In Brief

Neighbourhood Watch scheme

Do you have a Neighbourhood Watch scheme in your street? Go to www.northantsnhw.co.uk and enter your postcode. By joining you will receive crime warnings, advice and police messages on local incidents free.

No scheme but interested in starting one? Contact: christine.mackenzie@northants.pnn.police.uk

Opera calls for singers

Thrapston Plaza Opera chorus rehearsals have begun for the February 2020 production of Bizet's ever popular Carmen.

New singers, especially men, are most welcome; music reading skills are not essential and previous stage experience not required.

Weekly rehearsals at 7.30pm in St James Church Hall, Thrapston mainly on Tuesdays. Forthcoming dates: Tue 24th Sept, Wed 2nd Oct and Tues 8th, 15th, 22nd and 29th October. thrapstonplazaopera.com or contact Vince Davy on 01832 733586.

Northamptonshire Police launch brand new burglary pack

New scheme will offer support for burglary victims as part of Operation Crooked.

Operation Crooked is Northamptonshire Police's campaign to reduce burglary – a top priority for the

Force. As part of the operation, the Burglary Team, which sits within CID, ensures that every burglary victim in Northamptonshire is

guaranteed a visit from the police.

They are also working to review and drive-up the quality of investigations, manage and progress forensic hits, hunt down wanted people, organise police patrols in areas of concern and gather intelligence to prevent burglaries before they happen.

The brand new burglary pack, which will be given out to all victims of burglary across Northamptonshire, contains a home security guide, victim support service information and vouchers for police-approved security products.

Crime Prevention Team Leader, Paul Golley, said: "Operation Crooked is not only about arresting, charging and convicting Northamptonshire's burglars, but also about ensuring that victims of burglary across the county know they are a priority to their local police force.

"Our new burglary pack, funded by the Office of the Police and Crime Commissioner, is a really

smart bit of kit that contains really useful information on every aspect of your home security and what you can do to make your home safer.

"I hope people across Northamptonshire have a look at what we've created for them, follow our advice and make it even harder for burglars in this county to get away with their crimes."

Northamptonshire Police, Fire and Crime Commissioner Stephen Mold, said: "People told me that they wanted a better response to burglary from Northamptonshire Police and I was pleased to be able to support the Chief Constable in making household burglary a top priority for the Force.

"The officers and staff working on Operation Crooked have been achieving significant results in reducing crime and targeting criminals and I am happy that I could give them the tools to help people do their bit to keep their property safe and prevent crime from happening."

National Poetry Day

It's said that poetry is good for the soul. And with National Poetry Day approaching, now might be the time to embark on a poetry adventure.

This year it's the 25th anniversary of National Poetry Day, which is celebrated every year in October. There will be poetry events happening across the UK, in schools, bookshops, libraries and other venues, so there are plenty of opportunities to get involved.

At Oundle Library the U3A Poetry Group will be reading a selection of new and old favourites on Saturday 5 October from 2.30pm. Audience participation is encouraged, so if you would like to join in the fun and read a poem you love, or a poem you have written, just tell one of the organisers when you

arrive. The library has recently re-organised its poetry shelves, so there are some wonderful poetry books you could borrow too.

The event is being organised by the Friends of Oundle Library. It's free to attend and there will be refreshments. So, come along to enjoy and share some verse!

National Poetry Day at Oundle Library. Saturday 5th October from 2.30pm. Free to attend. Refreshments. All ages welcome.

Genealogy jottings

Time. When researching, that is the one thing that many people underestimate. Yes, it is known for me to get rather carried away and the dog to wonder whether he will get a walk that day, but it is so easy to misjudge the amount of time needed. No use saying, "I just want to check this – I'll only be a couple of minutes." It won't happen. Trust me. I know. The same when you visit a record office, archives, graveyard, museum or anywhere that you hope to find details of your forebears. It will take more than one visit. Plan what you anticipate doing and do not be disappointed if you do not achieve all that you had intended. Take a list of what you want to look up but do not stick to the order that you have written down. It may be that a particular record that you want to see is being examined by someone else. Move on to the next item and wait... as patiently as possible! But make sure that your list is realistic.

If your research has mainly been online, it is very easy to expect that all records have an index so that you just have to check a word or two to find the details

By Jan Pearson
Genealogy Specialists, Tracing Our Past, Discovering Our Genes (TOP DOG)
www.genealogy-specialists.com

that you want. Not so. You might want to find out when your ancestor was admitted to the Workhouse. These Admission Books are in date order and so extra time will be needed to plough through the names, many of which might be similar to the one that you are looking for and so might need to be double-checked. Be prepared to look for more than one entry. Your ancestor might have left the Workhouse but then been readmitted at a later date. This could happen more than once as well!

A friend of mine in Derbyshire has already booked a week at a B&B in Cornwall so that she can spend time wandering around graveyards, checking out Records Offices and visiting the areas where her ancestors lived. She has already decided that she will not have enough time and so will have to arrange another visit!

Editor's notes

The new school term is now well underway and our spotlight in this edition of Nene Valley News is on education. Find out about what makes the schools in our area unique and what benefits they can offer to students throughout their school careers.

Meanwhile, preparatory work continues for the proposed new Unitary Authority in North Northamptonshire and the latest developments were discussed on Monday 16th September at a public meeting in Wellingborough.

Fifteen Councillors from Corby, East Northants, Kettering, Northamptonshire County and Wellingborough Councils met for the second time as the North Northants Joint Committee. They received an update on the programme and then considered recommendations from the four working groups agreed at the first meeting: Governance, Statutory Officer Appointments, Independent Remuneration Panel and Terms of Reference.

The committees are working on the key elements required to set up a Shadow Council for North Northamptonshire which would deliver the new Unitary Council.

Two new dedicated websites have been launched, offering reliable sources of information about the move toward unitary governance. For our area, the site is named 'Future Northants North' and can be found online at www.kettering.gov.uk/

meetings

These dedicated sites describe the process so far, who is involved, progress from public meetings, and news including details of the upcoming shadow authority elections.

We also focus in this edition on our local environment. As well as a report on an initiative to get residents in Oundle to shop packaging-free, with the pop-up Refill Revolution now opening more regularly, there's also a new waste collection service starting on Monday 23rd September.

East Northants Council will run a Waste Electrical and Electronic Equipment (WEEE) trial in Raunds until the end of 2019. The trial will enable residents to put out a wide range of small electrical items for sorting and recycling, alongside their regular waste collection.

Items to be collected will include hairdryers, shavers, electric toothbrushes, kitchen appliances, DVD/CD Players, radios, and small electrical DIY tools such as drills and electric screwdrivers and toys. Items should have the cables attached and all batteries removed.

If successful, the trial could be implemented across the District.

Tribute is also paid in this issue to Caroline, Lady Brassey, who died in August. Lady Brassey became President of Oundle Festival of Music and Drama in 1991 and was its longest serving President.

Oundle Festival of Music & Drama

It was with great sadness that Oundle Festival of Music and Drama received the news of the death of

Caroline, Lady Brassey in August. Illness had prevented her attendance at the 2019 Festival.

Lady Brassey became their President in 1991, succeeding HRH Duchess of Gloucester. From the start, she showed great interest in the Festival, especially in the Junior competitions, encouraging young competitors by donating a cash prize.

She regularly attended the competition days and the Final Concert, where, in the earlier years, she presented all of the prizes. In 2015, she received her 25 years Long Service Award from the Federation of Festivals, so becoming Oundle's longest serving President. In 2018, Lady Brassey took part in the celebration of the 100th annual competitive Festival held in Oundle.

"She never ceased to voice her appreciation of the voluntary work done by all of the Festival helpers. We will never forget her gracious manner and her enthusiasm," said Vice President Shirley Burchell.

The organising team are continuing preparations for the 2020 Festival which

will run from 28th March to 4th April. The syllabus is now available from Oundle Bookshop, Oundle

Box Office, EMM Music in Warmington and at Oundle Town Council's office. It can be downloaded from the

Festival website www.ofmd.org.uk Entries will open on 17th October and close on 20th January.

Volunteers needed to give carers a break in the Oundle and Thrapston area

- Do you live in Oundle, Thrapston or a nearby village?
- Might you have a few hours to spare?
- Would you like to make a difference to someone in your community?
- Fancy using your skills and experience to give carers a break?
- Might you like to develop new experiences and skills

What's involved?

- The Carers Sitting Service provides support by giving a break to those who have a caring responsibility for a husband, wife, partner, parent, relative or friend.
- Volunteers make a befriending visit meeting the same person in their own home on a regular basis. As a volunteer befriender you would be visiting someone in your local area.
- No qualifications are needed, we will provide training and on-going support.
- You may be retired, semi-retired, working part-time, not currently in paid work

or perhaps you are looking to gain experience while you search for paid employment and would like to use some of the time you have available to offer support to someone else in your community.

- It's possible that you've been in a caring role yourself or know a family member or friend who has been a carer and recognise the importance of getting a bit of a break. Or you may have worked in social care, social work or nursing.
- All volunteers have an informal interview, will need to complete an application form and provide two references. If you are successful we will request a disclosure and barring service (DBS) check, which we will pay for. Travel expenses will be paid for any visits you make.

To find out more contact Adam Wilson on 01933 677837 or email adamw@northamptonshire-carers.org. You can also download an application form at www.northamptonshire-carers.org

Spotlight on

Education

Laxton Junior School

Laxton Junior School is more than just a school: it is an engaging and inspiring experience that fosters the confidence and resilience children need to develop in the most fantastic ways across and beyond the curriculum.

Some of the children were asked what they considered to be so special and magical about the Laxton Junior School experience.

Sophie, in Reception, said: "I like to play outside on the grass best because I can play catch with my friends."

Jack, in Year 3, spoke of the "kind and helpful teachers. They listen to what we say and show us how to get better." Henry, in Year 4, explained that "it's great how boys and girls can play every sport at LJS; boys can play rounders and girls can play cricket, I'm really looking forward to this exciting opportunity next term."

Whilst, for Gabriella, in Year 6, "having a suggestion box where we put our ideas for the School Council is something I really enjoy. I like that we have a voice and can help make our school a better place."

You are welcome to organise a

meeting and a tour with the Head, Mr Sam Robertson.

This can be organised through Mrs Lesley Taylor, the Registrar, by telephone (01832 277159) or email (lat@laxtonjunior.org.uk).

Nene Education Trust – what makes us unique

We are a successful and growing Trust, with one secondary and six primary schools. However, our difference is that we are growing locally to ensure we have the best impact we can on our East Northants community of Raunds, Stanwick and Rushden. We have a unique opportunity to positively influence a community now and for generations to come.

Our mission is simple. All of our academies work with determination to ensure we are: Developing Character, Raising Aspirations and Celebrating Achievement. We aim to develop the Whole Child.

At the heart of everything we do within our schools is the desire to enable each young person to achieve their goals and to be successful in life, contributing back to the world we live in.

Throughout their educational journey in the Nene Education Trust we aim to develop all our learners within a positive environment for learning along with opportunities to develop their spiritual and moral compass so that they grow with integrity and humanity.

If you are considering the best choice for your child's education why not come along and see for yourself at one of our upcoming school open days.

The Ferrers School

We look forward to welcoming potential parents and students to our Open Evening from 6pm to 8.15pm on Monday 30th September. This is a fantastic opportunity to visit the school and meet The Ferrers staff.

We encourage you to visit all of our learning centres and participate in the activities that are taking place. These will not only provide you with a flavour of how we learn at The Ferrers School, but also give you an insight into the wide-ranging enrichment activities that we offer students. Our student leaders will be on hand to show you any areas that you would like to see.

Monkey Puzzle Nursery

Monkey Puzzle Irthlingborough is conveniently located just off the A6, opposite the Kettering Outpatients hospital.

The Nursery provides outstanding facilities for children aged 3 months through to school age. There are amazing, spacious rooms, dedicated to the various age ranges, with each room reflecting the seven areas of learning as prescribed in the Early Years Foundation Stage. All of our facilities are designed to be accessible to every child. We have a fantastic outdoor space as well as a amazing Multi Sensory room.

Our fees are inclusive of freshly prepared breakfast, lunch, tea, snacks and drinks. Daily menus are carefully selected by a professional nutritionist to meet energy requirements of growing children.

St Peter's School

Every parent wants to give their child a perfect start in life in the form of the best possible education. St Peter's School in Kettering was founded as an independent school in 1946, and has established a reputation as a warm, friendly and lively school with

Nene Education Trust

Applications are open for places in all age groups across our schools.

Contact your local Nene Education Trust school to book a tour or visit us on one of our school open days.

a strong family atmosphere. Every child receives close individual care and attention on a safe and secure campus that offers lots of scope for exciting and adventurous play, and sporting activity.

The curriculum at St Peter's School offers more than just the National Curriculum, with the development of reading and writing skills given high priority with a strong emphasis on mathematics, English, science and French. Small classes ensure that teachers know every child's ability and learning style and the classroom atmosphere is bubbling and happy.

The result is that St Peter's School has an excellent academic record, with children leaving well prepared to go on to the schools of

their parents' choice. Whether that choice falls in the independent or maintained state sector, our boys and girls leave us well equipped with the academic and social skills they need ready to meet the new challenges of secondary education.

St Peter's School warmly welcomes parents to make an appointment to visit and meet the Headmistress who will show you around the School.

Huxlow Science College
Huxlow Science College in Irthlingborough is opening its doors to Year 5 and 6 parents on Wednesday 2nd October for its annual Open Evening.

Parents and children will be able to view for themselves the reason why Ofsted has given the secondary school

a Good rating and learn why it is one of the top performing schools in the local area.

This summer's students gained some of the best results in the school's history with many students heading to Russell Group universities and a high percentage going on to study science related subjects in the Sixth Form.

Headteacher Steve Gordon said: "This exam season was a testament to the hard work of the students and staff.

"Here at Huxlow, we are extremely focused on developing the whole child as well as celebrating these academic achievements. We are confident that all of our students are prepared to go on and do well in the adult world."

The Open Evening will start at 6pm. Visitors will be able to experience the school in action with engaging activities in each department including science experiments, cookery demonstrations and student performances. There will also be a tour, open to all, on the morning of Monday 7th October at 9.30am.

Booking and details for both the Open Evening and Open Morning

SIXTH FORM OPEN EVENING

Wed October 30th

We would like to invite you to visit our Sixth Form, which is part of Hinchingsbrooke School just outside of Huntingdon, and meet our wonderful staff and students.

There will be presentations in our Performing Arts Centre at 6pm or 7pm. Departmental stalls giving information on courses will be in our Sixth Form Centre, the beautiful grade 1 listed Hinchingsbrooke House, which can be visited before or after the talks.

We welcome all students in the catchment area and surrounding areas seeking to progress to post-16

education. We are planning on organising transport for students commuting from surrounding areas such as East Northamptonshire.

Come along and find out first-hand what we have to offer.

The East Northamptonshire College - Three schools, One vision of excellence

Combining the post-16 strengths of three schools, we offer a wide range of courses and opportunities to all students in the East Northamptonshire area.

We have an excellent tradition of examination success and a significantly wider programme of options and subjects than a single site school. In addition,

students benefit from specialist staff, dedicated post-16 resources and a multiplicity of enrichment opportunities.

Students who choose to study with us achieve at the highest levels and feel valued, challenged and supported in their studies.

If you are looking at post-16 options, come and see what we can offer, including our new courses for September 2019. Join us at our Open Evening which is being hosted at The Ferrers School, Thursday 10th October, from 5.30pm.

Follow us on Twitter @tenonline and visit our website www.tenonline.co.uk

Rushden Academy

We are delighted to welcome you to our caring and supportive academy where we recognise and support

the individual needs of our pupils. At Rushden Academy there is a strong sense of team work and we passionately believe in working together to ensure that all of our pupils achieve academically and have meaningful opportunities, responsibilities and experiences to prepare them well for their future lives.

There is a strong drive to excel in lessons and to behave respectfully towards each other and our community. We have a highly supportive pastoral system and pupils engage in the rules, routines and values of our school. Everyone in Team Rushden has a role and responsibility and we have built a culture where together, students and staff are united in making this an outstanding school.

Maths results continue to be a strength and many of our pupils continue to study maths at university, some going to Oxford and Cambridge. Not only do our pupils do well in their academic subjects but they excel in vocational subjects too. We regularly showcase our performing arts, our creative arts and our sports leadership skills.

We are proud of our achievements and produce a weekly bulletin to keep parents/carers informed of what amazing things are happening in Team Rushden.

We belong to a highly regarded

trust, Tove Learning Trust, and work collaboratively to build the best education for our youngsters.

Mrs J Burton, Principal

Hinchingsbrooke Sixth Form

Hinchingsbrooke Sixth Form provides a dynamic and highly personalised experience within the beautiful setting of Hinchingsbrooke House. We pride ourselves on offering an all-round education, combining academic rigour with extensive opportunities outside the classroom, all delivered by a dedicated team of high-quality professionals, in a setting that is the envy of many and which is conducive to academic study. Our aim is for our students to grow as uniquely talented individuals and as socially aware global citizens, making the best possible progress

both academically and personally.

We offer a flexible and wide range of options (over 30 subjects) within our broad curriculum and our staff demonstrate a relentless commitment to support students in every way we can, so they become self-managing, independent learners with the knowledge, skills and aptitudes to progress to the next stage their life. Our progression to universities, and to top universities, is significantly above national averages, and we offer wide-ranging support and guidance for those who choose to go directly into the world of work.

If you would like to be part of an inclusive and cohesive Sixth Form that is engaging, enjoyable, and academically aspirational, then please come to our Open Evening on October 30th.

Hayway • Rushden • Northamptonshire • NN10 6AG

Giant boot to be the art and sole of the Nene Valley Festival

A giant shoe depicting the Nene Valley has been unveiled in Becket's Park, Northampton as part of a new sculpture trail celebrating the heritage of the town, coinciding with the Nene Valley Festival. Northampton Borough Council's giant boot and shoe trail covers the town with a variety of local organisations each adopting a piece of footwear.

The 'Nene Valley' Dr Martens boot has been commissioned by Nenescape Landscape Partnership with Destination Nene Valley, in collaboration with local artist Leanne Conroy.

Over the last couple of months, Leanne has been working hard to make the design ideas a reality and has incorporated images of the River Nene and its wildlife onto the boot.

Cllr Sarah Peacock, East Northamptonshire Council Councillor and Board Member for Destination Nene Valley said: "We are delighted to be part of this wonderful project and hope that the giant boot sculpture showcases the Nene Valley in a completely unique

way. We are always trying to be innovative and promote the Nene Valley in a new way and this project certainly achieves that! A big thank you to everyone who has been involved, including our partners Nenescape."

Nenescape's Interpretation & Community Engagement Officer, Alison Brand-Barker worked on the project: "We are so pleased with the final sculpture – the boot is stunning and will certainly stand out. But that is not the end of the story, our clever team have also woven in a bit of tech too.

"Those visiting the shoe will be able to scan some of the images on the boot using their smartphone to find out a bit more about the Nene Valley and Nenescape. All you need to do is download the Artcodes app from your usual app store and search for 'Nene Valley' to find the 'Boot-iful Nene Valley' experience."

There will also be a competition to win a bottle of Phipps Gin. Entries from over 18s can be made

by tweeting @_nenevalley using the hashtag #NeneValleyboot. The competition closes at 5pm on 30th September 2019.

The sculpture is available to see in Becket's Park, Northampton.

Please visit the Nene Valley website at nenevalley.net and stay up to date with social media @_nenevalley and @nenescape.

Wildlife News

You read this as we pass the 'autumn equinox' when day and night are of equal length; average air temperatures are cooling down even on the kinder days we like if possible. These lower temperatures sound the death knell for many forms of animal life, especially among the many thousands of species of insect because they are not warm-blooded and have no defence against the cold; during the summer they can gain heat from their surroundings, but now their life must end. These important members of the countryside community have each worked out their own methods of survival. One of the commonest methods is laying eggs in carefully chosen spots to produce next year's generation; the large numbers give a greater chance of success. This is the method of a group of insects often associated with summer, the grasshopper family; the sound of their calls somehow paints a picture of walking through hayfields and seeing these very acrobatic creatures jump into view and drop back into the grass where they had been hiding. That ability to appear suddenly comes from their

very powerful hind leg muscles generating power much greater than human high-jumpers when size difference is remembered.

Nowadays, though, there are fewer areas of grass for them, and they are less common than they were 50 years ago; we are less likely to hear their 'song', a chirping sound made by rubbing their legs together. What reaches our ears is a kind of scraping sound, not very musical to us but very detectable by other grasshoppers or the similar-looking crickets; different species have their own little songs and often show a variety of colours like brown, purple or even red in addition to the green we might expect (some might even make the insect more visible to potential predators), though if dead specimens are kept in a collection those colours are not permanent.

For centuries grasshoppers have been mentioned in literature; the habit of coming and going so erratically led to its use for those who jump from one idea to another without ever really settling as "grasshopper minded"; hopefully the insect itself will be around for many years yet.

"Just wanted to say a huge thank you to the club for the open day - loved playing for the hour or so I was there and really enjoyed the social side - I'm hooked already"
(Tony P)

Oundle Tennis Club 2019 tournaments are the best supported so far

Saturday 31st August saw the climax of the Oundle Tennis Club's summer-long tournaments. In total, a record 65 participants entered across the five competitions, which were structured so that each player or pair played at least several matches. The finals day saw many closely fought battles – several of which were won by members who have recently joined the club.

Congratulations go to all finalists, particularly to Carol Hallowell and Stephen Lewins, who each took a singles title and one of the doubles titles in the competition. A number of (non-finalist) players came down to

spectate on the day – it was perhaps the promise of some excellent sport viewing, and the fine barbecuing skills of Club Chairman, Jason Atkinson, which lured them.

"We're delighted that so many members entered this year," said Jason, barbecue tongs in hand. "Tennis is a great sport – it is good exercise and events like the club tournament provide excellent opportunities for social and serious play."

The end of the summer also brings the club's participation in the East Northamptonshire tennis leagues to a close. Oundle's men's, ladies' and mixed teams have put on a fine

performance throughout the season, with most of the teams finishing second or third in their division. The club owes thanks to Tournaments and Teams Organiser Stephen Lewins who encourages, nudges and cajoles all players into action.

Despite the onset of autumnal temperatures, there are still plenty of chances to play tennis regularly. A recently established men's and ladies' singles ladders, the weekly club nights and entry in a local winter league provide club play opportunities, on top of which members can also book a court and play, or have a hit against the recently acquired ball machine. Head

Coach James Muir has published his latest coaching schedule which contains opportunities for players of all ages and abilities to make improvements to their play. Details are available on the club website www.oundletennis.org or by emailing pr@oundletennis.org

The winners of the main competitions were: Ladies' Singles - Carol Hallowell; Men's Singles - Stephen Lewins; Ladies' Doubles - Camilla Sherwin & Rachel Hodgson; Men's Doubles - Stephen Lewins & David Reed; Mixed Doubles - Carol Hallowell & Mark Hallowell.

The winners of the plate competitions were: Men's Singles -

James Batchelor; Ladies' Doubles - Louise Haidar & Kate Reynolds; Men's Doubles - James Batchelor & David Robinson; Mixed Doubles - Claire Spencer & Tom Spencer.

The OWL talks - be wiser with resources and reduce our environmental impact

Our use and waste of resources are causing serious environmental problems – from biodiversity depletion, water shortages and global warming, to land litter and ocean plastic.

As part of its Oundle Waste Less (OWL) project, Transition Oundle has arranged a series of (free to attend) talks by experts in their fields who will discuss some of the current environmental 'hot topics'.

'Electric cars: when is the right time to plug in?' will jumpstart the OWL talks on Thursday 3rd October in the Queen Victoria Hall, West St, Oundle. Car fanatic and Editorial Director of Bauer Media's digital motoring portfolio (which includes CAR magazine and Parkers) Tim Pollard will cover all you need to know about the take up of EVs and hybrid cars in the UK, charging infrastructure, costs, reliability, and their overall 'footprint'.

In the second of the series, entitled 'Are we winning the war on waste & recycling?' on Thursday 7th November, Charlotte Tompkins, Waste Services Manager, East Northamptonshire Council will bravely take to the floor to clear up confusion about what

we can and cannot recycle through our green lidded bins, where material collected through our waste, food and recycling collections ends up and what we can do to be more wastewise. Fans of the BBC's Blue Planet and War On Plastic series should not miss this.

The final OWL talk for 2019 is well timed. 'What is a climate friendly diet?' will be held on Thursday 5th December, in the run-up to Christmas. "We have to change how we eat and grow food to fight climate change..." thus spake the Intergovernmental Panel on Climate Change – but how does that translate to what is happening here in the UK and how we can feed ourselves in a way that supports our agricultural industry, saves our planet and meets our tastes.

"These talks will tackle our everyday behaviours, all of which have an impact on the environment," said OWL Project Manager, Camilla Sherwin. "If every single one of us did a few more things to reduce our impact, it would make a big difference overall. These are not difficult changes and the quicker we make them, the better off we will all be. I urge you to attend to find out more."

Entry is free but people are encouraged to reserve their seats through the Oundle Box Office, 4 New St, PE8 4EA. 01832 274734 or www.oundleboxoffice.com (web/tel booking charges may apply) or through Eventbrite.

Doors and the bar will open at 7pm. The talks will start at 7.30pm.

More talks are planned for 2020, details of which will be published in due course. To find out more about them and the other aspects of the Oundle Waste Less project, visit www.transitionoundle.org.uk (where you can sign up to our newsletter). Find on facebook @oundlewasteless or email owl@transitionoundle.org.uk

Refill Revolution Oundle now open weekly

Refill Revolution, which has been 'popping up' fortnightly at Oundle Wharf, has proved so popular that it is now open weekly.

It is currently open on Tuesdays, Fridays and Saturdays, from 9am-4pm in a shop space which sits between the Nene Valley Brewery and the Tap and Kitchen restaurant. Founded in Market Harborough, Refill Revolution is a packaging free shop where customers can use their own containers to stock up on dried foods, spices, tea, coffee, hair care, body wash and household cleaning liquids. Reusable, sustainable items such as bamboo cutlery and toothbrushes, cotton produce bags for buying loose vegetables, washable nappies and sanitary items, shampoo and shave bars, chewable dental tabs, solid, aluminium free deodorants and washing up items made from coconut husk are also available to buy.

"We have been opening in Oundle fortnightly to judge customer demand," said Beth, founder of Refill Revolution, "and it has proved to be very successful. We are excited about this next step which

will make it much easier for customers to reduce their use of single-use packaging with regular refills and to stock up on some of our lovely reusable household products. To quote the zero waste chef Anne-Marie Bonneau, 'We don't need a handful of people doing zero waste perfectly. We need millions of people doing it imperfectly' and that is why we encourage people to come and take a look at what we have on sale and just take a couple of small steps towards reducing unnecessary waste... together we can make a big difference."

Customers are delighted to find a shop which 'walks the walk' – each product has been carefully sourced and its environmental credentials checked out and the store has also acted as a catalyst for the greener activity in the area; providing an opportunity for customers to share conversations and allowing other small, like-minded businesses to promote their services.

The Refill Revolution team will be sharing their business space with Restore, a new wellness centre at Oundle Wharf which will be opening in October.

Refill Revolution is open in Oundle and Market Harborough (in the indoor market) on Tuesdays, Fridays and Saturdays from 9am-4pm. Follow them on Instagram @RefillRevolution, on Facebook: @RefillRevolutionHarbs or join the Refill Revolution Oundle group, or visit their website www.refillrevolution.co.uk

Notice of planning applications received

Notice is given that the following applications have been received together with the last date for making representations:

All "significant" applications are highlighted in green. These are defined in the 2006 Statement of Community Involvement as those for:

- 100 dwellings and over
- residential development of 3ha or over if number of dwellings not known
- 1000 square metres of floor space or over
- commercial/industrial development of 1ha or over if floor area not known
- would, in the council's opinion, alter the overall character of the locality by means of scale, use or visual appearance
- would, in the council's opinion, be sensitive due to substantial demolition in a conservation area
- would, in the council's opinion, be sensitive due to development next to a listed building

For more information on "significant" planning applications, visit www.east-northamptonshire.gov.uk/dcnotification

LBRegs - Planning (Listed Buildings and Conservation Areas) Regulations 1990.

Paul Bland, Head Of Planning Services
Dated 21 September 2019

Consultation deadlines will differ for each application. Please go to www.east-northamptonshire.gov.uk/planningapplications for details.

News from the Chairman...

It has been another busy couple of weeks in my role as Chairman for East Northamptonshire Council (ENC).

The Raunds Festival of Transport in August created a wonderful scene in the town as the High Street was full of cars from all over the world. The Minis won the Club Cup and I was delighted to award the cup for the most looked at vehicle to the owner of a magnificent old fire engine. The day brought visitors to the town and its shops as well as being a great 'memory lane' for those of us who remember and owned cars such as a Triumph Herald, Rover 2000, MG Midget and some vehicles we would have liked to have owned.

I was honoured to open a new playground in Titchmarsh. It was

great to see the children enjoying the equipment, including the centrepiece, a 'galleon' with lots of exciting features. This is one of the many projects ENC has supported through its Community Facilities Fund and it is always good to see our money going into providing facilities for residents.

There was a good audience for Rushden's Proms in the Park. Both the weather and the music were perfect and it was enjoyable to relax in the lovely surroundings of the walled garden listening to a variety of music from classics to folk. We finished with a great rendering from Rushden Town Band and all of us flag waving and singing 'Rule Britannia' and 'Land of Hope and Glory'.

By way of contrast we attended

a performance with the big band sound of 'Swing's the Thing', which is a mix of accomplished professional and extremely talented amateur musicians, in aid of the Royal Air Forces Association. It was very timely as 15th September is a special day to remember the brave pilots of the Royal Air Force who defended our country. The Association provides welfare support to the RAF family, so it was an evening of great music including musical tributes to Elvis and we sang and joined in 'Tom Jones' singing 'Delilah', all for a great cause.

The Nene Valley Festival kicked off in wonderful style as we nipped over the district border to launch a weeklong celebration of the region's heritage, culture and wildlife in Peterborough. The

valley goes from Peterborough to Northampton following the River Nene, with the majority in our beautiful district. I urge you all to visit www.nenevalley.net to

see what some of you may be missing.

Cllr Dudley Hughes, Chairman of East Northamptonshire Council

Our Next Big Craft Day Is On Saturday 5th October - With 4 Talented Demonstrators!

Craft workshops Our Craft Workshops are great value at £5.00 to £45.00 per session!

There are over 60 Workshops to choose from & all are held at the Craft Warehouse in an informal, fun atmosphere.

To book, check availability or to request a leaflet detailing the dates and content of our workshops please tel: 01933 355530, ask at any Colemans branch or look online at www.colemans-online.co.uk

Open 7 Days **Visit our new Warehouse Office Supplies Shop!** Park Outside

If you are visiting the Craft Warehouse why not pop next door to our new **Warehouse Office Supplies Shop?**

Liz Fletcher from Crafter's Companion will show us how to create exquisite flowers and foliage, using their brand new Flower Forming Foam, dies and accessories.

Lynette Jasper from Craft Buddy will be getting messy with her 'Pretty Gets Gritty' mixed media range.

Lisa Horton from Creative Expressions will be showing us how to create beautiful Christmas cards using her own range of stamps and dies.

John Lockwood of John Next Door is famed for his top quality die-cutting products. John will be creating unique Christmas projects using his latest designs.

Look out for our 3 for 2 offers across the new range!

Who can adopt?

Lots of people are able to adopt and we are interested in your skills and your capacity to parent, not your status.

Start your adoption journey with us today

We have siblings and children of all ages waiting to be adopted - we would love to hear from you

Want to know more?

Staff hold monthly no obligation adoption drop-in information evenings at Borough Hall between 6.15pm - 8.30pm for anyone interested in finding out more. Give us a call if you'd like to have a chat and for dates of the next information evening.

You don't have to live in Bedford to adopt a Bedford Borough Child.
Start your adoption journey with us today.

Why not give us a call today?

Adoption in Bedford Borough

CHICHELEY LODGE 607

“OPEN EVENING”

MONDAY 7TH OCTOBER 2019

7.00PM – 9.00PM

THRAPSTON BOWLS CLUB,
MARKET ROAD, THRAPSTON.

Freemasonry encourages men of all ages over 21 years to join an organisation that has as its core aim: charitable intentions.

Our 200,000 UK members come from all walks of life and meet as equals whatever their faith, ethnic group or position in society. For many, this spirit of fellowship is what is valued most, making new friends and helping others. Freemasons contribute over £33million a year as one of the UK’s largest charitable givers. Raising funds largely through voluntary donations, we support individual members, local communities and global emergencies.

Chicheley Lodge which resides in Thrapston has organised an “Open Evening” on Monday 7th October 7.00pm-9.00pm at the Thrapston Bowls Club, Market Road, in order to provide the opportunity for men who would like to know more about Freemasonry, how it could benefit them socially and how they could assist with charitable causes.

If you would like to know more and discuss any relevant issues with members of the Lodge, you are cordially invited to attend with partners if applicable, having hopefully had a look at the Lodge website www.thrapstonfreemasons.org.uk

NORTHAMPTONSHIRE COUNTY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984 - SECTION 14
THE NORTHAMPTONSHIRE COUNTY COUNCIL (HIGH STREET, RINGSTEAD)
(TEMPORARY PROHIBITION OF THROUGH TRAFFIC) ORDER 2019
 NOTICE IS HEREBY GIVEN that Northamptonshire County Council have made an Order the effect of which is to prohibit traffic from proceeding along that length of High Street, Ringstead as set out below.
LENGTH OF ROAD TO WHICH RESTRICTION APPLIES: That length of High Street, Ringstead from Cherry Street to Chapel Street.
REASONS FOR RESTRICTION: The restriction is required for safety during gas service works.
PERIOD OF CLOSURE: The proposed Order will come into effect on 30th September 2019 and will continue in force for a period of eighteen months. An application may be made for the approval of the Secretary of State for Transport for the Order to be extended if this proves necessary. However, the restriction specified will have effect only at such times and to such an extent as is indicated by the display of signs prescribed by the Traffic Signs Regulations and General Directions 2016.
EXPECTED DURATION: It is expected that the road will be restricted until 4th October 2019.
ALTERNATIVE ROUTES: use Cherry Street, Back Lane and Carlow Road.

JOBS BOARD

HEADWAY
 Supporting you to achieve new heights
HEADWAY EAST NORTHANTS
Brain Injury Activity Facilitator (Community & Centre)
 Headway East Northants is a registered charity providing support and services to adults affected by an acquired brain injury, their family members and carers.
 Our Activity Centre in Irthlingborough offers support to service users, enabling them in their rehabilitation and offering a range of opportunities to meet their particular circumstances. This can include assistance to regain lost skills and learn new ones, peer support and mentoring and to provide respite for families and carers.
 We are looking for a caring and committed person to support service users, primarily supporting with social activities within the community. Experience of working or volunteering within a Health or Social Care setting would be beneficial.
 This is a minimum 12 hours per week contract. The 12 hours will be worked over 2 days (Monday & Friday), but some flexibility/additional hours may be required to meet the needs of the charity. Rate of pay: £9.78 per hour. No personal care required.
 Applicants must have a full UK driving licence, business insurance and access to a vehicle. Travel expenses paid. A DBS check is required for this post, the cost of which will be met by Headway East Northants.
If you are interested in really making a difference to people with acquired brain injury please call our centre manager, Claire Phillips, on 01933 652311 for further details. Alternatively, to receive a full application pack, please email Becky Lake, Admin Coordinator, at beckyheadwayeastnorthants@gmail.com
Closing date for applications: Monday 30th September

East Northants Snooker League

This week saw the conclusion of this year's ENSL summer league, sponsored by Pete Banks Electrical. After 14 weeks, 42 matches, and thousands of balls potted, we find out which teams and which players scooped the trophies and prize money. Windmill Warriors did not have a match this week as it was their turn to sit out for the BYE. Despite not having a match this week, the Warriors had already done enough to win the league outright and could not be caught. So it was a four-horse race to see who would finish as this year's runner-up.

Higham SAS were playing the bottom team, Windmill C this week and therefore they knew they had a serious chance of a big win and a prospect of grabbing 2nd place. They raced to a 2-0 advantage as Adam Burns played well to beat Stewart Brown which caps off another strong season for him. Adam Underwood could not follow suit as he came unstuck against the wily and experienced Tony Jupp who won both frames to level the match at 2-2. The two team captains, Pete Beerten and Marc Brett then had a good scrap as they won a frame each and wrapped up the match 3-3.

Windmill A hosted Cue Sports D this week and wanted to take enough points to avoid finishing bottom of the league table. Colin Hinds and Justin White had a close contest as they took a frame each. Just like Higham SAS, Cue Sports D knew that a big score for them could see them finishing near the top. Unfortunately for them, Aaron Whittemore

lost the next two frames to Sean Britchford as Sean played well in the dying stages of both of his frames as he cleared the colours. David Whitmill and Alvin Thomas were very evenly matched as they won a frame each. This meant that Windmill A won their second only match of the season and avoided finishing in last place.

Cue Sports C and Cue Sports B had their second clash of the season this week. Luke Clinton finished off a great debut season by beating Ian Wiggins 2-0, knocking in a nice 28 break in the opener. John Sharp potted well to take frame three off Richard Symons, but Symons bit back to win a tight frame four. Clive Howe and Martyn Hatton then had a good shootout as they won a frame each. This gave Cue Sports C a 4-2 win over Cue Sports B. This good win for them means that they finish as this year's runners-up in their first season in the ENSL snooker league.

Marc Brett knocked in a 30 break to win one of his frames this week, but it is his fantastic contribution of 76 from much earlier in the season which means he wins the high break prize this year. Paul Lewis got close to Marc with his season high break of 59.

In the player statistics, sponsored by Gardiner Motors, we have a tie for first place.

This week's results:

Windmill A 4-2 Cue Sports D
Higham SAS 3-3 Windmill C
Cue Sports C 4-2 Cue Sports B
Windmill Warriors = BYE

This is the first time for the ENSL league. Justin White of Cue Sports D and Paul Lewis of Windmill Warriors both finished on a 75% win-rate for the entire season.

The AGM and Presentation Night will be held on Saturday 21st September. The

If you are interested in joining the League, you can find us via Facebook or Google – East Northants Snooker League. We would welcome more teams.

winners and runners-up will collect their much deserved silverware and prize money courtesy of our loyal sponsors.
