## Oundle outfoxed by Fitzwilliam Hunt

A brave chase wasn't enough to end the Fitz' winning streak. Read the Oundle Young Farmers' match report.

With England's defeat in the First Test at Lord's it was up to us to provide the weekend's cricketing fix.

Oundle Young Farmers hosted the Fitzwilliam Hunt in an annual Twenty20 match at Barnwell Cricket Club on Sunday 17th July. With the Fitz winning the toss and choosing to bat it was up to us to limit the scoring

with some tight, accurate bowling.

The Fitz started well with a composed 27 by Philip Baker giving room for acceleration later on. Despite this, Oundle kept to their promise with consistent bowling limiting the scoring at other end.

This, alas, was not to last. With the score held pleasingly at 38-0 after eight overs we brought on Will

Abbott with the hope of blasting through a few Fitz wickets.

A very rapid over dutifully ensued, much too quick for the batsmen but sadly too fast for our wicket-keeper also. Fourteen runs were scored – none of them off the bat.

Despite a few quick wickets from Marcus Codman the floodgates started to open. Harry Codman held the Hunt innings together with a rapid 22 with good contributions from others further down the order.

With the innings done, Oundle had a mountain to climb: 148 needed for

a famous win.

Fuelled up with home-baked cake and a hot dog from the barbecue, we set off.

A brisk start saw a first wicket stand of 40 between Sam Dally and your author off a tidy five overs.

With the occasional dismissal, Oundle crept assuredly towards their target. Helpful contributions of 23 by Marcus Codman and 25 Will Abbott kept us hoping.

With brave batting from Tom Martin, Oundle entered the last five overs needing 42 runs with three wickets in hand.

Although not impossible, runs were not being scored quickly enough. Despite increasingly frenzied running between the wickets, Young Farmers could only leave the last pair six balls to get 12 runs.

Sadly, it was too much to ask. Some good death-bowling stemmed the runs and gave Fitz their third win in as many years.

A generous raffle ended what had been an entertaining afternoon. Maybe we need to commission an urn...

Aged between 14-26 and think you could do better? Please join – it could be you leading us to victory next year! Search us on Facebook or follow us on Twitter @OundleYF to find out our next Wednesday meeting.

# Editor's notes

A slightly truncated version of the Notes this time because we are in the middle of what appears to be the current fashionable holiday option, the "Staycation" (who thinks of these expressions). The airport ordeal or the Tunnel and Ferry delays mean that going abroad is, for us at least, a very unattractive option; so, after a short stay in north Norfolk, which again appears to be one of the season's preferred solutions for those choosing to holiday locally, it's time to catch up with friends in more distant parts. However, even modest trips around the England, in this case Shropshire, Derbyshire and Yorkshire, are less enjoyable than one might hope because of the sheer weight of traffic on our roads; at least one of us has the time to relax and enjoy the scenery.

Perhaps as part of one of the more

fortunate sections of the human race we can be divided between those looking for the nostalgic pleasures derived from returning to places where we once lived, and those seeking the excitement of new experiences and activities, or maybe we all have a bit of both within us.

Certainly, holidays give us the opportunity to indulge these two elements in a more tangible way than simply delving through the web. Of course it's not always the case that we get the satisfaction we anticipate at either end of the scale because maybe the once favourite haunt has changed beyond recognition or the new adventure turns out not to live up to our expectations. At least a holiday is something we can enjoy anticipating... and it's different... and those are other elements of our psyche which we all seem to need to indulge.

# Letters to the editor

If you would like to submit a letter to the editor please send it to [news@nenevalleynews.co.uk](mailto:news@nenevalleynews.co.uk) for consideration. The maximum word count is 200 words.

Dear Editor,

I read with interest the concerns of Christina White and hope that the following information will be of help and interest to Christina and your readers.

The pedestrian and cycle access to and from Rushden Lakes was a key consideration when the application was first considered.

The inclusion of a foot and cycle bridge has been agreed and is to be built over the A45 from the Waitrose end linking the site to the town and ensuring safe and easy access. New signage will link it to the Crown Park/Paddocks.

This will complete the missing piece of the jigsaw and link to Rushden, Higham Ferrers and Irthlingborough, so that users can access Rushden Lakes via this green route.

The Developers are on board with the Greenway Programme and have contributed to the development of phase 5 which connects Rushden Lakes with Stanwick Lakes through to the Ditchford Bridge.

Details of plans for extending the Greenway further still can be found here at <http://www.east-northamptonshire.gov.uk/greenway>

The developers are also working with the Wildlife Trust to create other foot and cycle paths around the site making it easy to access with or without a car.

For more information about the development, visit <http://www.rushdenlakes.com/index.html>

I hope this helps and if I can be of any further assistance then please contact me.

I am also Chairman of the Greenway board and Leader of Rushden Town Council.

Kind regards

Sarah

# Genealogy jottings

Have you ever found a potential ancestor but are not quite sure whether or not to claim them? Sometimes, surnames are common in villages and towns and, as generations grow and people still remain, trying to sort them out can seem like trying to knit fog! I found that this was the case with one of my branches – so much so that it ended up as a one village study!

However, one thing that might help you are naming patterns. Children were often – but not always – named after parents, grandparents, aunts and uncles. Not very imaginative, eh? However, it can sometimes be of assistance.

These are the traditional naming patterns for England and Wales that were in use between 1700 and 1875:

- First son was named after his father's father.
- Second son was named after his mother's father.
- Third son was named after his father.
- Fourth son was named after his father's oldest brother.
- Fifth son was named after his father's second oldest brother or mother's oldest brother.
- First daughter was named after her mother's mother.
- Second daughter was named after her

father's mother.

- Third daughter was named after her mother.
- Fourth daughter was named after her mother's oldest sister.
- Fifth daughter is named after her mother's second oldest sister or father's oldest sister.

Over the years, the introduction of a middle name started to become popular, often to differentiate between members of the same family with the same first name, such as father and son.

One handy thing to be aware of, though, is that if a mother was not married to the father of the child, it also became widely accepted to use the father's surname as the middle name of the child. One of my ancestors, Mary Ann Dean Cross was so named and was the illegitimate daughter of Sarah Cross and William Dean. This helped Sarah to claim support from the local Poor Law Union.

Have a look at the naming patterns in your own families to see what clues they hold.

# Bin collections in East Northants

East Northamptonshire Council (ENC) is asking residents to have a little patience when it comes to bin collections across the district.

A significant number of residents are getting in touch with ENC to complain that their bins haven't been emptied, only to find that the bin men have not yet reached the address.

At the moment, your bins could be collected separately. The crew may empty your food waste bin and then go back to your property at a later time to empty your refuse/recycling bin (or vice versa).

This doesn't mean they have forgotten your second bin, they just need to return with a different truck to make sure your waste is dealt with correctly, recycling as

much as possible.

Collection times may vary, so please don't forget to present your bins by 7am on your collection day, or the night before if you prefer.

Both bins should be collected by 3pm. If, after 3pm, you still have waste in your bin, please report it to ENC. You can do this online at [www.east-northamptonshire.gov.uk](http://www.east-northamptonshire.gov.uk)

using the 'Report a missed bin' icon on the homepage.

This form covers household refuse/recycling, garden waste and commercial waste.

Once your form has been received, ENC will arrange for Kier (their contractor) to return to your

property within one working day. You will be asked to leave your bins at your usual collection point.

Please be assured that ENC processes online and phone reports of missed collections in the same way, they do not give priority to reports by phone.

If you are new to the area, or need a reminder about bin days, please visit [www.east-northamptonshire.gov.uk/bincollectiondates](http://www.east-northamptonshire.gov.uk/bincollectiondates)

## Advice Bus to bring housing, benefits and financial wellbeing advice to residents of Irthlingborough

As part of their campaign to take advice out to the communities of East Northamptonshire, Community Law Service (CLS) will be taking their Advice Bus to Irthlingborough on Thursdays 4th and 11th August.

The bus will be at Crow Hill Community Centre Car Park between 10am and 12 noon each week and at The Cross Car Park between 1pm and 3pm. Specialist advisors will be on hand

offering free energy saving devices, welfare benefits, housing and money advice and information about their services.

CLS are celebrating over 10 years of successful delivery of their advice services to the residents of East Northamptonshire. Two successful grant applications to East Northamptonshire Council have seen the services available to residents grow and the establishment of a new Advice Centre at 32 High Street Rushden.

The most recent three year grant from the Council was awarded in April 2014 and funding from a number of other sources including the Money Advice Service, British Gas Energy Trust and Children in Need has added to the support available for local residents.

CLS provide specialist advice in welfare benefits, debt, housing, financial capability, immigration and employment law. In the two years from April 2014 to March 2016 advice has been provided for 4,162

local residents. Residents have been helped to claim £4,186,534 of additional benefit and grant income and to manage £11,828,614 of debt.

Julie Silver, Chief Executive of Community Law Service said: "One of the aims of the Service has been to improve residents' access to advice by providing advice at community based venues throughout the East Northamptonshire area; the advice bus is a great way of achieving this and

we are really pleased to be able to utilise this valuable resource."

To date over 1,000 people have accessed advice in the community. Staff have

attended over 76 community events and run campaigns raising awareness of loan sharks, benefit take up, energy saving, financial capability and payday loans.

All advice is free, independent and confidential. For more details contact CLS on 01933 313020 or visit [communitylawservice.org.uk](http://communitylawservice.org.uk)

# From the East Northamptonshire Chairman

**On 10th July, I was the guest of the Mayor and councillors of Kettering at their Civic Service at St Giles Church, Desborough.**

This was the first time I had visited Desborough and I was very impressed by the church. This was also a good opportunity for informal discussions with colleagues from other districts in our county on our work.

On 13th July, at a private ceremony in the Chief Executive's Office, I handed our former East Northamptonshire Council colleague, Pauline

Bradberry JP, the insignia of Honorary Alderman. Pauline had been unable to attend the Council's Annual Meeting in May. Pauline, who retired as councillor for the Fineshade Ward, in the north of the district, at the end of the last council term, was an able and highly regarded colleague. Her services included the Chairmanship of the Planning Management Committee, a very challenging role, where her

experience as a magistrate stood her in good stead.

On 14th July, I was the guest of the Oundle Community Pre-School at the official opening of their new, outdoor nature area at their premises at Fletton House, by Dr Elizabeth Grantham, founder of the pre-school in 1963. I have known the pre-school for many years as an excellent voluntary organisation of considerable value to the early years' education of

children there. At a time, when there was a question mark over the future of the Fletton House building as a whole and I was a county councillor, I helped in the negotiations which achieved the transfer of Fletton House by the County Council to Oundle Town Council – who have since refurbished it as a 'community hub' – to the benefit of Oundle.

On 15th July, at East Northamptonshire House, I attended presentations by

pupils of The Ferrers School, Huxlow Science College, Manor School and Sports College and Rushden Academy for the 'Business Dragons Event 2016'. The teams from these schools all gave very impressive performances. My role was to present the Council's award for the winning teams, which were:

- Overall – the CompleTea, Huxlow Science College
- Best presentation – the MicroMove, The Ferrers

School

- Most original idea – Zeus, Manor School

This was not an easy judgment for the judges and the fact that not all teams won awards does not reflect at all adversely on the others. Competition, especially in Commerce and Industry, is a significant factor in our free society. To the teams who did not win this year, I wish them "Better luck next time"!

*Cllr Rupert Reichhold*

## Wellingborough Mayor opens athletic club exhibition

On Friday 15th July, Malcolm Waters the Mayor of Wellingborough visited Wellingborough Museum to open the Wellingborough & District Athletic Club exhibition space, representing 24 years of the club's achievements.

The Mayor opened the exhibit alongside Club Chairman Jon Kemp. The display features the different club vests along with newspaper clippings from over the years as well as a small collection of the trophies the club has been awarded. The Chairman describes the exhibition as: "A wonderful display leading up to and during the Olympics showcasing 24 successful years of the local club."

After the Mayor cut the ribbon, he discussed the increase in people wanting to get fit and commented: "Tremendous exhibition, tremendous running; a

perfect solution for enjoying oneself, keeping fit and healthy while also socialising with other community members.

"We look forward to 25 years of the club next year and are pleased to see it grow in popularity. It's good to see local runners on their weekly runs and welcome

the support by the local community as the runners go out and represent the club locally and nationally."

The space was offered to the club by the museum to promote local sport during the Rio Olympics. The organisers hope the exhibition inspires more people to get into fitness.

# Artists put Chichele heritage in the frame

Northamptonshire has many fine buildings, with Chichele College in Higham Ferrers being amongst the most historic. It is surprising therefore that many local people are still unaware of its delightful architecture and ancient history.

A significant number of visitors to Marlene Snee's and Tamsin Edwards' recent art exhibition in Chichele admitted that they had never stepped within the college walls before, and all were very impressed with this local 'hidden' heritage site.

The two artists have long loved exhibiting their work within these atmospheric walls and feel that

the blend of historic culture and contemporary artwork make a perfect combination.

Despite the rather damp weekend weather, there were many interested visitors to the art show, including the wonderful surprise guest Annabel Amos from BBC Radio Northampton's 'Treasure Quest' programme. Tamsin and Marlene were delighted to have

been chosen to be one of the 'clue destinations' for this very popular radio show, and greatly enjoyed meeting both Annabel and 'Driver Reginald' in person.

The weekend exhibition attracted a great number of art lovers not only from Northamptonshire but also from nearby counties, with many leaving very positive comments in the visitors book

about the work they had seen on display.

Marlene and Tamsin are now both busily working on a new collection of artwork to

showcase at their forthcoming 'Northamptonshire Open Studio' exhibition. Marlene will be throwing open her 'home studio' doors (15 Nichols Way, Raunds, NN9 6SB), from Saturday 27th August until Sunday 4th September to interested visitors, and will be demonstrating and giving helpful guidance to budding artists throughout the week.

# Advice Column

The Citizens Advice service is a network of charities, local and national, that between them provide advice to millions of people each year. Here, experts from Central and East Northamptonshire Citizens Advice provide answers to typical questions. Readers willing to have their enquiry anonymously published (editor's decision final) can email Nene Valley News direct news@nenevalleynews.co.uk. Please mark such enquiries 'Citizens Advice Column' in the subject line.

"I've just received a £2,000 gas and electricity bill for payments going back two years. I'm not sure if I owe this money – what should I do?"

Problems with energy companies are usually in the 'top 10' of most local Citizens Advice offices' consumer enquiries, and not just during the winter months. In your case, the first thing you should do is work out whether your energy supplier has made a mistake.

Your supplier may have the wrong meter reading or your meter may not be working properly. They may even have sent you someone else's bill. Take a

meter reading then call your supplier to discuss your bill.

If your supplier hasn't sent you an accurate bill for more than a year, they shouldn't ask you to pay for more than 12 months' usage. This is the 'back-billing' principle, which applies to all suppliers.

If you think your supplier is at fault but they are still trying to charge you for energy used more than 12 months ago, make a complaint. They should look into your case and provide an explanation.

You may find that your

supplier has billed you for the right amount and they are not at fault, particularly if you haven't provided regular or accurate meter readings. In this case you will probably have to pay some or all of the money. If you don't think you can afford to pay all at once, ask for a repayment plan.

Tell your supplier how much you can afford each month. Be ready to give details of your income and regular spending. You may find it helpful to send them this information in writing too.

## BBC Introducing Cambs Stage at Green Meadows Festival

Green Meadows Festival has always prided itself on having strong ties with the local area over its five-year history. Whether it is through raising funds for Teenage Cancer Trust's Addenbrooke's ward or offering support to local artists and performers.

This year the Peterborough based festival has gone even further by giving local up and coming acts even more chance to appear on the bill alongside such luminaries as Space, Utah Saints and Craig Charles via a BBC Introducing Cambridgeshire stage takeover. Together with the Cambridgeshire host Tom Simkins the team have pulled together a lineup that showcases the best our region has to offer. As revealed live on air the lineup will be: Rose Affair, Flint Moore, Candle Thieves, Tom Lumley, Melody Causton and Elliot Porter.

Tom Simkins – Presenter, BBC Introducing Cambridgeshire said: "Green Meadows is an event that is going places. Their passion for music, celebrating local talent and showcasing new work has earned them high accolades in the Cambridgeshire music scene.

"We are excited to be working with the Green Meadows team this year as they look to grow the festival. The opportunity to give local acts a chance to shine on a big stage is one that we cherish and alongside the team, we have selected a really great range

of acts from the around the county. I am sure that we will keep the festival goers attending Green Meadows entertained."

One of the acts, Candle Thieves said: "It's an absolute honor to be performing at Green Meadows festival this year. To be sharing the BBC Introducing stage with some amazingly talented bands and artists is a total privilege for us. We can't wait!"

Melody Causton added: "I'm so grateful to have been invited to play at this year's Green Meadows Festival... the Introducing takeover lineup so far looks amazing. The local area is blessed with talent, and it's lovely to be a part of this!"

The support doesn't stop there, with Green Meadows also adding local heroes The Abstracts, Imperial & Kinetik and Oscuro to the already packed line up. Set in the estate of the beautiful Elton Hall, Peterborough with four music stages, many free children's activities, handpicked food vendors and crafts stalls, Green Meadows 2016 is set to be a fantastic three days.

## An exciting time for North Northants

Following the independent examination of the North Northamptonshire Joint Core Strategy (JCS), the Planning Inspector has now completed his report.

The report, received by the Joint Planning Unit (JPU) on 22nd June, concludes that the JCS is 'sound' and legally compliant, subject to a number of modifications.

The new JCS will provide clear policy guidance for future development proposals across North Northamptonshire (the Districts/Boroughs of Corby, Kettering, Wellingborough and East Northamptonshire) up to 2031 as well as identifying the main sites to deliver the required levels of development.

In summary, in East Northamptonshire, the Plan sets out:

- Strong urban design principles to ensure high quality, well-connected development.
- The amount of new housing required to meet East Northamptonshire's needs.
- A more positive and flexible approach to economic development, delivering new job opportunities through a positive approach to employment growth.
- A new retail strategy which recognises the importance of Rushden Lakes, a new retail, leisure (including cinema) and tourism destination located in the Nene Valley, alongside the A45, to the west of Rushden.
- An opportunity at Deenethorpe airfield for an exemplar new 'garden village' including around 1,250 new homes.
- Rushden's identification as a Growth Town in recognition of local ambitions which will provide the potential for the town to deliver significant new homes and jobs, including through a Sustainable Urban Extension of around 2,500 new homes and employment and infrastructure to the East of the town.

- Measures to mitigate the impact of new development on the nature conservation importance of the Upper Nene Valley Gravel Pits Special Protection Area.
- Policies to recognise the importance and opportunities provided by 'green infrastructure' in the Nene Valley and the Rockingham Forest.

The Inspector's report was considered by the North Northamptonshire Joint Committee on 14th July, when the JCS was formally adopted.

Councillor Steven North, Leader of East Northamptonshire Council, said: "This is an exciting time for East Northamptonshire. The Plan places great emphasis on urban design principles as well as providing a strong recognition of the special natural environment of the area in meeting future needs. I'm looking forward to seeing the developments at Rushden East and Deenethorpe Airfield take shape, guided by the new JCS."

The Head of the North Northamptonshire Joint Planning Unit, Andrew Longley, stresses the value of the JCS: "Having an up to date Local Plan is very important as it provides the starting point for considering planning applications, gives certainty to the private sector in investing in high quality development, supports investment in infrastructure, and helps the Councils to resist speculative development proposals that are contrary to the Plan. The adoption of the JCS will ensure that we meet the Government's target for all authorities to have an up-to-date Local Plan by 2017. It should also allow rapid progress to be made by the Councils and Neighbourhood Planning Groups on their more detailed Plans."

The report together with the Inspector's recommended Main Modifications can be viewed online [www.nnjpu.org.uk/](http://www.nnjpu.org.uk/)

## Irthlingborough Carnival

Great news for the Irthlingborough Carnival association as another bid made by Irthlingborough District Councillor Marika Hillson has been successful in landing £9,316.21 for new equipment for the upcoming 80th anniversary of the Irthlingborough Carnival next year.

Carnival Chairman, Gemma Saunders and Vice Chairman Wayne Fisher are delighted as the funding will pay for new equipment. According to Gemma, the carnival is the biggest event to take place in Irthlingborough every year and is visited by thousands of residents. It also has a significant following from other towns.

Gemma's family have been involved in running Irthlingborough Carnival for four generations. She said: "We are so lucky to have a Councillor like Marika Hillson who has supported and worked tirelessly not just for us but also for other organisations and charities in Irthlingborough. On behalf of the Carnival association I want to thank her for her years of support.

"I also want to thank Wayne, our Vice Chairman and all the Carnival committee members for their hard work which make this

community event such a great success.

"This year's Irthlingborough carnival will be held on 3rd September, I would like to make an open invitation to everyone, from all towns, businesses, organisations, community groups and charities to make an entry into this year's parades, stalls or hold a display leading up to the 80th anniversary. This is a great community event and an opportunity for businesses and organisations to take part and raise their profile in the community. We are also always looking for committee members, volunteers and Marshalls on the day, if you would like to take part we will welcome you.

"The official Crowning of the Carnival Queen will take place on 1st September at 6.30pm at the Irthlingborough Pavilion, please come along and support us, all are welcome."

If you are interested in taking part in the Irthlingborough Carnival or being a volunteer please email Gemma and Wayne for an application form or enquiry email: [ica@hotmail.com](mailto:ica@hotmail.com)

# Community Facilities Fund opens for applications

**A fund to support the development of public facilities throughout the district is now open for the fourth year!**

The Community Facilities Fund (CFF) was set up by East Northamptonshire Council (ENC) using money it receives from central government as new homes are created in the district. This 'New Homes Bonus' is based on the number of properties added to the Council Tax base each year, including new builds and empty properties being brought back into use.

Constituted community groups including voluntary organisations and charities, as well as town and parish councils, can bid for grants of up to £50,000 for capital projects which aim to enhance the district and benefit the whole community.

Previous projects have included building and construction work (such as at Rushden & Higham RUFC, who received £20,000 to develop their clubhouse), as well as purchasing large items of equipment (like Transition King's Cliffe, granted over £8,000 for a new minibus).

Councillor Steven North, Leader of East Northamptonshire Council, said: "As new homes are built, the demand on community facilities often increases, so it makes sense to use some of the money we get from central government to help develop these projects.

"Last year 17 community groups

benefitted from this fund, including Stanwick Community Gardens and Collyweston Village Hall. Over the next couple of years, we will see new facilities take shape and hope that all of them will make an important contribution to local people's health and wellbeing, with an increase in active recreation.

"Now the fourth round of funding is open and we're looking forward to seeing what our local communities bid for to help make East Northants an even better place to live, work and play in."

In the last round, Brigstock Women's Institute (WI) was awarded £9,418 to install toilets and connect them to the main sewer. They can now hire out their hall for events and gatherings.

Glenda Stethen, Brigstock WI's Secretary, is very proud of the new facilities: "We still think we are living on cloud nine. Without ENC's very generous support in getting the toilet facilities, we just wouldn't be where we are today. ENC has not only helped us, but the community as a whole and we are ever grateful."

For details about the process and eligibility, please visit [www.east-northamptonshire.gov.uk/cff](http://www.east-northamptonshire.gov.uk/cff)

# Oundle school teacher retires after 41 years

It's rare in this day and age to find many teachers who spend 40 years in the profession, but local man Graham Snelling has not only taught for 41 years, but very unusually has spent all of that time at Prince William School in Oundle.

Graham started his teaching career in 1975, when the school was only four years old. He was appointed as a PE teacher by the school's founding Headteacher, Chris Lowe.

It was clear from the outset that Graham had great passion for his subject, and as well as a full-time teaching commitment, he went on to be a founder member of and the driving force behind the highly successful Oundle Rugby Club.

He has coached nationally and internationally and has been involved not just in rugby, but many other sports in the town, including rowing and cricket.

With the development of Prince William School, Graham was a major contributor to trips abroad, running and helping to organise opera trips, sporting tours and cultural exchanges

He went on to develop his career at

Prince William with the development of community links with local employers and organising the very successful annual programme of Work Experience at the school.

Graham is finishing his career as Assistant Headteacher.

There will be many hundreds, if not thousands, of local people, who have been taught by Graham, over the years.

His retirement party is on Saturday 30th July at Oundle Rugby Club from 3pm onwards. Graham has requested no presents but would like any donations to go to the charity for helping children with trips and visits, the James Rutherford Trust run from Prince William School.

Graham is married to Barbara, they have two sons, Grant and Toby (both now rugby players) and they are all well known and respected throughout the town.

Further details are available from Jenny Blount and Tim Ensor, two previous teachers at PWS: [timensor@aol.com](mailto:timensor@aol.com), [jennyblount1@hotmail.com](mailto:jennyblount1@hotmail.com)

# Help is at hand for communities at risk of flooding

**Areas of Northamptonshire at risk of flooding could secure preventative measures to help reduce the likelihood of surface water flooding, thanks to a new initiative from Northamptonshire County Council.**

Communities are being invited by the council to submit applications explaining how the initiative could be of benefit to them.

The three-year project aims to help up to 30 communities, which can either be based in urban or rural settings.

Successful applicants would need to identify community members who can be flood wardens and someone who will be the main point of contact for their area.

In return they would then benefit from a flood survey,

which would be undertaken by civil engineers, and support in developing community action plans and longer-term solutions, which may involve purchasing equipment.

The money for the initiative, known as Pathfinder II, has been made available from the government and follows on from the initial Pathfinder scheme, which was launched two years ago.

Cllr Ian Morris, county council cabinet member for transport, highways and environment, said: "Being a victim of flooding

is an extremely upsetting experience and can be very disruptive for a long time after the event.

"What's great about the Pathfinder scheme is that flood prevention measures are tailor-made for the individual communities by mixing historical experience with information from a professional survey.

"Quite often it is some very basic measures that are needed to make a significant difference, so any communities that think they could benefit should really apply."

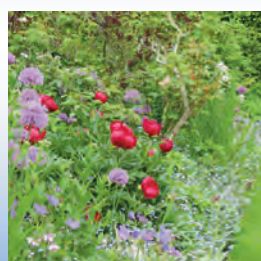

Any community can apply, with the scheme aimed at geographical areas. These can be villages, residents' groups, industrial estates or a group of town centre businesses.

To apply go to the Flood Toolkit website [www.floodtoolkit.com](http://www.floodtoolkit.com)

# East Northants Snooker League

The last two weeks have been very interesting for the League with some unexpected results and several changes in the Tables.

Thanks to the team captains these past two weeks as almost all of the postponed games have been played and the results have all been updated. The only outstanding match is Coopers G v Ball Bashers, which will be re-arranged soon.

Now that we have reached 'holiday season' for many people it has meant that a number of teams have struggled to field a full side but have been able to take advantage of the 'nominated player' rule – not ideal, but it means everyone gets to

play their frames.

The Handicap Review took place last week and eight adjustments were made. The adjustments were driven by those that had either won, or lost, the majority of their frames. The following players have had a 7pt reduction to their h-cap: M. Barcock, D. Fenner, S. Britchford, L. Bunker. And the following have gained 7pts to their h-cap: M. Dicks, R. Wright, M. Hatton, N. Darling.

These adjustments have already had a positive impact.

Bear in mind that, where games are played against a nominated player, these results can skew the player rankings and may have to be excluded. Taking this into

account, Matt Barcock is still technically top of the player rankings. Matt also knocked in a new high break of 58 last week.

Coopers Mecca have extended their lead in top position; however, Coopers C, thanks to some strong results, are in 2nd place by only five points and a game in hand.

**Results for week 8:**

Coopers A 4-2 Ball Bashers  
Coopers Mecca 5-1 Coops Troops  
Windmill Warriors 3-3 Coopers G

**Results for week 9:**

Coops Troops 2-4 Windmill Warriors  
Ball Bashers 3-3 Coopers Mecca  
Coopers C 5-1 Coopers A  
Good luck to all teams.

# Chess Corner

There has been a great deal of activity at Rushden Academy this year involving chess. I reported last time about the junior chess challenge that took place between players from the academy and juniors from Rushden Chess Club. Those who read the article will be aware that Rushden Academy performed magnificently to win the series 26-17.

Much of the credit for what has been going on is due to Learning Resources Centre Manager, Nichola Raven. This year Nichola has established a lunchtime chess club and latterly has also encouraged participation in an after school club on Thursdays, both of these clubs taking place under my supervision. Having seen the enthusiasm shown by the students,

I suggested we organise a competition to find the Rushden Academy Chess Champion. This was agreed and a round robin competition was established featuring seven regular chess players.

The inaugural Rushden Academy Chess Championship started in May and it quickly became apparent that Hayden Langwith and Stefan Mikac were leading contenders to take the title. Stefan started out well but a draw against Hayden and losses to Terry Lane and Owen Turner reduced his points tally. Hayden also suffered losses at the hands of Stefan and Owen but took the lead by managing to complete all his round robin games. Meantime Owen Turner had left it very late to try and complete his games and

at the competition cut-off still had five games that he was unable to play. Despite this he ended up only 3½ points behind Hayden, which meant with a little more organisation he could well have taken the championship. As it was the trophy went to Hayden Langwith, who proved himself a worthy winner.

Individual scores	
Hayden Langworth	9.5
Terry Lane	2.5
Alfie Burge	1.5
Reece Page	2
Owen Turner	6
Jack Fulton	3
Stefan Mikac	7.5

In addition to the individual competition the players also represented their houses with Tull House particularly fortunate to have Hayden and Owen playing. In the end Tull was the leading 'Chess House' followed by Pemberton and then Arnold. So concluded chess for this school year but everyone is looking forward to renewed competition next year and perhaps an opportunity for Owen to show what he can really do! Some of the players may take the opportunity over the holiday period to play a few games at Rushden Chess Club to hone their skills; they would be made very welcome.

House scores	
7.8	Tull
3.7	Pemberton
2.8	Arnold

Chess is a game for people of all abilities, disabilities, and lifestyles. Rushden Chess Club loves welcoming new members, so do come along to a meeting if you're interested in playing chess in a very friendly environment. The club opens most Mondays from 6pm for Junior players – for details please call the Club Secretary on 01933 625767, or visit the club website <http://rushdenchessclub.com> and for the NCA (County Association) it's <http://www.norchess.lloydbunday.co.uk>.
