### NEWS IN BRIEF

## Rutland Water charity ride

Two district residents will be riding four times around Rutland Water (100 miles) on Sunday 14th September, to raise money for Action for Aspergers.

John Simpson and Tom Wand, whose son is autistic, are raising funds to help with Phase II of a special sensory room. You can donate to help this worthwhile local charity via the donate button on the homepage of the charity's website: [www.actionforaspergers.org](http://www.actionforaspergers.org) Alternatively you can sponsor by contacting Tom on 07840 274319.

# Homes to benefit from superfast broadband

Northamptonshire County Council has announced that more than 21,800 homes and businesses in the county can now get faster fibre broadband as the multi-million pound Superfast Northamptonshire project continues apace, bringing the high-speed technology to more communities.

The latest areas to benefit from the programme include parts of Aldwinckle, Barnwell, Cotton, Denford, Mawsley

Village, Northampton, Oundle, Stoke Doyle, Thorpe Waterville, Thrapston and Woodford. Fifteen roadside fibre broadband cabinets in these communities have just 'gone live'.

The first stage of the project, led by the county council in partnership with BT, builds on the private sector's commercial roll-out of fibre broadband to make the high-speed technology available to about 90 per cent of homes and businesses in the county by the end of 2015. Over 56,000 homes and

businesses will have access to fibre-based broadband as a result of this first stage of the project.

Without public investment from the county council and the Government's Broadband Delivery UK (BDUK) programme, as well as private investment from BT, it would not be commercially viable to make faster fibre broadband available in these communities. Public sector intervention is critical to ensure more people can benefit from access to faster broadband.

This announcement comes as the Department for Culture, Media and Sport reveals that more than one million UK homes and businesses now have access to superfast broadband as a result of the UK wide roll-out. The rate at which the fibre technology is being rolled out under the Government programme is rapidly accelerating, with up to 40,000 UK premises gaining access every week. It will extend superfast broadband to 95 per cent of the UK by 2017.

The Superfast Northamptonshire project is playing its part in delivering this goal and remains one of the front runners in England. The county council's ultimate aim goes beyond the Government's nationwide 95 per

cent coverage target and intends to secure countywide access to superfast broadband by the end of 2017.

Bill Murphy, Managing Director of Next Generation Access for BT, said: "The Superfast Northamptonshire programme is making strong progress, bringing high-speed fibre broadband to some of the most challenging areas.

"The programme shows the power of the public and private sectors working together. BT has brought technical expertise to the table as well as millions of pounds of investment and, if we can go further, we will do so.

"This exciting technology is providing a major boost for local households and businesses, whether they are using it to work more efficiently and find new customers or for online learning and leisure."

The county council has already launched a procurement initiative for the next major stage of the project and more news on the outcome of this will be available in the autumn.

For more information about the project, including the ability to see when services may be rolled out in your area by using the 'When and Where' interactive deployment map, please go to: [www.superfastnorthamptonshire.net](http://www.superfastnorthamptonshire.net)

## Panel revealed at Raunds Library

**Raunds Stitchers, a group of approximately 12 ladies who previously produced a 'Time Line Banner of Raunds', have been working on a WW1 Commemorative Panel for the past three months.**

The panel has now been unveiled and will hang in the Raunds Library. It depicts the town's war memorial through a church window and to complete the picture, images of local men who lost their lives are sewn on either side. It is a beautiful piece of work that the ladies are justly proud of.

## New website and competition celebrate biodiversity in Nene Valley

**The Nene Valley Nature Improvement Area (NIA) project has launched a new interactive website, which aims to encourage people to share their views on the local natural environment.**

Covering over 41,000 hectares across Northamptonshire, Huntingdon and Peterborough, the Nene Valley Nature Improvement Area features a variety of natural habitats, including wildflower meadows, wetlands, marshes, woodlands and wet grasslands. With fishing lakes, birdwatching opportunities and children's adventure playgrounds, the NIA is an attractive area for animals – such as otters, kingfishers and grass snakes – to call home.

Researchers from the University of Northampton have joined forces with conservation organisations and the national Sciencewise initiative to launch the new NIA website, which features a wealth of information, a virtual tour and a discussion forum.

The website provides an opportunity for local people to share their thoughts on the Nene

Valley, and an online mapping survey has been developed to identify areas of the valley that are particularly valued and why these areas are important to visitors. This will provide university researchers with valuable data that can be used to inform future plans for the valley.

A photo competition has also been launched to find some of the best images of the Nene Valley and to encourage people to explore the area over the summer. Judges are looking for images of wildlife, landscapes, people, heritage, water, and the built environment taken in the Nene Valley. There are separate categories for children so everyone can enter. Images should be submitted through the NIA website, and the winners will be selected through an online vote. The most popular photos will be displayed in the autumn as part of the Nene Valley Festival, and the photographers of the top two images will each win a pair of Opticron binoculars.

If you would like to contribute to this important project or take part in the photo competition please go to: [www.nenevalleynia.org](http://www.nenevalleynia.org).

## Charity event brings cinema back to Finedon

**Oundle and Ringstead cinemas are supporting a fundraising evening organised by Pete and Pat Donaldson for the Help Ben Appeal.**

Philomena (12A) starring Judy Dench and Steve Coogan will be shown at Star Hall, Laws Lane, Finedon on Saturday 20th September at 7.30pm. Tickets cost £5 and are available on the door or by contacting 01933 681029.

In the 1920s Star Hall was used as a cinema. This was followed by the Regent Cinema which closed some fifty years ago. Now there will be a chance to sit in the seats from the original cinema and watch a film.

Fourteen-year-old Ben Talbot was born with a brain abnormality. He is severely disabled and has extensive learning difficulties, relying on adults for all his mobility and care. Ben hasn't developed any speech and finds it extremely

difficult to communicate. Due to the serious muscle contractures in his legs, he is now suffering with a developing curvature in his spine. This could lead to hip problems in the future and the difficulties can now only be resolved by surgery.

There are several surgeons in the US that carry out a 'keyhole' surgery procedure on disabled children like Ben. It has been carried out on hundreds of children with a reported 100 per cent success rate. Ben's family are trying to raise £30,000 to enable them to take Ben to St Louis Children's Hospital in Missouri USA for this specialist surgery on his legs, which will make a massive difference to his life. So far over half the money has been raised.

Further information about the appeal and how to donate can be found at [www.helpbenappeal.com](http://www.helpbenappeal.com) Tree of Hope Registered Charity No 1149254

# Volunteers sought in East Northamptonshire for the Carers Sitting Service

- Are you interested in using your existing skills and experience and developing new ones through volunteering?
- Are you retired, semi-retired, work part-time, taking a career break, looking after a family but have a few hours to spare and are interested in doing something that will make a difference in your village or town?
- Do you want to be able to get some experience and a reference for paid work in the future?
- Would you like to enable more carers in East Northamptonshire benefit from the sitting service?

If so becoming a volunteer befriender with the Carers Sitting Service may be for you?

What's involved?

The Carers Sitting Service provides support by giving a break to those who have a caring responsibility for a husband, wife, partner, parent, relative or friend.

Sitting sessions take the form of befriending, do not involve provision of personal care, run from two to three hours and involve meeting the same person in their own home.

Volunteering is very flexible and you can fit it around your other commitments. You can do regular or more occasional sitting sessions. You don't need any qualifications to become a volunteer as we provide training and ongoing support. However, it is important that you are understanding, patient and a good listener. Travel expenses will be paid for any visits you make.

If you are interested and want to find out more, please contact Adam Wilson, Volunteer Coordinator on 01933 677837 or 07538 616387 or email [adamw@northamptonshire-carers.org](mailto:adamw@northamptonshire-carers.org). Alternatively you can download an application form and volunteer befriender role description from [www.northamptonshire-carers.org](http://www.northamptonshire-carers.org).

## Try fishing

The Wildlife Trust has teamed up with the ECL Angling Club for the second year running, with support from the Angling Trust and the Environment Agency, to hold fishing taster sessions over the summer holidays at Irthlingborough Lakes and Meadows Nature Reserve.

These events offer a great opportunity for all the family to try fishing for the first time and will take place on Monday 18th and Sunday 31st August, 9.30am-2.30pm.

# "No diving" as work starts on Splash Pool

**The Splash Leisure Pool in Rushden has been emptied to allow work to start on improvements to the centre.**

The £330k project funded by East Northamptonshire Council will include the replacement of essential mechanical equipment to enable the pool to remain open for future use, new lockers and improved changing areas and showers.

Splash has now temporarily closed for approximately eight weeks and whilst the work is being carried out, customers can use the pool at the Nene Centre in Thrapston and enjoy sporting activities at the Pemberton Centre in Rushden.

East Northamptonshire Council's appointed observer to the Aspirations Wellbeing board, Cllr Glenvil Greenwood-Smith, said: "As you can see from the photo, the pool has been emptied, the contractors are in and we're looking forward to having an improved facility open in the autumn for all swimmers."

"Some people have raised concerns about the pool closing during the summer holidays. There's no good time

to temporarily close a pool and we had to think long and hard about when we could undertake the work.

"The alternative was to close during term time which would result in having to cancel the programme of the Swim School. This would have an impact on over 2,500 children, missing out on learning to swim later this year.

"We therefore decided to close the pool during the holiday, losing the casual fun swim opportunity but retaining the swimming lessons programme, a decision which we're sure is welcomed by parents."

Chris Tye, Group Operations Manager at Aspirations

Wellbeing who run the facility, adds:

"Most users of the pool were telling us that the work needed to be undertaken sooner rather than later, particularly with regard to installing new lockers and improving some of the changing areas. Work has now started on this and we can't wait to reopen the pool to our loyal customers."

Keep informed of the progress of the works through the media, on the Aspirations Wellbeing and East Northamptonshire Council websites and on Facebook and Twitter. For more information about Aspirations Wellbeing's services, please call 01933 410505.

## Raunds remembers fallen soldiers of First World War

**A service of remembrance to commemorate the start of the First World War was held on 3rd August in St Peter's Church, Raunds.**

The service was preceded by a procession to the church led by the Royal British Legion who were joined by the Town Mayor, councillors, a group of naval cadets and officers, together with other representatives of the local services and the community.

The service, led by the vicar Sheena Bell was relayed to an almost full church.

Following the service the procession and congregation moved to the memorial gardens where a ceremony was held to remember those who died. The names of the 135 fallen were read out by a group of young people from Raunds and District. Wreaths were then laid and after the playing of the Last Post the ceremony concluded with a blessing and the singing of the National Anthem.

A Garden of Remembrance consisting of poppies and 135 crosses was laid to one side of the War Memorial.

# Hall Park, Rushden named one of the best in Britain

**Hall Park in Rushden is one of the very best parks in the UK – and that's official.**

The park is among a record-breaking 1,476 parks and green spaces that will today receive a prestigious Green Flag Award.

The award, handed out by environmental charity Keep Britain Tidy, recognises and rewards the best parks and green spaces across the country. A Green Flag flying overhead is a sign to the public that the space boasts the highest possible standards, is beautifully maintained and has excellent facilities.

Hall Park is owned and maintained by Rushden Town Council and is enhanced by beautiful parkland and wonderful mature trees. The park welcomes all users and has different sections for various activities.

Sarah Peacock, Leader of Rushden Town Council said: "We are absolutely delighted to

receive a Green Flag Award for first time from Keep Britain Tidy.

"This Award recognises and highlights that people in Rushden are benefitting from a green space of the very highest quality.

Keep Britain Tidy's Green Flag Award Scheme Manager, Paul Todd said: "We are delighted to announce yet another record-breaking year for Green Flag Award parks and green spaces.

"A Green Flag Award provides national recognition for all the parks' managers, staff and volunteers who, through their dedication and hard work, have helped to create these fantastic places for everyone to enjoy.

"Quality green spaces are a vital resource for communities and that is why it is so significant that we have given out more awards than ever before."

# My day in East Northants

**Name:** Peter Waddup  
**Organisation:** Scotts of Thrapston

- How long have you lived and worked in East Northamptonshire?**  
I joined Scotts of Thrapston Ltd in 1999 and soon decided that I would like to live in the area and so moved to Oundle.
- How would you describe a typical day?**  
Scotts of Thrapston Ltd has four divisions: timber buildings, educational buildings, joinery and trussed rafters for new homes. Each day brings fresh challenges, as each division competes for space and resources. My role is to facilitate this and ensure that we are able to provide our customers with an excellent product on time. An evening might involve a meeting connected with the two charities that I am involved with: The Leprosy Mission England and Wales, and Nongoma Friendship Ltd, a link between Oundle and a remote town in Kwa Zulu Natal, South Africa where we are funding a growing project initially started to feed 80 children from child headed families. I am fortunate that Scotts of Thrapston encourages working with the community, which means I can get involved in some great local initiatives, one of which recently was being a judge in the local schools' Dragons' Den competition.
- What do you enjoy most about working in East Northamptonshire?**  
I am passionate about the county, and have grown to love the beautiful countryside in East Northants and enjoy visiting the many lovely villages. I can cycle 15 miles from my house and pass through about eight different villages. The scenery is stunning. I am pleased that East Northants are included in Northamptonshire business events, and my Chairman, David Scott and I regularly attend events with the Northamptonshire Enterprise partnership, and are keen supporters of the Northamptonshire Community Foundation which provides grants for many good causes around East Northants.
- What is your favourite place to visit in the district?**  
I love my home town of Oundle, but it is great to be able to head out to one of the many beautiful East Northants villages and enjoy a pint with a view.
- What does East Northamptonshire mean to you?**  
East Northants means beautiful rolling countryside, friendly people, and after spending 10 years living in Surrey around the M25, it also means no real rush hour!
- Is there anything which would improve your life in the district?**  
I think that we should always be looking to improve leisure facilities for children and in particular teenagers. Whilst East Northants is a lovely place to live, I feel that teenagers get itchy feet and seek something a bit more lively. To provide events and opportunities for them should be our priority.
- What is your favourite food and drink?**  
My favourite food has to be very hot curries, and good old-fashioned pub grub, washed down with either a pint of real ale, or a cold full-bodied white wine. Cheers!

If you would like to feature in My day in East Northants please contact the editorial department on 01522 513515 or email [news@nenevalleynews.co.uk](mailto:news@nenevalleynews.co.uk)

# Living (very) well in later life

**“Both loneliness and isolation contribute greatly to poor mental and physical wellbeing, and we all need to find ways to help older people not to feel cut off from society.”**

Northamptonshire County

Council's Chair, Cllr Joan Kirkbride was very clear about this when opening Serve's Wellbeing and Volunteering Centre in Rushden and commented that Serve's Living Well and Active programme was a great

opportunity for older people to reconnect and enjoy life more, while providing substantial health benefits.

Both Cllr Kirkbride and her consort, Alex, were impressed by the range of 'Living Well' activities being offered by

Serve, which include such diverse activities as pub lunches, outings, computer training, arts and crafts, and yoga. As she said: "There's something for everyone here at the Centre."

But Serve's mission doesn't stop in Rushden and Serve provides services, activities and projects throughout Northamptonshire to give people even more of a chance to become involved, helped by Serve's excellent transport scheme run by volunteers which supports all services delivered by Serve. One recent project, 'Here be Dragons', is a reminiscence project based around capturing local stories and legends from older people, which has reached into the heart of Northamptonshire.

However, as noted by Dr Cate Carmichael, CEO at Serve, "without our willing volunteers, it would be hard to do so much. They give us the extra reach into people's lives

Cllr Joan Kirkbride with Zoe Brown (public relations, Serve), Alice Clarke (apprentice, Serve) and Aimee Ridley (apprentice, Serve)

and into our communities."

In support of this, Cllr Kirkbride paid generous tribute to those people who are willing to go the extra mile and give time freely to help others.

She said: "Volunteers are the back bone of any charity and Serve certainly values their volunteers".

Serve is working hard to recruit, train and support

more volunteers of all ages, and provide even more community based projects.

If you would like to volunteer please contact Diane Eaton, Volunteer Coordinator and If you would like to take part in the 'Living Well' activities, please contact, Liz Clarke, Wellbeing Manager. You can contact them both on 01933 315555.

## Church celebrates 300 year anniversary

**Ringstead Baptist Church celebrated its 300th anniversary on 15th July with special events at Ringstead Shared Church.**

On the first weekend in July there was a Flower Festival, 300 Years' History in Flowers. A band of talented flower arrangers produced the most stunning displays, which depicted episodes from the church's history as well as aspects of faith. A steady stream of visitors enjoyed the spectacle, and the wonderful perfume of the flowers, before spending time watching pictures of old Ringstead over coffee and cakes.

The following Saturday afternoon there was a wonderful Service of Celebration and Thanksgiving. Almost 100 people – present members and friends, former ministers and members, representatives of the Central Baptist Association, and friends from nearby churches – heard an address by Rev Dr Rob Ellis, Principal of Regent's Park College, Oxford, where the ministers in training are based. The singing was led by organist Alan Smith (a

former organist at the church) and the Ringstead Shared Church Music Group. Old friendships were renewed and a great deal of 'catching up' took place over tea after the service. The gift of a beautiful carved cross was received from Christ Community Church, Orlando, with which the church is twinned.

The next anniversary event will be an Organ Concert given by Malcolm Pentelow on Sunday 31st August at 4pm, followed by tea. Admission is by free ticket in advance from 01933 622316/624677. A retiring offering will be for church funds.

## From the ENC Chairman

**It has been another busy fortnight representing East Northants as your Chairman. First off, I attended the Northampton University Graduation ceremony where it was wonderful to see the delight of the parents and students whose hard work has paid off.**

I also attended the civic service of the Chairman of South Northants Council, which was held outdoors in the town square at Brackley. We were lucky with the weather and enjoyed a delightful performance of the Brackley Morris Men whilst we sang Lord of the Dance, accompanied by the Brackley Brass Band. There was also an interesting interpretation of the story of the Good Samaritan by the Hub, Brackley. This was followed by magnificent refreshments with the most enormous and delicious frankfurters (the diet went by the wayside).

The homecoming parade at Kettering for the Royal Anglian Regiment was an event not to be missed. Under a blazing sun, the Lord Lieutenant, High Sheriff of Northamptonshire, the Mayor of Kettering and the CO of the regiment watched as their band gave us a marvellous performance. The regiment is affectionately termed 'The Poachers' and they have a poacher as their mascot, complete with dead hare. The poacher is actually one of the sergeant majors who is given leave to grow a beard for the occasion. It was good to see the crowds welcome back the regiment after their tour of duty in Afghanistan.

It was a pleasure to hear the Northampton Male Voice Choir at a special service to mark the work of St John Ambulance,

including awards for long service for many of the volunteers.

One of my favourite hymns is Jerusalem and, whether linked to the Commonwealth Games or not I do not know, but I have sung this five times in a week at various services including a civic service in the lovely church of St Andrew in Thrapston.

At the start of August, East Northants Council staff made a tremendous effort to support my chosen charity, PROSTaid which supports those living with prostate cancer. The theme was 'fancy dress starting with P' which inspired some very imaginative entries including several pirates (one with his own alligator), several pandas, a pussy cat, a paramedic, a patient, a punk, a pink lady, a private, a psychic and even Peggy from Hi-de-Hi! Many thanks to all who took part; it was great fun and raised over £170 for PROSTaid.

And finally...I hope you're enjoying the good weather and will take this opportunity to go out and explore some of the fantastic places to visit around East Northants. For ideas visit [www.nenevalley.net](http://www.nenevalley.net)

**ENC Chairman, Cllr Gill Mercer**

## Have you had your Invitation to Register?

**If you have received an Invitation to Register letter from East Northamptonshire Council, it's because you still need to register under the new system. You can do this online at [www.gov.uk/register-to-vote](http://www.gov.uk/register-to-vote)**

Thousands of you were invited to register this month due to the changes in the voter registration system.

If you don't have access to the internet, please consider asking a family member or friend to help you complete the form online. Otherwise, fill in the form you were sent and return it in the pre-paid envelope provided. If you have problems completing the form, call 01832 742119. Please be aware that it will take several minutes to complete the form.

Most residents who were registered to vote have been re-registered automatically and the council wrote to them in July to let them know. This

happened because local electoral registration staff compared the names on their electoral registers to government records to confirm identities. This was done carefully through a secure system that was tested thoroughly.

For many different reasons some people have not matched against government records and therefore cannot be transferred automatically. For example, you may have moved home since the record was last updated.

Before, the head of the household was responsible for registering everyone who lived in the property. From 10th June, people in England register as individuals instead. So don't worry if some members of the household have matched and others have not. Just make sure you are in by completing and returning the form if you have received one.

To find out more about the changes please visit: [www.gov.uk/yourvotematters](http://www.gov.uk/yourvotematters)

## Council and committee meetings

**East Northamptonshire Council makes its decisions at council and committee meetings. Most of these are open to the public and start at 7.30pm in the council chamber, Cedar Drive, Thrapston.**
