreds of Victorians flocked to take to the water and you can still try the waters at the Chalybeate Spring in the Rock Park. The architecture around the town dates back to the Victorian era making it feel like you've stepped back in time.

Bantry & the Wild Atlantic Way  
10 - 16 June, £559 Per Person

Bantry is in the heart of West Cork, it is a region of lush vegetation, palm trees and semi-tropical flowers. Hemmed in by high mountain ridges, an azure blue sea and cascading mountain streams, it is a place of unparalleled beauty where the landscape changes with every mood of wind and sky. In this breathtaking splendour of mountain scenery, hilly pastures, meandering streams, lakes and woods, where megalithic monuments and ruins of monastic settlements dot the countryside, visitors can find peace and tranquility.

# New leisure centre operators start work

Three local leisure centres in East Northamptonshire are now being operated by newly appointed Freedom Leisure, on behalf of East Northamptonshire Council.

The new contract to manage The Pemberton Centre, The Nene Centre and Splash Leisure Pool commenced on Saturday 1st April, when Councillors Steven North and Rupert Reichhold met with Freedom Leisure's mobilisation team, headed up by Operations Director Matt Hunt, at the Nene Centre.

Freedom Leisure is an experienced operator of leisure facilities, with 72 other centres across the UK. As a not-for-profit, independent provident society the company is able to reinvest financial surpluses over and above

operating costs to improve local community leisure services.

Freedom Leisure has also proposed significant refurbishments which include the installation of new children's fun pool features at The Nene Centre, the reinstatement of the flume at Splash Leisure Pool, the creation of a new gym and fitness area at Splash Leisure Pool, a phased programme of fitness equipment replacement at The Nene Centre and The Pemberton Centre, indoor children's climbing experience at The Nene Centre and a new reception and café, including Costa

Coffee, at The Nene Centre.

In addition, significant investment will be made into energy saving measures which will help to reduce the carbon footprint of the buildings, to greatly reducing running costs while making them kinder on the environment.

Also in the pipeline is a brand new 'Active Community' outreach programme. Freedom Leisure will be working with the Council to devise, develop and implement the brand new programme, which will mean that there really will be something to help everyone in the district to be active.

All three centres have new webpages on the Freedom Leisure website. To find out more about the facilities and keep up to date with the latest news, visit: [www.freedom-leisure.co.uk/nene/](http://www.freedom-leisure.co.uk/nene/) or [www.freedom-leisure.co.uk/pemberton/](http://www.freedom-leisure.co.uk/pemberton/) or [www.freedom-leisure.co.uk/splash/](http://www.freedom-leisure.co.uk/splash/)

## Helping local students kick-start their career

A group of Northamptonshire businesses recently came together to help local school students plan for a future career. Organised by Rushden based housing association, Spire Homes, the event was held at Rushden Academy on Thursday, 16th March to promote an innovative employability scheme.

Representatives from Spire contractors, Burleys and Keepmoat, talked about apprenticeships and showcased how they help young people find a career through the Kick-start programme.

Although youth unemployment rates in Northamptonshire are improving, last year more than 1,100 young people were recorded as not in education, employment or training. According to the Department for Education, that accounts for 4.6 per cent of 16-18 year olds living in the county.

Spire Homes, which is part of Longhurst Group, is aiming to help reduce that figure further through the Kick-start programme. Launched in 2015, the scheme provides practical experience to local young people and will be running again this summer.

It gives students an opportunity to learn a broad range of skills within the construction industry, including electrical works, gas engineering, painting, decorating, plastering and gardening. Students are also given extra help, with preparing for job interviews, putting together a CV and filling out application forms.

Sharon Boot, Resident and Community Involvement Officer at Spire Homes, said: "Kick-start has been a huge success in making a positive difference in our local communities. Since it launched in 2015, five students have gone on to earn an apprenticeship with one of our contractors.

"It's a great opportunity for us to work collaboratively with our contractors and ensure the vital skills needed in the construction industry are being developed in the next generation. It's always rewarding to see the students who take part develop their skills and grow in confidence."

Tom Long (18) from Rusden was one of the first young people to complete the Kick-start programme

in 2015. Tom, who lives in a Spire Homes property, was offered an apprenticeship with Keepmoat and hasn't looked back since.

"The Kick-start programme helped me get my apprenticeship which gave me the skills I need to advance my career," said Tom.

"It appealed because it gave me the chance to learn in a working environment. I would encourage others to attend the Kick-start programme and think about an apprenticeship because you learn different trades and skills through the support of highly skilled professionals."

So far, 11 students have expressed an interest in taking part in this summer's programme, which will also be supported by Aaron services and Dulux.

Jo Holmes, Wellbeing and Development Coordinator at Rushden Academy, said: "This is a great chance for students to gain practical skills and talk about the world of work. Kick-start is just that; it gives an opportunity to gain practical experience in a work setting.

"We have a drive to encourage pupils to be in employment or education and want to ensure all students have a destination post-Year 11."

The Kick-start programme is due to start in July. For more information, contact Sharon Boot at Spire Homes on 01933 415393.

## How to read water

*An Evening with Tristan Gooley, The Natural Navigator: Friday 28th April, 7.45 – 8.45pm, St Peter's Church, Oundle PE8 4AL.*

A must-have book for walkers, sailors, anglers, swimmers, photographers, artists and everyone interested in the natural world, *How to Read Water* unlocks the hidden secrets of water. Tristan shares knowledge, skills, tips and useful observations from his experiences – from wild swimming in Sussex to canoeing in Borneo – to reveal the secrets of ponds, puddles, oceans and more to help you enjoy the landscape, giving you the skills, to help you understand the water around you.

Tristan set up his natural navigation school in 2008 and is the author of the award-winning and bestselling books, *The Natural Navigator*, *The Walker's Guide to Outdoor Clues & Signs* and *How to Read Water*, three of the world's only books covering natural navigation. For further information go to: [@NaturalNav](http://www.naturalnavigator.com).

He has appeared on TV and radio programmes in the UK and internationally, including *The Today Programme*, *Night Waves*, *Countryfile*, *BBC Stargazing Live*, *Country Tracks*, *Ramblings*, *Open Country*, *Shipwrecks*, *The One Show* and *All Roads Lead Home*. Tristan is a global authority on natural navigation and has led expeditions in five continents and climbed mountains in Europe,

Africa and Asia. He is the only living person to have both flown solo and sailed singlehanded across the Atlantic and is a Fellow of the Royal Institute of Navigation and the Royal Geographical Society.

'Gooley, who has single-handedly been reviving natural navigation in this age of GPS, has the birdwatching skills of Bill Oddie and the deductive powers of Sherlock Holmes. He can make you feel that you've spent half your life walking about with your eyes only half-open. He does it again with this fascinating guide to watching and interpreting water, everywhere from the garden pond to the Pacific.' *The Telegraph*

'The goal of the author is to have his readers never look at water the same way after reading this book. He has certainly achieved his objective and I doubt I will now ever be able to walk past a lake or even a pond without checking for surface patterns.' [Thebookbag.co.uk](http://Thebookbag.co.uk)

# Stepping up to the challenge in aid of Cransley Hospice

**P**restige & Homeseeker Park and Leisure Homes is one of the largest local employers, employing more than 450 people over two sites in Kettering and Rushden. Every year they raise money for local charities chosen by their staff. For the second year running they partnered up with their key supplier and friends of Midshires Electrical, an independent wholesaler in Northants and raised an incredible £6,725 for Cransley Hospice between them.

Mark Christian, Finance Director said: "I am thrilled to be running the Stanwick Lake run in aid of Cransley Hospice, and wasn't expecting a Personal Best. Knowing we were raising money for a local charity was the best part of all."

Cransley Hospice provides free of charge palliative care to patients with complex needs, and supports patients in their chosen place of care at the end of life, whether

## Pension Wise service celebrates its second anniversary

**C**entral and East Northamptonshire Citizens Advice is celebrating two years of the Pension Wise guidance service by asking over 50s to book a free appointment about their pension options. The team is also celebrating its expansion – and will be taking over the running of services in Peterborough, Cambridgeshire, Norfolk and Suffolk from the end of April.

The average age of people in East Northamptonshire getting help with their pension is 64 despite free guidance being available for anyone over 50, reveals the Pension Wise team based at the Northamptonshire advice charity.

It can add up to a rush at the last minute and Pension

Wise is encouraging people to get smart about their pension as early as they can.

As the Pension Wise service reaches its second anniversary, John Stimpson, a guidance specialist from the team, says it's never too early to start planning for your retirement and is encouraging locals aged 50 and over with a defined contribution pension to book a free guidance session.

In April 2015, rules around pensions changed and for the first time, people were able to decide whether they buy an annuity, cash in their whole pension pot, take a lump sum, or a mixture of these options.

"Now is the time to find out about your future.

Pensions can be worrying things but we are here to help you and explain your options," said John.

"For many 50 year-olds retirement may seem a long way off but it's a good time to start understanding how your pension could support your plans for the future.

"The pension freedoms have given people a lot of options they might not be aware of or fully understand, such as cashing in part of their pension. A Pension Wise guidance specialist can talk you through options and get you on the right track towards a financially secure retirement."

## Official opening for Irthlingborough skateparks

**T**hanks to the efforts of local residents and the Town Council, two skateparks have been built in Irthlingborough.

Although the skateparks have been in use for some time, the official opening ceremonies will now take place on 22nd April, officiated by the Town Mayor, Councillor Allan Short.

The events, expected to last two hours each, will commence at the main recreation

ground in the town at 10am and the event at Crow Hill Recreation Ground is timed to commence at 2pm.

Wheelscape, the builders of the parks, will provide demonstrations by professional riders and three sponsored skaters. There will also be prize packages for the best local riders.

This should prove to be a fun day for all skateboarders/scooter riders.

# East Northants Snooker League

The East Northants Snooker League, Winter Division, was won by Windmill Mecca. The League is sponsored by the Pumphouse Café Wellingborough. Well done to Darren Fenner, Wayne Gardner, Matt Barcock, Justin Wynne and Colin Buckby. They were very proud to receive their winner's trophy, as you can see from the pictures. Bottom left (left to right): Matt Barcock, Darren Fenner and Wayne Gardner.

Mecca captain Darren Fenner also picked up his trophy for the highest player stats. This trophy is sponsored by Citrus Training Group in Irthlingborough. Wayne Gardner was recognised as the runner-up in the player stats. Wayne also scooped the prize for the highest break thanks to his season best of 70. The high break trophy was sponsored by HCB Plumbing, Wellingborough.

We are now approaching the final stages of the

Winter Tournaments. In the Doubles Competition sponsored by ADP Electrical, Paul Lewis and Richard Wright were knocked out in the semi-final by Sean Wrighton and Marc Brett. Marc played superbly, knocking in several 30 and 40 breaks. Ben Pacan and Steve Williams beat Martyn Hatton and Lee Bunker in a nailbiting match meaning they will be playing Wrighton and Brett in the final.

In the Handicap Singles sponsored by Mastercue Rushden, Marc Brett beat Justin Wynne in their semi-final. In the other semi-final, James Docherty beat Martyn Hatton in a very closely fought match. So Marc Brett now plays Docherty in the final.

Justin Gaggini goes out of the Scratch Singles, sponsored by the Pie Place Rushden, losing 3-1 to Matt Barcock.

Matt played very well knocking in a 66 break on

the way. So Matt will now play Michael Dicks in the final, which should be an exciting match.

All three finals will be played on or before Monday 10th April, and they will be played at the Windmill Snooker Club in Rushden, where a neutral table will be selected. The matches will be refereed and players are encouraged to dress smartly for the occasion. Good luck to each of the finalists.

In the Team Knockout Competition, Windmill G beat Windmill C putting them into the semi-final. This was decided on the final black ball in the very last frame. Anthony Pinard managed to do just enough in his game against Marc Brett. Coopers C are also through to the semi-final after beating Coopers Ball Bashers,

meaning that they will play Windmill G. It was a close match for the most part, and Ball Bashers had the advantage going into the final game between Colin Hinds and Richard Symons. Despite needing to make up more than a 60 point deficit, Colin produced a great performance to win the match overall. Windmill Weapons beat Windmill Warriors very comfortably, thanks to good performances from Ben Pacan and Neil Darling, combined with a good run of the ball. Islip WMC beat Coopers A by a very close margin. So Weapons now play Islip in the other semi-final.

The Summer Division of the East Northants Snooker League is scheduled to commence on Monday 8th May.

If you are interested in joining the League, you can find us via Facebook – East Northants Snooker League. We would welcome more teams.

**PUBLIC NOTICES**

**NORTHAMPTONSHIRE COUNTY COUNCIL**  
 ROAD TRAFFIC REGULATION ACT 1984 - SECTION 14  
**THE NORTHAMPTONSHIRE COUNTY COUNCIL**  
 (MIDLAND ROAD, RAUNDS)  
 (TEMPORARY PROHIBITION OF THROUGH TRAFFIC) ORDER 2017

NOTICE IS HEREBY GIVEN that Northamptonshire County Council intend, not less than seven days from the date of this Notice, to make an Order the effect of which will be to prohibit traffic from proceeding along that length of Midland Road, Raunds as set out below.

LENGTH OF ROAD TO WHICH RESTRICTION APPLIES: That length of Midland Road, Raunds from Brooks Road to Butts Road.

REASONS FOR RESTRICTION: The restriction is required for safety during installation of major drainage scheme.

PERIOD OF CLOSURE: The proposed Order will come into effect on 1st April 2017 and will continue in force for a period of eighteen months. An application may be made for the approval of the Secretary of State for Transport for the Order to be extended if this proves necessary. However, the restriction specified will have effect only at such times and to such an extent as is indicated by the display of signs prescribed by the Traffic Signs Regulations and General Directions 2016.

EXPECTED DURATION: It is expected that the road will be restricted until 20th June 2017.

ALTERNATIVE ROUTES: use Hargrave Road, Station Road, Raunds Road, Toll Bar Lane, A14, A45, London Road and Brick Kiln Road.

Dated this 8th day of April 2017

**HR and Payroll Administrator**  
 30 weeks per year - 40 weeks (term time + 2 weeks)  
 £17,419-£18,070 pro rata

We are seeking to appoint an enthusiastic HR and Payroll Administrator to work across the four schools within our Trust.

Your key responsibilities will be the administration of staff recruitment, maintenance of personnel records, input of payroll onto our payroll provider's portal and the input and reconciliation of the payroll onto the schools accounting records.

The role will involve travel between our schools which are located on two sites approximately 2 miles apart.

The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to show this commitment. The successful applicant will be expected to undertake a criminal record check via the Disclosure & Barring Service and provide evidence of the right to work in the UK.

For any further information please visit our website [www.ifft.org.uk/workingforus](http://www.ifft.org.uk/workingforus)

## Silver King League

As the League season winds towards its conclusion Division I is turning out to be a contest between Kettering and Northampton.

Kettering A are currently basking in a two point lead over Chess Mates A. This would have been a three point lead and the Championship if Rushden A hadn't held them to a draw in their recent game. There now remains only one match to play and as luck would have it Kettering A will be hosting Chess Mates A at the Toller Rooms in Kettering. The home fixture favours Kettering and it will take a good win by Northampton to spoil their party. At the other end of the table

Corby's poor showing this year ensures that Rushden A will spend at least another season in League I.

League II was decided some time ago with Oundle School taking the honours in what has been a barnstorming season from them. Ironically their only defeat was at the hands of Rushden C who are now languishing at the bottom of the table with just the two points gained from this victory. Rushden's B team on the

other hand has had a good season and fully deserve their runners-up position finishing ahead of Chess Mates C.

## Silver King League I

The captain James Gardner provided the following report:

Rusden's top player, Hugh Murphy, built up a promising position against black's King's Indian Defence but wasn't able to convert the early pressure and the game ended in a draw. On board two a complex Anti-Moscow gambit was played out which saw white exerting pressure down the f-file against the uncastled black king of Rushden's James Gardner during the middle game, but some accurate defence meant black was able to stave off the pressure and create a winning endgame, following a speculative knight sacrifice by white in extreme time pressure.

On board three Saj picked up a very good win against a strong opponent, showing nerves of steel despite having many of his pieces confined to his back three ranks during the middle game.

On boards four and five John and Bob struggled respectively, being considerably out-graded by their opponents, and so both of these games ended in defeat, leaving the match tied at the end of the night.
