### In Brief

#### Conservation at Ashton – have your say

Residents are invited to have their say on conservation proposals affecting Ashton.

East Northamptonshire Council is considering an extension to the Ashton Conservation Area, with an additional conservation area proposed for Ashton Wold, which is located to the east of the historic model village.

Consultation will run until 23rd May. The draft conservation area maps and conservation area appraisal and management plan can be viewed at [www.eastnorthamptonshire.gov.uk/consultations](http://www.eastnorthamptonshire.gov.uk/consultations)

#### New life for Drill Hall

Rutland County Homes is a local established building company that took on the project of converting the Drill Hall, within a conservation area in Oundle, into apartments.

The original buildings have been fully refurbished and extended to create eight elegant apartments set over three floors, offering superbly appointed accommodation.

For information on Rutland County Homes' latest projects please refer to the website. [Rutland-county-homes.co.uk](http://Rutland-county-homes.co.uk)

# Museum celebrates 10 years

This year Rushden Museum is celebrating its 10th anniversary, having first opened to the public in 2006. It will open on Saturday 7th May, and will once more focus its attention on First World War history.

Since that time the Museum has received many awards and after an extension in 2009, in The Old Stable Block at Rushden Hall, they have been able to host more

exhibitions and displays. A plaque to commemorate the completion of the extension, and Rushden Museum founder member Mrs Susan Hollowell was also unveiled.

The number of visitors has increased each year and local schools have also taken part in displays and tours.

This year the Museum will again

be concentrating on World War One and the year 1916. The main display will be a field hospital from the Somme and the Museum is seeking items relating to hospitals of that period. If you have any items that could be used in this display, the committee would be pleased to hear from you. Also there will be more on show, including a display of shops and buildings in Church Street, an ironmongers and much more.

Also, if you are a private collector and have a collection relating to this year and feel you would like to put some or all of it on display, the Museum would like to hear from you.

The Museum will be holding events throughout the year for members. The new President from February for 2016–2018 is Mr Clive Wood.

The committee would like to thank Mr John Harley, who is the retiring president, for all his hard work.

The committee is always looking for volunteers and new members either to help set up displays and/or when the museum opens. If you feel you could help for a couple of hours per month and also learn more about the town in which you live, please contact Mrs Gill Hollis on 01933 314787.

The committee would also like to thank everyone who has been involved in the Museum over the past 10 years for all their hard work.

# Letters to the editor

If you would like to submit a letter to the editor please send it to [news@nenevalleynews.co.uk](mailto:news@nenevalleynews.co.uk) for consideration. The maximum word count is 200 words.

Dear Editor,  
Noise Complaint:  
I have been noticing these past few weeks

that loud motorbikes have been causing lots of noise and hassle around my home on the Barrington estate in Rushden (off Bedford Road). I will only speak for myself but I know others have the same problem, not just near me, on the same estate, but in other parts of the town.

They are definitely disturbing my peace. They do laps all around the estate all day

long and even into the night, every weekend and a few weeknights, and occasionally stop to loiter outside people's houses revving the loud engines.

So I would like to request these motorbike people stop and find an appropriate place elsewhere. Residential areas are not for the recreational use of these types of vehicle; not least because one should not go more than

5-10mph anywhere in a residential area, and especially not when these vehicles cause such a loud, obnoxious sound from engines that I'm sure aren't even legal. And they also pose a risk to all the little children and others who play around the area.

I hope this cordial request can be respected so that no further action will be necessary.

## Thrapston Amateur Dramatic Society presents 'Party Piece'

Set in the back gardens of feuding neighbours, 'Party Piece' is a fast paced comedy. It is the night of Michael and Roma's fancy dress house-warming party. The evening looks set to be a lively one until a string of hilarious disasters strike, including a distinct lack of guests, a burning garden shed, a marauding Zimmer frame and the prospect of an irate husband on the prowl. Performances will take place from

Wednesday 13th April to Saturday 16th April 2016. Performances start at 7.45pm, doors open 7.15pm, at The Plaza, Cozy Nook, Thrapston NN14 4PS.

Tickets are £8 (concessions £6) Reserve your seat by calling the Box Office on 07543 321219 or booking online. Don't be disappointed by missing out, book now.

## Genealogy jottings

Many of your ancestors as children, if you trace back far enough, never attended school and child labour was common. An Act in 1870 established school 'boards' that were responsible for building and managing schools where they were needed but it was not until the 1880 Education Act that school became compulsory for children between the ages of 5 and 10. However, until a change in the law in 1891, a fee had to be paid and many people could not afford this. Although School Boards could waive 'all or part of the school fees of any child whose parents were in poverty' and therefore fund the costs themselves, some children were still kept away from school, as earning money to help the family was more important at the time.

However, have you ever looked at school records as a way of finding out more about your ancestors? When searching through them you will see reference to named voluntary or private schools as well as the National Schools. It

is common to see attendance drop off in country areas during the Harvest!

In Kings Cliffe there was a private school run by the Misses Howes as early as 1815 and by 1837, a Mr William Berridge was in charge of his 'Classical, Mathematical and Commercial School' at Fotheringhay. This was still operational in 1841 and the census of that year lists 16 pupils – all boys, of course! This number had increased to 24 by 1851 but had dropped to six in 1861 when William was running the school from the Fotheringhay Manor House. It would be interesting to see if those school records still exist. If so, they would probably be at the Northampton Record Office, where many others may be found. However, some schools do have an Archivist, so it is always best to contact the school (if it is still in existence) first.

## Editor's notes

First, an apology for the error in the last Editor's Notes suggesting that we put the clocks back in the spring; of course they went forward, giving us the extra hour of daylight in the evenings. It's gratifying to know that some of you are reading these pieces and are noticing mistakes; unfortunately, it was too far away from 1st April for me to be able to claim a connection with April Fools' Day!

At the risk of becoming boring on the subject of the seasons, it always seems alarming that, having reached spring and with temperatures on the up, we are within such close reach

of the Summer Solstice and the longest day of the year. This year it's 20th June, after which it's all downhill to yet another winter. Still, that's 10 weeks away and there's so much to be done before then and so many opportunities to get out and about. One thing not to be missed is the local display of bluebells, be they homegrown, imports from Spain or hybrids!

Thinking of summer and holidays, the consensus seems to be that travel to foreign parts will be less popular this year and that the majority of those intent on a UK holiday will be aiming for Cornwall. The unpredictable nature of

our weather makes this an obvious risk but the prospect of getting there and back by car, particularly from this neck of the woods, makes the prospect pretty daunting despite the delights on offer. Perhaps we should think about exploring areas more close at hand.

Finally, don't forget that you need to register with the Electoral Services Team at East Northants Council, elections@east-northamptonshire.gov.uk or 01832 742119, by 18th April to vote in the 5th May elections for the Northamptonshire Police and Crime Commissioner and, if you live in Oundle, for your Town Councillors.

# 'Outstanding' Ofsted report for county pre-school

Staff and children at a small Northamptonshire pre-school are celebrating an outstanding report from Ofsted following their recent inspection. The charity run Addington's Pre-School, based at Great Addington Memorial Hall, was praised for helping youngsters make the "best progress they can" and for its staff who "work tirelessly to support each child and their family."

Pre-school manager Julie Kirk said: "I am very proud of everyone involved with the pre-school and how hard they work. The outstanding report is acknowledgement of the enthusiasm and work of the staff, children, families and committee members."

The pre-school, which has been established for more than 20 years, is open 8.45am-12.15pm on Mondays and 8.45am-3.15pm Tuesday to Thursday during term times for funded and non-funded 2-4 year olds.

Parent Gilly Hall, whose daughter Daisy attends twice a week, said: "The pre-school is in a fabulous setting and has a great relationship within the village. All of the children seem to be extremely happy."

# Oundle School appoints new Director of Sport

Oundle School is delighted to announce the appointment of Mr Daniel Grewcock as Director of Sport from the start of the next academic year. Mr Grewcock comes to Oundle from Bath Rugby Academy, where he has been Academy Director since 2011. Under his leadership the Academy has become very highly regarded for the way in which it nurtures young players and the importance given to their wider education and development.

Prior to joining the education sector, Mr Grewcock enjoyed a distinguished career as a professional rugby player, with Coventry, Saracens and then Bath. He has 69 England caps, was selected for two British Lions tours and was awarded the MBE for his services to rugby. He is married with a daughter and a son.

Mr Grewcock will take up the position of Director of Sport at Oundle as the school progresses to the next stage with its Sports MasterPlan. The Plan incorporates the building of a new Sports Centre housing a 50-metre swimming pool, an eight court sports hall, a high-quality fitness suite and dance studios. The current athletics track

will be relocated and there will also be the installation of two additional astroturf pitches (making a total of four), 10 natural grass and 10 artificial cricket nets, 12 netball and 12 tennis courts.

Mr Grewcock said: "I am looking forward to the new challenge that Oundle has to offer with its well-established programme and considerable investment in facilities. I will be ensuring that sport continues to be an exciting, enjoyable and vital part of the balanced programme. I have had an unbelievable time at Bath - both as a player and in the role of Academy Director and have learnt a great deal over the last five years, worked with some fantastic people, and it is with a heavy heart that I

am leaving. I feel strongly about helping develop young athletes, and am thankful that I have the opportunity to continue doing this at Oundle."

The appointment of Mr Grewcock as Director of Sport and the significant development of Sports facilities demonstrates the importance of Sport at Oundle. In undertaking the role, Mr Grewcock will lead in all aspects of both traditional team and individual sports, ensuring that Oundle pupils develop healthy lifestyles and that they succeed personally in their chosen sporting direction. Working alongside the Director of Sport as Assistant Director of Sport and Head of PE will be Richard Finch. Richard is currently Director of Sport at Harrow International in Hong Kong, and was previously Head of Physical Education at St Benedict's Ealing.

The Head, Sarah Kerr-Dineen said: "We are delighted that Mr Grewcock and his family will be joining the Oundle community in September. He brings with him a wealth of experience of sport and a profound commitment to the place of sport in the education of all children and young people."

## St Peter's School

At St Peter's School in Kettering we know that every parent wants to give their child the perfect start in life in the form of the best possible education. Our intention is to build children up, to retain their sense of joy and wonder, and to instill social and academic confidence.

Founded as an independent preparatory school in 1946, we have established a reputation as a warm and friendly school with a strong family atmosphere. Every child

receives close individual care and attention in a safe and secure learning environment that offers plenty of scope for exciting and adventurous play, and sporting activity.

The curriculum at St Peter's School offers more than just the National Curriculum, with the development of reading and writing skills given high priority, strong emphasis on mathematics, English, and science, and the introduction of French at an early age.

Our small classes ensure that teachers know every child's ability and learning style and

the atmosphere is bubbling and happy.

The result is that St. Peter's School has an excellent academic record, with children leaving well prepared to go on to the schools of their parents' choice. Whether that choice falls in the state or independent sector, children are well equipped with academic and social skills and ready to meet the new challenges of secondary education.

You are warmly welcomed to make an appointment to visit us.

Give your child the perfect start in a school where small class sizes mean individual attention.

## Tributes paid at dance contest

Titchmarsh Folk Dance Club recently held another special evening in memory of

Margaret Chance, a long-serving member who tragically died in a road accident three years ago.

Members were invited to compose a traditional-style dance and submit their entries for judging by everyone who attended. Nine entries in a variety of formations were submitted and danced, and it was agreed that all were of a very high standard.

After voting, John Green was declared the winner, with Gill Tuke a very close runner-up. John is pictured receiving the trophy from club president George Hearndon. The club meets in Titchmarsh every Monday at 8pm for fun and dancing with a break for tea or coffee, and new members are always welcome.

## Residents relish Fairtrade breakfasts

'Sit down for breakfast, stand up for farmers' was the message of this year's Fairtrade Fortnight (29th February – 13th March). And so hundreds of people in Oundle sat down to Fairtrade breakfasts during the fortnight, enjoying Fairtrade products ranging from tea, coffee and hot chocolate to bananas, blueberry muffins, muesli and marmalade.

Martin Luther King Jr famously said: 'Before you finish eating breakfast in the morning, you've depended on more than half the world'. But many of the farmers who produce our food can't earn

enough to feed themselves or their families. Fairtrade is one way to help address this, as it is the guarantee that farmers are paid a fair price for their labour, with an extra premium for the community to spend as they choose.

Fairtrade breakfasts (and afternoon teas) were held in venues as diverse as the Library, the Golf Club, the Hub at Fletton House, St Peter's Church and several of the town's cafes and coffee shops. Schools were involved too, with events at Oundle Primary School and Fairtrade breakfasts for the pupils in all the boarding

houses at Oundle School.

Eleanor Rayden, who chairs Oundle's Fairtrade Town Steering Group, was delighted with the response. She commented: "By choosing Fairtrade products we know we are changing lives. There has been growing awareness of Fairtrade in Oundle since it achieved Fairtrade Town status in 2007, and all these breakfasts will have increased the benefits brought to those who grow our food. And as one Oundle School pupil asked, 'If this was a good idea for a fortnight, why can't we do it all the time?'"

# New volunteer-run diabetes support group starting in Oundle

**Diabetes UK are launching the new support group, aimed at those people in the Oundle area with Type 2 diabetes.**

The group also has the support of the Oundle Doctor's Practice, who are helping to promote the first meeting, to be held on Monday 18th April, 2.30pm-3.30pm at Fletton House, by publicising the event on screens in the local surgery.

This new group will be run by volunteers and after the meeting the group will be able to go downstairs to what is now a very popular

venue in Oundle, 'The Hub', for refreshments.

Everyone affected by Type 2 diabetes is welcome to go along to this meeting and have a say about what they would like from the group. They will provide regular opportunities for people of all ages to meet and offer peer support to people with Type 2 diabetes.

Barbara Palmer, lead volunteer of the group, said:

"I felt rather lost when I was first diagnosed. I was living alone and although I had close family to talk to, what I desperately needed was knowing someone else with diabetes. I realised that with the help of Diabetes UK, I could try and start a group in Oundle. The group will provide an opportunity for people to exchange their experiences and provide encouragement to each other."

Peter Shorrack, Midlands Regional Manager, said: "It is excellent news to see the launch of a diabetes support group in Oundle. It provides a great opportunity for people with diabetes

to share experiences, and to learn how to manage their condition more effectively from healthcare professionals who will be invited to speak."

Diabetes UK local groups offer people living with diabetes a chance to meet, share experiences and gain support from others with the condition. There are 4

million people with diabetes in the UK. 3.5 million have Type 1 or Type 2 diabetes, and around 550,000 more have Type 2 diabetes but don't know it yet.

To get further information about the group, please contact Barbara Palmer on 01823 274526 or email [oundlediabetes@gmail.com](mailto:oundlediabetes@gmail.com)

## Response to petition received by Oundle Town Council

Oundle Town Council received a petition recently which raised a question over the validity of positions of Councillors elected at the last ordinary elections to Oundle Town Council in May 2015, and the following advice has been received from the Returning Officer for East Northamptonshire, which clarifies the elected status of the current Town Councillors.

"The conduct of elections to town and parish councils is set out within the Local Elections (Parishes and Communities) (England and Wales) Rules 2006, enacted by the Secretary of State under section 36(2) of the Representation of the People Act 1983. The Local Government Act 1972 also provides a framework for the election of Councillors to parish councils, which is what Oundle Town Council is.

Within this statutory framework, there is no reference to the merits of a candidate elected unopposed or due to lack of candidates to

contest an election, as opposed to one subject to a vote. A candidate elected unopposed cannot be deemed unworthy of their elected status because others have failed to be nominated in the electoral process.

The law is quite clear that if someone is lawfully nominated to stand as a candidate for election and there are no other or insufficient candidates for a vote to be held, then they are elected. The manner of their election is irrelevant in terms of mandate, they have been legally and properly elected according to the statutory rules governing elections.

The assumption that a contested election must be held for a Councillor to have a mandate would mean that hundreds of Parish Councillors and the majority of Parish Councils in East Northamptonshire would have no mandate and we would be in a perpetual state of election. That would be a costly and unwanted scenario for the public, candidates and those administering elections."

## Celebratory beacon will mark Queen's 90th birthday

With just a couple of weeks to go before Her Majesty the Queen celebrates her 90th birthday, Northamptonshire County Council has announced plans to light a congratulatory beacon on the special day, Thursday 21st April.

At an event hosted by Chairman of the County Council, Cllr Phil Larratt and HM Deputy Lord-Lieutenant of Northamptonshire, Sir John Robinson, the beacon will be one of more than 200 lit simultaneously throughout the UK.

People are invited to attend the celebrations at Wootton Community and Sports Centre, Curtlee Hill, Wootton, Northampton from 6.45pm on the day, before the beacon is lit at 7.30pm.

Cllr Larratt said: "Our country has a tradition of celebrating significant

Royal occasions with the lighting of beacons and I'm delighted that we're able to celebrate this momentous milestone of Her Majesty the Queen's 90th birthday in this way.

"There's something very special about being part of this chain of beacons across the country and overseas and it would be great to have as many people along as possible to join in this wonderful occasion."

As well as throughout the UK, beacons will also be lit in the Channel Islands, Isle of Man and UK Overseas Territories.

# Luddington Church awarded Heritage Lottery funding

**St Margaret's Church in Luddington in the Brook, East Northamptonshire has received £159,400 from the Heritage Lottery Fund (HLF) to undertake vital repair work. The money has been awarded through HLF's Grants for Places for Worship programme.**

The 700-year-old parish church of St Margaret's is a Grade II\* listed building tucked away in the tiny village of Luddington in the Brook. Sadly, a deterioration in the condition of the building over recent years led to it being placed on the Historic England Heritage at Risk Register in 2014.

This grant will enable a programme of urgent repair works to the roofs, rainwater goods, masonry, and windows, as well as upgrades to the ground water drainage

system and installation of new heating.

In addition, the grant will fund the development of a range of activities to attract people to visit the historic building and surrounds. These include researching the village's landscape history and creating both a circular walk from the church and historical interpretation of changing settlement patterns; the creation of a wildlife area in the churchyard and working towards gaining a conservation churchyard award; the development

of a welcome leaflet and a children's heritage trail, and the creation of a website to publicise events and activities.

Commenting on the award, Sarah Wills (Churchwarden) said: "This is truly amazing news. We are thrilled to have received the support of the Heritage Lottery Fund and we are extremely grateful to everyone who has worked so hard to get us to this point, and to those who have pledged support for the next phase of this exciting project.

"This grant will enable us to restore the building and to preserve it for future generations to enjoy – something that was well beyond our modest means alone. We are also very excited about starting work on the programme of activities that will enable more people to visit this lovely building."

many with amazing views of the local area. Afternoon Tea will be served in the Village Hall from 2.30pm–5pm with homemade cakes and cream teas.

# Like to eat out and eat healthy?

**Choosing a restaurant serving tasty, healthy meals could soon become a lot easier thanks to the launch of Eat Out Eat Well.**

Eating out is part of everyday life, but it shouldn't always have to involve unhealthy eating. We're used to making choices based on calorie content and other factors when we buy and consume our food, and eating out shouldn't be any different.

Having healthy options on the menu is important when making the decision to eat well and stay healthy.

That's why East Northamptonshire Council is introducing a new award scheme called Eat Out Eat Well that rewards caterers for offering healthier food choices to customers.

Most catering premises that serve food to the public are eligible for the award, including restaurants, cafes, hotels, workplace and hospital restaurants, and pubs. The level of award is

based on a scoring system that takes into account the type of food on offer (plenty of fruit and veg and less sugar and salt), cooking methods (grilling, not frying), and how businesses promote healthy choices to their customers, particularly on children's menus. The higher the score, the higher the level of award.

Steven North, Leader of East Northamptonshire Council, says: "We have some great restaurants and cafes in East Northamptonshire and we want to work with them to provide healthy options

for customers who enjoy eating out with family and friends. We hope that more caterers become part of this initiative, to ensure that in East Northamptonshire there are always healthy choices on the menu."

Principal Linda Brooks of the Manor Learning Trust

adds: "We are very proud to receive the Eat Out Eat Well award as food and nutrition is our catering manager's passion. We want students to not only recognise the food on their plate, but to develop an understanding of their health and nutrition, and the impact this has

on their learning and education.

"It is extremely satisfying for us to be recognised for our commitment to promoting healthy eating to our students. Well done to our catering manager and the catering team for making this possible."

To find out which businesses in East Northamptonshire already have the award, go to our website [www.east-northamptonshire.gov.uk/eatouteatwell](http://www.east-northamptonshire.gov.uk/eatouteatwell) or look for the award sticker in catering establishments that are part of the scheme.

# New shops in Oundle

Dick Simpson and David Burnett have extended their brewing space at the Wharf in Oundle, giving them some three times the existing brewing capacity, and have also created a welcome boost to the local economy by introducing new retail units and first floor office spaces.

They needed the extra space to keep up with demand for Nene Valley Brewery beers but have taken the opportunity to add four brand new shop units, which will be let primarily to fellow food and drink related businesses. Hambleton Bakery has taken one unit and is already open for business, linking with the existing Tap and Kitchen restaurant and bar to offer a coffee and cake

option.

Dick Simpson said that they would love to find someone who would like to set up a deli/cheese shop/farm shop at the Wharf. Is there anyone out there with a burning ambition to bring top quality local foods to Oundle in an independent shop?

One of the existing tenants at the Wharf, the bike shop The Gorilla Firm, has extended its premises and now offers a state-of-the-art bespoke bicycle fitting service.

Finally, the offices on the first floor (a total of 3,000 square feet) are available for small businesses who want to work in a buzzing riverside quarter.

# Easter fundraiser a success

An Easter Craft and Cream Tea event was held recently at The Heritage Halls in Rushden in aid of the Haematology Department at Kettering General Hospital. As well as the usual fundraising stalls such as raffle and tombola there were demonstrations of cold porcelain flower making, spinning and weaving.

Craft stalls included knitted dolls and baby clothes, handwoven items and handmade jewellery. Cream teas were enjoyed by visitors and the afternoon raised over £829. All the money has been donated

to the Haematology Endowment Fund at Kettering General Hospital to be spent on accredited training for staff. The organisers thank The Heritage Halls for hosting the event, numerous people

and businesses who donated items, the army of helpers who helped with the planning as well as manning the stalls and kitchen on the day, not forgetting of course the people who turned up to spend some money!

# Rushden team shines at Tchoukball UK championships

The Tchoukball UK National Youth Championships took place on 12th March at the Alexandra Sports Hall in Bedford. Teams from London, West Midlands, Suffolk, Hertfordshire and Northamptonshire battled it out for the top spot.

Rushden Academy entered a team into the U16 category and came overall runners up in the Tournament. The competition could not have been closer, with the top two teams (Rushden Academy and Thurston Community College) finishing the league on exactly the same points.

Unfortunately the title was given to Thurston due to the head-to-head game played earlier in the day.

The Rushden Academy squad consisted of 12 players that have been learning the game in their PE lessons and also training hard on Wednesday evenings since January.

The Tchoukball UK staff were surprised at the talent that came from Rushden who have previously never entered the competition before.

The Rushden team's coach, Mr Hall said: "I am extremely proud of how the team performed on the day and gave some of the more

experienced teams a run for their money. To place second in a national competition when it is their first time playing in a competitive match is an amazing achievement.

"I first encountered Tchoukball when I was at university, where I completed my level 1 coaching course. I really like how the sport is

fully inclusive and its ethos promotes fair play and sportsmanship.

"I was happy to be given the opportunity to share my experience by introducing the sport to Rushden Academy and discovering this previously unknown talent."

Team captain Sam Burke said: "I was very surprised at

## Celebrating 'The Bard'

From April, public libraries across Northamptonshire will be organising events to mark 400 years since the death of William Shakespeare.

Shakespeare died aged 52 on his birthday, 23rd April 1616. Widely regarded as the greatest writer in the English language, he is often called England's national poet, so it seems fitting that 23rd April is also St George's Day.

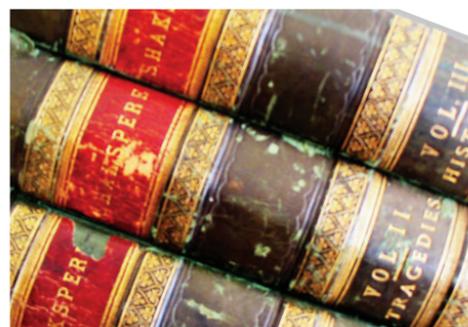

Across the county libraries will be running quizzes, treasure hunts and craft activities for children. There will also be a variety of events for adults, often being organised by library Friends' Groups.

In Oundle, the Friends have invited members of Oundle U3A's Shakespeare study groups to do readings at the library on Thursday 21st April. Starting at 10.30am the theme will be music and there will be speeches and sonnets, including extracts from Twelfth Night, Hamlet and The Merry Wives of Windsor. The event is free.

Jenny Smith, secretary of the Friends of

Oundle Library said: "It seems obvious, but Shakespeare wrote for the stage, so hearing the words spoken is always a treat. Our U3A readers love sharing their expertise and bring the words to life."

There will also be free craft sessions for children at Oundle Library – making quill pens, swords and shields – on Wednesday 27th April and 4th May at 3.30pm.

Find out about Shakespeare events at your local library by visiting [www.northamptonshire.gov.uk](http://www.northamptonshire.gov.uk).

## Charity donation for Huxlow Science College

The Design Technology (DT) department at Huxlow Science College has received a donation of £8,280 from the Finedon Educational Charity, to purchase a set of 24 laptops for students to use in DT.

Miss K Campbell, Assistant Learning Leader for DT said: "This equipment will make a difference to every student that does Design Technology throughout Key Stages 3, 4 and 5. They will be able to use the laptops for a wide variety of activities including laser

cutting, 3D printing and their coursework."

The Finedon Educational Charity was founded in 1980 to, 'promote the education and development of young people living in Finedon'. A piece of land that was left to the charity has since been sold and the money invested; the income from the investment is made available to individuals, groups or schools in and around Finedon for

educational purposes.

Huxlow were pleased to welcome trustees of the charity, Revd Richard Coles and Brian Foster, on Thursday 3rd March 2016, who toured the DT facilities, talked with students and presented a cheque.

Mr Foster said: "We have given away £43,863 during the year. It's a legacy that was left to us which we are now passing on to whoever comes to us."

## Diamonds Diary

Will we have an exciting end to the youth season? You'd better believe it! Let's look at some of the league tables, see where the excitement lies...

2. AFC RUSHDEN & DIAMONDS WHITES	14	11	1	2				31 34
3. Ise Lodge Youth	12	8	1	3				28 25

In addition, our under 12 Girls are into the semi-final of the league cup after brushing aside Welland Valley. Awesome stuff!

Call to all - come and support the AFC under 12s in the League Cup Semi-Final, FC Aztec v AFC Rushden & Diamonds, 16th April 10.30am kick off at the Montsaye Sports Centre Rothwell.

So, as you can see we have a plethora of edge-of-your-seat situations developing throughout the club, I'm struggling to contain my excitement at the prospect of the coming weeks. Also, I did manage to fit in our under 16s 1-1 draw away at Great Doddington, a great result as they had to play the match with 10 players. This game followed on from our under 10s giving themselves nine things to brag about at school in that morning's

big local derby game versus Rushden & Higham Utd.

Next time out I have some very interesting news about our Little Diamonds, we have some big plans...

See you next time

Mark Cullen, AFC Rushden & Diamonds Youth

## Diamond Days:

Senior team action from the last 2 weeks.

02/04/2016

If Leicester can do it...

236 people watched Diamonds do a Leicester and win 1-0  
League position: 5th

AFC Rushden & Diamonds recorded a vital 1-0 victory over strugglers Leighton Town on Saturday afternoon at Bell Close.

Diamonds had the better of the first half and created numerous half-chances, with both Jack Ashton and Tom Manship seeing efforts cleared off the line and Tom Lorraine flicking a header wide when well positioned. Manship also volleyed a presentable opportunity over the bar from the edge of the box and Andy Hall saw a corner kick cleared close to the goal-line, though an effort by home midfielder Joe Nyama that flew narrowly wide reminded the visitors of Leighton's danger.

The opening, and ultimately winning, goal arrived in the 49th minute as a long free-kick into the Reds' area was headed away only to Elliot Sandy, and though his goal bound shot was blocked, it fell perfectly for Tom Lorraine to control and hit the ball home from close range.

With a couple of midfield fifty-fifty's resulting in stoppages, there were four additional minutes to the end of the half. Diamonds had one last chance before the whistle as a Hall free-kick found Liam Dolman, and his flick-on in turn found Lee to lash a volley over the bar. The whistle was then blown on an entertaining and event-filled half full of half-chances but with little in terms of clear goal scoring opportunities.

The sun, which had been prevalent for the majority of the opening period, had now given way to an intermittent breeze

sweeping across the playing surface, and both sides returned to the pitch with the game on a proverbial knife-edge as the game resumed.

In comparison to the enterprising and quick pace of the first half, the early stages of the second half were relatively quiet with the Diamonds continuing to close down the hosts quickly and with efficiency.

The home side hadn't threatened greatly in the second half, but the longer the game went on and the longer the score remained 1-0, the more Leighton felt confidence to grab an equaliser. In the 74th minute a quick throw-in saw the ball passed across to James Hatch 25 yards out, and his fierce effort flew just over the crossbar.

After five minutes of added-on time, and a couple of bookings for Leighton players, referee Barry sounded the whistle for the end of the contest and for a hugely important three points for the Diamonds.

# Thomas returns to the tracks

After a 2-year absence Thomas, the little blue engine, will be steaming at his home the Nene Valley Railway this summer.

The finishing touches are currently being carried out in the Railway's own workshops and he is set for his first two big events in June and July.

The all-important dates for the family diary are 11th & 12th June and 9th & 10th July.

Rather than everybody having to travel directly to the Railway's main Wansford station, Thomas fans will be welcomed to any of the Nene Valley Railway's stations and can jump onboard the big steam train there, paying only a single ticket price which will include everything including travel up

and down the whole of the line, entertainment and the all-important ride behind the star of the show, Thomas.

For those who choose to travel directly to Thomas's Wansford home, the ticket price will include a ride on one of his bigger friends all the way along the line to Peterborough and back.

Wansford station will be transformed into a very special place where children will be sure to recognise the characters dotted about, and Thomas fans can expect plenty of fun with the superstar engine doing what he does best: pulling his special branch line train through the tunnel, giving all the boys and girls a ride.

The all-inclusive ticket prices are £16 Adults, £13 Seniors, £8 Children or £50 for two adults and three children – a saving of £12. Advance bookings may be made at [www.nvr.org.uk](http://www.nvr.org.uk) For more details 01780 784444.

# Swimming to victory

On 12th & 13th March, 21 swimmers from Rushden Swimming Club took part in the Mid Beds Open Meet in Biggleswade. It was a fantastic weekend with many PBs gained. The swimmers brought home 58 medals between them, 15 gold, 21 silver and 22 bronze! Another member of the group also qualified for the Regional Championships and a further eight qualifying times were met.

The following weekend, 19th March, saw RSC competing in the 3rd round of the Leicester Winter League. The B Team were at Loughborough and gave a sound performance, finishing 1st on the night and

taking themselves to 9th in Division 2. The A Team had a very tough final at Braunstone, but held on to finish 4th on the night taking themselves to 4th in Division 1.

All swimmers proved that their continued training and dedication is paying off.

For more information on Rushden Swimming Club please visit the website [www.rushdenswimmingclub.co.uk](http://www.rushdenswimmingclub.co.uk), search the Club on Facebook or go along to Splash Leisure Pool, Rushden; The Club welcomes all swimming enthusiasts from Key Stage 1 upwards.

# Real cheese, please – Mushroom rarebit

I'm with Delia Smith: cheese is one of nature's supreme culinary gifts. It's something we've been eating as long as we've been milking animals, keeping traditional communities healthy during winter and lean times, with the texture and flavour varying as much as the people that make it.

This recipe celebrates the gift of cheese by making sure not a single crumb is wasted. Make up the total weight of cheese with any odds and ends of different types of hard cheese you have in the fridge. For the beer, I used one of Nene Valley Brewery's. Increase the vitamin D in the mushrooms (handy for absorbing the calcium in the cheese) by leaving them in bright daylight for at least half an hour before you use them.

**Ingredients – serves 2 as a main course or 4 as a starter**

4 large field mushrooms  
Approx 225g strong flavoured hard cheese  
1 small onion – grated  
3 tablespoons beer  
1 teaspoon wholegrain mustard  
1 medium egg  
1 teaspoon of fresh or dried mixed herbs

## Method

Gently grill the mushrooms until cooked to your liking. Mix the remaining ingredients in a bowl. Place the mushrooms stalk side up in a dish. Spread the cheese mixture over

By Catherine Burbage

the mushrooms and grill under a medium heat until the cheese is bubbling and melting. This dish is very rich and satisfying so needs nothing more than a green salad to turn it into a meal.

# Together for Cransley 2016 concert announces final total

Raunds Ukulele Orchestra and A Different Direction Choir are very proud to announce that their Together for Cransley concert on Saturday 12th March 2016 raised an amazing £2,322.25! Musical director of both groups, Chris Gammon, visited the hospice on Tuesday 29th March to present the final cheque.

The concert was a sell-out, and the 140-strong audience enjoyed a varied programme of uke and choral music – the collaborative pieces proved particularly popular.

An auction of gifts and promises from individuals and local businesses raised more than £650, while the raffle of 40 prizes contributed over £450.

The total far exceeded the initial £1,000 target. Cransley Hospice is continually striving to develop so that they can offer a greatly enhanced service to more people. They have recently extended the care they provide throughout the community and in patients' homes to a 24/7 service. More patients can be treated at their place of choice than ever before. The money raised on the night will make a real difference to

the Hospice's planned developments.

Both groups have close links with the Hospice. Some members of the choir work at Cransley, while members of both groups have experience of close friends or family members using their services. The plan is to make the concert an annual musical celebration and raise more money for this valuable and important charity.

If you'd like to sing in the choir or join the ukulele orchestra, there's never been a better time than now. The two popular groups meet fortnightly in Raunds: the choir meets on a Monday evening and the Ukes on a Thursday. They are always open to new members and promise a warm, friendly and informal atmosphere. For more information, visit either group's website: [raundsukulele.co.uk](http://raundsukulele.co.uk) or [adifferentdirectionchoir.co.uk](http://adifferentdirectionchoir.co.uk) where you can find the next rehearsal date or drop Chris an email.

Finally the groups would like to say a big thank you to all the local businesses, individuals, friends and family members who helped make Together for Cransley 2016 such a phenomenal success.

**SUBMISSION OF THE NEIGHBOURHOOD DEVELOPMENT PLAN FOR THE PARISH OF CHELVESTON CUM CALDECOTT (THE "CHELVESTON CUM CALDECOTT NEIGHBOURHOOD PLAN 2016-2031"):** CONSULTATION UNDER REGULATION 16 OF THE NEIGHBOURHOOD PLANNING (GENERAL) REGULATIONS 2012

Notice is given, that on 16 March 2016 Chelveston cum Caldecott Parish Council submitted a draft neighbourhood development plan (the "Chelveston cum Caldecott Neighbourhood Plan 2016-2031") to East Northamptonshire Council, under Regulation 15 of the Neighbourhood Planning (General) Regulations 2012 (as amended).

**The plan proposal**  
In accordance with Regulation 16, East Northamptonshire Council is now consulting upon the draft Chelveston cum Caldecott Neighbourhood Plan. Comments are invited, regarding whether the 'plan proposal', as submitted under Regulation 15 (the draft Neighbourhood Plan and supporting documentation) fulfils the "basic conditions", as required by paragraph 8 (1) (a) (2) of Schedule 4B to the Town and Country Planning Act 1990 (inserted by the Localism Act 2011). The plan proposal, as submitted, comprises the following documents:

- A map identifying the area to which the proposed neighbourhood development plan relates;
- A consultation statement;
- The proposed neighbourhood development plan;
- A statement (the "Basic Conditions Statement") explaining how the proposed neighbourhood development plan meets the requirements of paragraph 8 of Schedule 4B to the Town and Country Planning Act 1990.

**The basic conditions**  
Representations received under Regulation 16 regarding the plan proposal will be forwarded to an appointed examiner, who will assess the Chelveston cum Caldecott Neighbourhood Plan and supporting documents against five basic conditions. These require that the plan:

- Has regard to national policy and guidance from the Secretary of State;
- Contributes to sustainable development;
- Is in general conformity with the strategic policy of the development plan for the area or any part of that area;
- Doesn't breach or is otherwise compatible with EU obligations - this includes the SEA Directive of 2001/42/EC; and that
- The making of the Neighbourhood Plan is not likely to have a significant effect on a European site (as defined in the Conservation of Habitats and Species regulations 2010(d), either alone or in combination with other plans or projects.

**Submitting representations under Regulation 16**

# Chess Corner

By Derrick Sims

**Rushden C travelled to Northampton for a second away game against Chess Mates' D team. The previous encounter had resulted in victory for the Rushden warriors but nothing was taken for granted against the higher graded chessers from Northampton.**

Rushden were missing Sarah Collins, who was taking a well-deserved break in London. New boy Richard Ellis stood in at the last moment to ensure a full strength team.

Your erstwhile reporter was first man to fall, when a decidedly dodgy opening led to a pawn down and a fork on my Rooks from Tommy's rampaging Knight. The Knight capture was poor consolation against such a devastating loss. It would be nice to report that I made an incisive countermove that had Tommy reeling on the ropes. Alas, this was not the case and things went from bad to worse when my Knight was trapped. In the face of such an embarrassing debacle,

resignation was the only sensible option.

Meanwhile, on board 2, Tom Murts was making a good fist of it with a cagey game against Mick Buswell. Despite Mick's best efforts he was unable to best the Rushden man and in the end an honourable draw was agreed. Nigel Turner got into all sorts of trouble on board 1 when his Grob opening turned bad against Richard Ellis. Richard pounced on the Northampton player with all the guile of a panther in full flight while he was back-peddalling from a failed sacrificial attack. Richard's victory left the teams tied after 3 boards.

On board 5, Eddie Francolini was wondering what had happened to his pawns

after managing to lose 3 of them in 14 moves. Tomkins was happy to exchange pieces with his nice little pawn cushion and this proved decisive in the endgame. James 'wheels of fire' Wicks in the meantime had found himself in a decidedly dodgy endgame against Northampton captain, Andy Reed. At this point I remarked to

Richard that James needed a miracle to win, so there came a thunderclap and flash of lightning and an Easter miracle was experienced in a Northampton Working Men's Club that very evening. Andy was blinded by the revelation and missed the killer move, leaving James to harry his King, mating him in 13 moves.

**Chess Mates D 2½ - 2½ Rushden C**  
Bd1: Nigel Turner (121) 0-1 Richard Ellis (123)  
Bd2: Mick Buswell (102) ½ Tom Murts (61)  
Bd3: Andy Reed (93) 0-1 James Wicks (68)  
Bd4: Tommy Tomalin (93) 1-0

Bd5: Aneurin Tomkins (U) 1-0

Chess is a game for people of all abilities, disabilities, and lifestyles. Rushden Chess Club loves welcoming new members, so do come along to a meeting if you're interested in playing chess in a very friendly environment.
