## NEWS IN BRIEF

### The Dragons are back!

There are only a few more weeks to go before Rotary's Nene Valley Dragon Boat Race returns to Wicksteed Park with even bigger and better facilities lakeside.

Last year's event raised over £25,000 for local Rotary charities including both Cransley and Lakelands Hospices and it is hoped that this year's event will have more competitors on the newly restored lake.

The race is taking place on Sunday 31st August with additional entertainment including live music, craft and gift stalls and fun for all the family.

For more information on how to enter a team, or to be kept up to date with the preparations, please go to [www.nenevalleydragons.org.uk](http://www.nenevalleydragons.org.uk)

# Summertime and the parking is free in East Northamptonshire

The summer holidays are here and can be an expensive time for those with children to entertain. If you're visiting any of the six towns in East Northamptonshire, however, parking is one cost you don't have to worry about.

East Northamptonshire boasts 14 free car parks with generous time allowances, so families can take their time exploring each of the six historical towns in the district.

Steven North, East Northamptonshire Council Leader, says: "We want

to encourage families and visitors to enjoy our towns in the summertime without parking hitting their pocket. So, whether you're enjoying the award-winning free museum in Oundle, following the HE Bates trail in Rushden or exploring George Washington's

ancestry in Thrapston, a parking fee is something you don't have to factor in to your day."

Residents and visitors may also be interested to know that five car parks have received the prestigious Park Mark award, which is given by the police to car parks that have achieved the standards of the Safer Parking Scheme. The scheme aims to reduce crime and the fear of crime in car parks.

The Duck Street, John Street, Rectory Road (Orchard Place) and Splash car parks in Rushden, and the Sackville Street car park in Thrapston have met strict criteria demonstrating a safe, clean, quality parking environment – an important assurance for many families and visitors.

# Success at Ringstead Open Gardens Weekend

Ringstead's 2014 Open Gardens Weekend was hugely popular, attracting over 200 visitors from all over the country to enjoy the 13 sun-drenched gardens on display. From the tiny, pretty patch to the huge sophisticated vista, each garden had been lovingly tended, all with a unique charm of its own.

The Sunday School children were particularly proud to show their allotment with its display of ripe fruit and vegetables: the result of their hard work throughout the past year.

A welcome cuppa and home baked cakes awaited everyone at the Village Social Club at the end of their tiring but interesting gardens tour on a hot, sunny afternoon.

The organisers, who would like to thank everyone who made this event such a success, are delighted to report that £1,120 was raised, all of which will be used by the St Mary's Appeal for improving the church facilities.

# Oundle Pilgrimage – supporting Sue Ryder, Thorpe Hall 9th & 10th August

Walking, cycling and obtaining passport stamps from historic locations are a fun way to enjoy a weekend. Whatever your choice, it can be a liberating experience following the Oundle Pilgrimage as it cuts through the Nene Valley encountering riverside walks, estate woodlands, iconic sites and ancient buildings.

It is the fourth anniversary of the Pilgrimage and the event will be celebrated with a fundraising coffee morning and some light evening entertainment at the Rose and Crown.

Starting at St Peter's Church at 8.30am (or Trek Kits, Oundle Wharf after 10am) The Pilgrimage takes in local inns and churches along the way, where participants must try and obtain a stamp/signature for their passports at each stop. Passports and guides can be purchased from Trek Kits; GPS maps/video footage of the route are available from the Pilgrimage websites and certificates are given to those who complete the whole journey. Participants can obtain sponsor forms from the Wharf or contact the Thorpe Hall fundraising team; Sponsor jars are in place at all the pit-stops en route and the public are invited to make a donation. There will also be a collection at the Co-op on the Saturday, which is Farmers' Market Day.

The event offers a weekend walk or a cycle challenge of 40 miles, and a picnic family walk of six miles taking in the Nene and part of Ashton Estate. Or simply choose a section to make up a smaller circular walk. There are campsites available for those weekend participants who wish to do it all and split the journey into two phases (Sat/Sun – see the main guide). It is also possible to start from any other location en route if required.

'A few hours of toil for a worthy cause is rewarding in itself and if everyone did just two hours a week for a voluntary act of good will this world would surely be a better place.'

The Oundle Pilgrimage was founded by long distance charity walker Robin Moore who dedicated the event to Sue Ryder after the hospice cared for a popular young man called Dean Robert Ingram, 'Deano', who died there in 2008. The project raises money for local causes and can be walked any time of the year; the event for Sue Ryder is held annually in August, on Farmers' Market Weekend.

To sign up for this year's Pilgrimage visit Trek Kits, Oundle Wharf: Tel. 01832 272 050 or email [info@trek-kits.co.uk](mailto:info@trek-kits.co.uk)

# Puppy love...

Guest taster – Molly Bishop

By Catherine Burbage

A new member of the family is going to join us soon, a bundle of fluffy terrier from Northumberland. We're a bit worried it won't understand our accent, so as most dogs understand the language of food, I thought I'd make it some special treats. I found a fantastic website [www.bdws.co.uk](http://www.bdws.co.uk) by Jamie Shanks with lots of doggie recipes, so I've tried a couple of them and

reproduced them here for you.

These would be fun for kids to make over the holidays to try out on their doggie pals, and maybe help train both of them a bit! The recipes are simple with cheap ingredients, and I've never known a dog to be too bothered about what its dinner looks like – so you can just break up the cakes any way you like.

To check the recipes this week I invited local resident Molly Bishop as guest taste

tester. She gave a 'paws up' to both recipes, but I think the sardine oatcakes were her favourite. The recipes freeze well so I'm keeping the rest of batch for when our pup arrives.

#### SARDINE OATCAKES

2 x 120g tins of sardines in oil (better for the coat than brine)  
1 crushed garlic clove  
60g wholemeal flour  
300g rolled oats  
Splash of water

1. Mash the sardines up, add the other ingredients and enough water to bind the dough together.
2. Break the dough into bite pieces and squash between your palms to doggie treat size.
3. Put on a baking tray and bake at fan 150C, gas mark 5, for around 20 minutes – time will vary according to what size you made them.
4. Allow to cool and see what tricks your dog will do to get one!

#### LIVER CAKE

1lb liver – cheapest there is  
2 eggs  
200g wholemeal flour

1. Whizz the liver and eggs in a blender until they look like a revolting smoothie.
2. Stir in the flour to make a firm but still quite damp 'cake' mixture
3. Line a 20cm x 25cm tin (approx, this is for a dog, not MasterChef!) with foil and bake in a low oven for 30mins or so.
4. Allow to cool and break into pieces.  
Have a look at Jamie's website for a range of great dog food recipes and information on canine nutrition [www.bdws.co.uk](http://www.bdws.co.uk). I'm going to have a go at the puppy teething biscuits next...

## Rotary Golf Day raises £1,600 for Rushden MIND

While all the surrounding towns and villages were suffering from thunderstorms, the golfers supporting the recent Rotary Club of Rushden Chichele Golf Day played their rounds in warm sunshine.

It was another very successful day, thanks to the support of Rushden Golf Club and local businesses, and over the years the event has raised over £40,000 for local charities. This year Rushden MIND benefited from the golfers' generosity.

The winner of the Team event – despite everyone having full handicaps so that Rushden Golf Club's team of low handicap players should not win again – was...the team from Rushden Golf Club! It was a very close thing and only a miscalculation on the part of the FFP Packaging Solutions team

scorer denied FFP the accolade by a single point, with construction company Kier Eastern in third place.

A good day was had by all but the real winner of the event was Rushden MIND. Rushden Chichele President, Alan Armson presented a cheque for £1,600 to MIND Chief Executive, Rob Aston and Chairman, Bill Vokes who explained how difficult times were with funding being reduced and costs rising. The work being done at Rushden Mind is essential to the mental health of so many local people and tribute was paid to Rob and all the unpaid volunteers who give so unselfishly of their time and talents.

Rushden Chichele Rotary Club has helped and supported Rushden MIND for many years with donations and manpower and will continue to do so.

## Glaphorn School recreates WWII history and prepares for an exciting future

As a part of their studies about the Second World War, children from Glaphorn School were recently 'evacuated' to houses around the village so they could briefly experience what life was like for those children sent from the cities to villages during the Blitz.

Householders were ready to accept their 'evacuees', with each host providing a different scenario for their group. Food rationing was explained, gas masks were tried, household tasks were allocated – and children were even inspected for nits before being accepted across the threshold! The children even had new names for the day and wrote about their shared experiences and opinions back in class.

The evacuation day brought to a close a very busy term and one in which Glaphorn pupils have continued to perform on all levels. In April, the senior rugby team won the Corby, Oundle and Thrapston element of the Aviva National Schools Rugby Programme. Next stop was the Northampton Saints Ground where they were narrowly beaten by a specialist sports school. More recently the senior cricket team came second in the local Cluster Cricket Tournament.

Every child in the school performed in the recent production of 'The Jungle Book', many having gained inspiration for their roles from the recent school visit to Hammerton Zoo

and a globally themed whole school project. The May Singing around the village raised money for an educational charity in India, whilst the annual May Fete and maypole dancing raised nearly £1,000.

The end of term also brings some sad farewells to several long-standing members of staff including Mrs Shelley Griffiths who has been welcoming children into the Reception Class for over ten years. The new staff joining in the autumn term bring with them a wealth of experience and expertise. September will also see the launch of Glaphorn's After School Club, meaning the school provides wraparound care from 7.45am to 6.00pm to support working parents.

Glaphorn School is a small and happy Christian school at the heart of its community offering challenge and opportunity to all. It currently provides education for children from Reception to Year 4, which will extend to Year 6 from September 2015. There is a strong emphasis on providing a range of learning opportunities for the pupils, which includes outdoor study in the woodland classroom, wildlife area and school allotment. Please direct further enquiries to the Head, Mrs Katherine Towns on 01832 273452 or [head@glaphorn.northants-ecl.gov.uk](mailto:head@glaphorn.northants-ecl.gov.uk)

# Classic cars on show

**The Rotary Club of Rushden Chichele will be holding its first Classic Car Show at the Castle Fields on Sunday 3rd August, which will be open to the public between 11am and 4pm.**

Around 100 classic and vintage cars will be on show from owners and car clubs across the country – some are very rare and all are special. Proud owners are always willing to tell visitors all about their cherished vehicles. This will be a family event with food and other stalls including Disney Stores. There will also be a hog roast.

The main sponsor of the Car Show is Winslow Ford of Rushden and they will have some of the latest new cars on display for visitors to look over.

Programmes will be available at the entrance for which adults will be asked to donate a minimum of £1. The public will be invited to vote for their "Car of the Show" with a trophy for the winning owner. Any profits generated by the event will be distributed to charities supported by The Rotary Club of Rushden Chichele.

## Refurbishment planned for Cotterstock Village Hall

**A very generous £60,000 grant from WREN (Waste Recycling Environmental Ltd) and local fundraising is enabling Cotterstock village to undertake major refurbishment of their village hall in the coming months.**

Originally built in 1876 as the village church school, the hall was subsequently leased from the local diocese by the village and today provides the meeting place for the active Cotterstock village community.

Over the years "wear and tear" have

taken their toll and today the frequently used hall is in urgent need of repair and updating.

Work begins shortly on replacing the floor and floorings, repairing and insulating the roof to the latest standard, and updating the plumbing, heating system, kitchen, windows and doors. The beautiful overall fabric of the hall will remain.

For further details please contact Adrian Eldridge (Chair VHC): [adrianeldridge313@btinternet.com](mailto:adrianeldridge313@btinternet.com) Tel. 01832 226332.

# From the Chairman of ENC

**It has been another busy fortnight showing support to many special groups and people across the district and further afield.**

Watching the 423rd Air Base Group at RAF Alconbury and Royal Anglian Regiment be presented with the Freedom of the Town of St Neots was a great occasion. It involved scrolls being presented in the Town Square, a procession across the river to the park where a gala was being held and then raising the flag to commemorate the occasion. We have close ties with both regiments in this region so it was good to see this honour bestowed on them.

Anyone who has visited Peterborough Cathedral cannot fail to be impressed by the beautiful building, so we were delighted to be part of the service which welcomed the new Mayor of Peterborough.

Five schools from across the district took part in the finals of the East

Northamptonshire Schools Dragons' Den competition where I was a judge. It was a nerve-racking experience, but the young people all performed well and had some wonderful ideas for products. It was very difficult for us judges to decide on a winner but Manor School in Raunds triumphed with its Energy Roads project, which involves placing hexagonal shaped energy panels on roads to create energy as vehicles move over them. This was a particularly special win for Manor School as it is also celebrating its 100th birthday. What a way to celebrate success!

I was happy to support the worthwhile charity, Nene Valley Care Trust at a special Garden Party at Grendon Hall, organised by the Chairman of Northamptonshire County Council. The charity does great work supporting young people leaving the care system and preparing them

for education, training and jobs.

Future engagements include another military parade with the Royal Anglian Regiment Homecoming Parade in Kettering. This is another regiment that has just completed a tour of Afghanistan and it is good to show them how much their work is appreciated.

I am also looking forward to 24th July, the deadline for anyone to call for a Judicial Review of the Rushden Lakes decision. At that point, if there is no challenge, we can start to really celebrate this landmark win, which will bring so much prosperity and so many jobs to East Northamptonshire. This result did not just happen. It was the culmination of several years of hard work by councillors and officers plus supporters such as the Yes2RushdenLakes group.

There are still some spaces available for my Charity Golf

Day at Collingworth Golf Club on 11th September. We're raising funds for ProstAid, who help to fight Prostate cancer locally. I hope to raise sufficient funds for a piece of diagnostic equipment for Kettering General Hospital. If you'd like to donate to this cause, please go to <https://www.justgiving.com/gill-mercet/> To join us for golf, lunch and good company, contact Glenvil Greenwood-Smith on 01933 624615. It's £72.50 per player, which includes a

At the Nene Valley Care Trust Charity Garden Party with fellow supporters of this hardworking charity

three-course meal and non-players are welcome to join us just for the meal at 6pm for £28.95. And if you can't play golf but want to be a part of the day, we're looking

for sponsors of each hole of the course. Call Glenvil for a chat about it. See you on the green or at the clubhouse.

Cllr Gill Mercer

## Youth Speaks competition 2014

**Rotary encourages speaking and presentation skills in young people, qualities which all schools agree are valuable. Their 'Youth Speaks' Competition, as a result, has gone from strength to strength, producing some superb quality young speakers between the ages of 11 and 18.**

Recently, teams of students from The Ferrers Specialist Arts College, Rushden Community College, Raunds Manor Specialist Sports College and Huxloe Science College took part in the local area round of the competition and the students performed brilliantly! Their presentations engaged the audience of staff and students from Years 12 and 13 in both a humorous and serious approach to a wide range of subjects.

In a very closely fought contest the winners were the team from The Ferrers, whose subject was "The Stigma of Mental

Health", their efforts being rewarded with a trophy, a certificate and a cheque for £20 each which was presented by Rotarian David Rockley, former Head of Raunds Junior School.

The winning team will go forward to the Senior section of the area semi-finals of this National Competition, which will be held in January and February 2015.

The Ferrers School Team: Naomi Lawes (Chairperson), Ryan Chaplin (Speaker) and Jack Nason (Proposer of the vote of thanks) with their Youth Speaks Trophy

## Louisa Lilley Almshouses

**When the Kettering Guardian reported Thomas Lilley's death in April 1899, aged 85, he was one of the oldest shoe manufacturers in the county.**

Thomas left his father's shoe making business in Borough, London, aged 20 and together with his brother-in-law, William Banks Skinner, began manufacturing boots and shoes in Wellingborough and Irthlingborough.

He was of 'sturdy, persevering and excellent character' and his business was 'an indication of enterprise and integrity...'. As well as this, he had an interest in farms at Grafton Underwood, Wilby and Irthlingborough. He lived for some time with his large family at The Rookery, Irthlingborough and then at Archfield, Oxford Street, Wellingborough.

Lilley's funeral cortege through Irthlingborough High Street saw 'business premises closed' and 'the inhabitants had drawn their blinds, whilst the streets were thronged with spectators whose behaviour was most respectful.'

Probate was granted on his daughter Louisa's will, signed in December 1923, in June 1930. This is a complicated document, with numerous bequests made to, among others: Wellingborough Cottage Hospital, St John Ambulance Association, Northampton Hospital, St Barnabas Church Wellingborough, Dr Barnado's Homes for Waifs and Strays, the Salvation Army etc. Provision is made for the 'upkeep of the graves of my father and mother

in Irthlingborough churchyard...and of my brother and sister in the London Road cemetery in Wellingborough.'

Numerous bequests and annuities are made to her many nieces and nephews, which Louisa appeared to enjoy changing according to five codicils made in 1925, 1927 (two), 1928 and 1929. The latest one revoked the bequest to the Salvation Army, as she had 'recently given them a similar amount.' The bequest of the bulk of her property to the almshouses was never changed. Six were built in Irthlingborough and fourteen in Wellingborough.

Originally, there were very specific 'rules' to be observed by the residents: '...lodgers will on no account be permitted'; 'Broken windows are to be repaired at the expense of the Occupant'; 'no pigs, poultry or pigeons' were to be kept on the premises. Electric light was installed 'for the free use of the occupants', but 'strict economy must be exercised' - they were required to provide themselves with 'Price's Candle Nightlights' if light was necessary overnight. Residents also had an allowance of two shillings per annum towards the purchase of meat and coal.

Today residents are responsible for their council tax, gas, electricity and water charges; and pay weekly contributions, which include buildings insurance and property and garden maintenance. Residents are encouraged to plant their own small gardens, and may keep domestic pets, but always 'having regard to the

peace and comfort of neighbours.'

The Irthlingborough properties were modernised in 1981 with grant aid from East Northamptonshire Council. Recent work has provided double-glazed windows to all the properties, and modernisation of all the kitchens is ongoing. The homes are administered by eight Trustees, who report to the Charities Commission and the Housing Corporation. The voluntary Trustees are supported by a part-time, salaried secretary/administrator.

## The Irthlingborough War Memorial

**The Irthlingborough War Memorial and the memorial in St Peter's Church record the names of 151 men of this small town who made the supreme sacrifice in World War One.**

Between 2004 and 2008 members of the Historical Society successfully researched the story of each man and also collected photos of the majority of them. The photos were displayed along a Walk of Remembrance, which included lime trees planted around the green by the cross, in remembrance of those who died in the war. The information is recorded in a leather bound book which is perpetually on display in St Peter's Church.

Among the photos is the one of a soldier who is said to have returned alive from the

war but whose identity is unknown. If anyone can identify the soldier please contact Cllr Sylvia Hughes on [shughes@nothamptonshire.gov.uk](mailto:shughes@nothamptonshire.gov.uk) who would be pleased to pass on the information to the Historical Society.

# Chess Corner

By Derrick Sims

Every now and again a chess superstar comes onto the scene. One such star was Bobby Fischer, who at a time when many of the top players were from the USSR, hailed from Chicago in the USA.

Bobby learned to play chess at the age of six and became the world's youngest Grandmaster at the age of 15. He left school aged 16 to pursue a full-time chess career.

In the 70s there were no official Blitz or Rapid World Championship matches. In 1970 an unofficial Blitz World Championship competition was held in Montenegro. This was won by Fischer with a score of 19 points, an astonishing four and a half points ahead of Mikhail Tal from Russia. This confrontation came at a time of high tension between the USA and the USSR. Fischer became an emblem of the Cold

War between the two countries. The conflict came to a head in 1972 when the 29-year-old Fischer faced Boris Spassky in the World Chess Championships. Fischer won with a score of twelve and a half points – four points ahead of Spassky.

Now we come to another child prodigy and chess superstar, namely Sven Magnus Carlsen from Norway. Magnus became a Grandmaster at the age of 13 and went on to be the youngest player ever to be ranked as world Number 1 in 2010. It took another three years for him to become world champion when he defeated Viswanathan Anand from India in 2013.

This year Carlsen has become world champion in both Rapid and Blitz games. To hold three world championship titles at the age of 23 is truly a remarkable achievement.

So is Carlsen a better player than Fischer? Sadly we'll never know, as the controversial Fischer died in 2008 – a chess genius and a troubled soul.

Chess is a game for people of all abilities, disabilities and lifestyles. Rushden Chess Club loves welcoming new members, so do come along to a meeting if you are interested in playing chess in a very friendly environment.
